OREGON COUNTY AGENTS EXPERIENCE BUSY YEAR

Federal Agricultural Program Adds Some More Work to Offices Of Farm Agents

Oregon county agents put in the G. R. Hoerner, federal pathologist busiest year in history during 1933 stationed at Oregon State college, when emergency work was added Oregon the disease is comparative by F. L. Ballard, state county agent fire near him while at work. ly serious again this year, but has leader. The number of office calls manifested no new characteristics. by farmers and others seeking specific assistance exceeded 100,000 for the year, a new high mark since the county agent service was established in 1913."

> Advent of the agricultural adgency relief programs gave the with relatives. agents the added task of explaining the wheat adjustment program, the corn-hog plan, and assisting with seed loans, farm mortgage adjustment, and state and federal relief day. activities, Ballard points out.

Valley Alfalfa Gains Despite this added emergency work, marked progress was made Meakins. during the year in the major projects. These included furthering the expansion of alfalfa acreage in falfa in eastern Oregon, promoting the development of the small seed industry, and introducing improved varieties of forage crops and fruits. Marketing assistance constituted

an important part of the work in many counties, while additional Ray Nott and Al Pohl spent the help was given the 4-H club work in week-end fishing on the uper Mc counties not employing regular Kenzie club agents, Ballard's report shows.

More county agents and assist ants are now employed in Oregon than ever before, every county except Harney and Josephine either have an agent of its own or a cooperative agreement with a neighjoint agent.
