BRAKES ARE AFFECTED BY CAR'S POSITION

Motorists sometimes wonder why the brakes on their machines some Genuine humor improves with times appear to grip wheels unage, is the claim of Will Rogers equally under various driving conand he cites the case of his latest ditions, even though the brakes are

The position of the car on the road has a great deal to do with George Ade was first presented at braking effects, it was explained. Wallack's theatre at 30th street and Some roads are crowned, and unless the car is in the exact center 1902, starring Maclyn Arbuckle in the weight distribution is altered the role of Jim Hackler. It ran for sufficiently to change the brake

The reason for this, the association pointed out, is that the wheels those days! Willis P. Sweatnam, a on one side of the car will be supminstrel man, created the role of porting more weight than those on "Sassafras Livingston," now played the other side. And the wheels that by Stephin Fetchit, and it made are carying the least weight will naturally lock and slide sooner than those which are carrying the heaviest load.
