The annual Lane county "B" league basketball tournament which has meant so much to the athletic programs of the smaller high schools of the county will be held again this year it was decided Saturday when members of the Lane county Principal's association voted 16-4 to re-enter the state athletic association.

Play in the tournament will start at the Armory in Eugene on March 22 and will continue through the next two days, March 23 and 24. Winners in the county will be eligible to play in the state "A" league meet in Salem if no "B" league meet is arranged before that time.
