# COMPLETE FLOOD SURVEY ASSURED

Message From Mott Says All Flood Districts Included Regardless of Present Status

Assurance that the federal government's flood survey of the Willamette river will include the entire Willamette valley and not just the lower valley which has already suffered from flood conditions this year was contained in a telegram received yesterday by H. E. Maxey, chairman of the Willamette River Flood Control association, from Congressman James W. Mott at Washington, D. C.

The telegram reads: "War Department advises Major Williams can do in competition and have Portland. authorized to include entire Wil. been well pleased.
