VERY LATEST by MARY MARSHALL For Graduates Slenderizing Style Pattern 8148—Let her make this dress herself. It isn't difficult at all. The material is navy blue with white dots. Don't you think it is pretty? A white capelet is pert and attractive for contrast. It makes a lovely graduation or confirmation dress in white organdy, crepe or net. Many young girls make their own dresses for graduation.

Slenderizing Style Pattern 8164—Large women will find this style very simple and easy to make and practical for every day use in the mornings. The repetition of slanting lines on waist and skirt gives a slenderizing effect. The sleeves may be made long or short according to individual taste and the tie ends may be used as suggested or may be omitted. The V neckline is always acceptable and becoming. For patterns, send 15 cents in coin (for each pattern desired), your name, address, style number and size to Patricia Doy, Springfield News, Pattern Dept., 115 Fifth Avenue, Brooklyn, N. Y.
