Another Double Wrestling Card

Name of 'Thunder' Thor Jensen Happily Missing from Roster of Participants

Another double header wrestling card is promised Lane county fans tonight at the Eugene Armory when Bunny Martin of Topeka, Kansas, is matched with Rob Roy of Jackson, Mississippi, and Walter Achu meets Joe Kirk of Tacoma. There will be no main event, but rather a double main event promises Herb Owen, matchmaker for the Commissioners.

Roy was seen in action last week against Thor Jensen. He did not win the match but the referee, Harry Elliott, became very unpopular when he announced Jensen the winner.

It all happened in the first fall when Jensen senior became irked at the official and entered the ropes to tangle with Elliott.

While this little private match was in progress Roy is said to have pinned Jensen Junior's shoulders to the mat, but what difference does this make when the official is busy watching out for himself. Elliott became interested in the advertised bout in time to see Jensen on top and gave him the fall.

Anyhow many fans are glad that the thunder God's name is not connected with the card this week. He has shown consistently in Eugene for several weeks and has yet to appear in a match in which he satisfies even the majority of the spectators by his conduct.

3,000,000 FAMILIES AIDED BY RED CROSS

Distress in All Areas Met by Giving Food, Clothing and Other Help.

More than 3,000,000 families throughout the nation were given relief of various types by the American Red Cross in the past winter, to aid them in their distress caused by unemployment, disaster or other misfortune.

A major relief task, due to unemployment and other unusual conditions in the bituminous mining counties in twenty states, was met by the Red Cross chapters alone, or participating with other agencies. In these 143 counties, the Red Cross aided 90,000 families through giving groceries, school lunches, clothing, flour and other necessities to combat privation.

Flour milled from government wheat turned over to the Red Cross by Congress was given to 15,900,000 persons in the period from March 1 to June 30, the close of the fiscal year. Flour will continue to be given through the winter of 1932-33, and Red Cross chapters also will give cotton clothing, made from government cotton turned over to the Red Cross for distribution.

"The Red Cross faces the busiest winter since the days of the World War," Chairman John Barton Payne said. "It is organized in virtually every one of the 3,072 counties in the United States, and will cooperate with all agencies to meet distress wherever found. The flour has proved of great benefit, and the cotton clothing will be given wide distribution."

While carrying on nationwide these unemployment and other relief measures, the Red Cross also was engaged in its regular peacetime activities in public health nursing, service to ex-service men and their families, teaching home hygiene, life saving, and first aid. The Junior Red Cross, composed of almost 7,000,000 school children, also rallied to the support of the society's relief efforts, and the children aided others of their age in practical ways, formed sewing and food canning classes, and were of great assistance in chapter relief work.

While the wheat and cotton were given by the U. S. Government, no money was provided to pay for the necessary work entailed. The Red Cross will meet this expense of almost \$500,000 from its treasury. Citizens can aid by joining as members of the local Red Cross chapter during the roll call from Armistice Day to Thanksgiving Day.

STUDENT PLAY IS WELL PRESENTED

Cast Shows Fine Ability in Humorous Situations; Miss Conoly is Director

Led by Ray Rasmussen in the role of E. M. Ralston, members of the student body of Springfield presented the three-act comedy, "Nothing But the Truth" in a very impressive manner at the high school auditorium Friday evening. The audience was not as large as it might have been had the weather been milder, but was well represented with children.

Directed by Miss Bernice Conoly, a new member of the faculty, the cast was very successful in its presentation of the many humorous and dramatic incidents of the story. The cast was very well chosen and their portrayal of the individual roles was commendable for high school students.

The story is of two New York city brokers, one of whom is in love with the daughter of the other, and who wagers \$10,000 he can tell the entire truth for 24 hours. The bet seems to be such a sure thing for Mr. Ralston that he is forced to share it with a business associate and client.

Situations Provoke Fun Many interesting and often quite difficult situations arise as the three men keep prodding Robert Bennett, Lamar Brattain, the maker of the wager, with a series of questions testing his willingness to tell the truth always even if it cost him many friendships and nearly wrecked the home of his business associate.

Things wind up rapidly when Robert wins his bet and Ralston had agreed to match a charity fund which had reached \$60,000 through the efforts of his daughter, and Bishop Doran (Bruce Squires) who was very ignorant about business and who found that by yelling loud and long enough he was successful in recovering money which he had been induced to spend for wildcat stock certificates.

The players in the cast and their roles were: Clarence Van Dusen, Everett Lajoie; E. M. Ralston, Ray Rasmussen; Bishop Doran, Bruce Squires; Dick Donnelly, Carter Hartman; Robert Bennett, Lamar Brattain; Mrs. E. M. Ralston, Marjorie Prochnow; Ethel Clark, Virginia Christie; Gwendolyn Ralston, Beth Jennings; Mabel Jackson, Echo Tomsett; Sabel Jackson, Dorothy Hart; Martha, Eva Louk.

Special Music Numbers

Special numbers on the program included the following introduction numbers by the high school orchestra under the direction of Buford Roach: "March," "Bachelor Girls"; Mazurka, "Sparkling Eyes," "March," "Cheer Leader."

Other selections played between the first and second act were waltz, "Over the Waves"; selections from "The Bohemian Girl"; and Minuet, "Ye Olden Dance."

Vocal numbers given between second and third acts included "Slave Song" and "The Little Damsel" by Wilma Lewis, and "Just Friends" and an encore by a girls trio, Virginia Christie, Blanche Bates, and Juanita Seaman.

Save the Children

Christmas belongs to the children. Despite privation, undernourishment and even want, there are few 'blessed where somebody's sacrifice, or somebody's inventive genius, will not make possible a recognition of the day so children's voices may be raised in gladness.

Christmas Seals belong to the children, too. The most important work they do is to protect children from tuberculosis. This year the seal itself shows two youngsters with faces upturned in gladness as they sing carols in the snow. Each seal is a direct appeal for help from the children of America, who suffer most from the effects of privation, undernourishment and want.

Christmas comes but once a year, and childhood once a lifetime.
