WOMAN SICK TWELVE YEARS

Wants Other Women to Know How She Was Finally Restored to Health.
Louisiana, Mo.:—"I think a woman naturally dislikes to make her troubles known to the public, but complete restoration to health means so much to me that I cannot keep from telling mine for the sake of other suffering women."
"I had been sick about twelve years, and had eleven doctors. I had dragging down pains, pains at monthly periods, bilious spells, and was getting worse all the time. I would hardly get over one spell when I would be sick again. No tongue can tell what I suffered from cramps, and at times I could hardly walk. The doctors said I might die at one of those times, but I took Lydia E. Pinkham's Vegetable Compound and got better right away. Your valuable medicine is worth more than mountains of gold to suffering women."—Mrs. BERTHA MUFF, 603 N. 4th Street, Louisiana, Mo.
Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.
If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

CITY HONORS DEAD 'NEWSBOY'

Thousands Weep for Billy Rugh, Hero of Gary, Ind.

Streets Blocked and Funeral Held in Open-Coffin Showered With Coins for Monument.

Chicago—A funeral such as was never known before was accorded "Billy" Rugh, "newsboy," who gave his life that a girl might live. Greater homage in pageantry and grandeur has been paid kings and statesmen beloved by nations but this was a spontaneous tribute from the hearts of men and women in honor of a hero.
Fifteen thousand persons, singing "Nearer My God to Thee," crowded about his casket on a street corner in Gary, Ind., Sunday afternoon. By their very numbers they had blocked a mile long funeral cortege and prevented the holding of a church service.
Strong men of many races, workers in steel mills that were closed in Rugh's honor, wept as they formed in line with their employers and walked slowly past the coffin of the dead "newsboy." Their wives and children were with them and many stretched forth their hands in an effort to express their reverence by offering money for the erection of a monument.
Policemen found difficulty in explaining to hundreds of the mourners, for they all were mourners, although some could not speak English, that they must not shower the coffin with money, but must keep it until arrangements for the memorial tribute could be made.
The coffin, buried in the floral offerings of city officials, fraternal organizations and private citizens, was carried in a crape trimmed fire department automobile from the undertaking establishment toward the First Methodist church. Thousands blocked the streets and the church was filled to overflowing long before the advance squad of policemen, leading the procession, arrived.
Then the plans were changed and it was decided to hold the service from the church steps. But the procession never got that far. When the corner before the church had been reached the crowd was so dense that this plan had to be given up.
Instead, a space was cleared in the center of the road and there, upon low rests, the coffin was placed.
Led by the church choir and with music furnished by two bands that had donated their services, the crowd sang old Gospel hymns as Rev. J. M. Avann stepped into the fire department automobile and utilized the seat as his pulpit. Throngs of persons upon nearby porch roofs joined in the singing.
The pastor likened the dead hero, to the Christ, and quoted from the Bible, "He saved others, yet himself he could not save." This was his text.

CAPTURE TURKISH WARSHIPS
Greek Gunboats Make Big Haul in Mediterranean.
San Francisco—Three Turkish ships were captured and one destroyed Sunday by the Greek gunboats A and B, according to a cablegram received here by T. B. Mountanos, editor of the California Greek newspaper. A Turkish torpedo boat destroyer and two gunboats were captured in an engagement against the Greek port of Navan. The gunboats captured were said to be part of a consignment of five ordered from Germany by the Turkish government. The cablegram was dated Athens.

Money Painter in Prison.
Chicago—Louis Gadmore, who turned his talent as an artist into the painting of \$10 counterfeit government notes, was sentenced to serve one year in the United States prison at Fort Leavenworth, Kan., after he had admitted his guilt. He was started for prison at once. Gadmore told the court he had painted the notes so that he could support his wife and child when he found he could not sell his paintings. The authorities declared the notes were so well executed that it was difficult to detect them.

Explosion Fatal to Five.
Halley City, Ont.—Five persons were killed and three seriously, perhaps fatally, injured when the plant of the Energetic Explosive company was blown up Thursday afternoon. The factory was completely ruined and houses throughout the village were demolished. The cause of the explosion is not known. Flames shot 200 feet into the air, and flying roofing and splintered timbers were thrown through nearby buildings.

London—On the mountainous front of 200 miles from Kirk Killesseh in the east to Uskup in the west the advance of the allied armies into Turkey continues. The Turkish army appears to be acting on the defensive. Its outposts are slowly withdrawing and are attempting only to screen the way for mobilization while the main forces are marching toward the frontier.

Two Aviators Fall to Death.
Goengen, Germany—An aeroplane piloted by Lieutenant Weisbarth, a German military aviator, and carrying a passenger, fell to the ground from a great altitude while flying near here, and both men were killed.

Unsatisfying Men.

The young girls who work in the Paris shops have 50 centimes to spend for their midday meal, and when a charitable society inquired as to how the money was being spent, the following list was found to embody the average: Fried potatoes or sausage, 10 centimes; bread, 10 centimes; bonbons, 10 centimes; violets or other flowers, 20 centimes. The society no longer had any cause to wonder why the girls were undernourished and ill-nourished.

National Characteristic.
A national characteristic of the French people is their habit of family exclusiveness. It is very rarely that a family divides for a holiday. For one thing, middle-class people in France do not pay visits except to members of their own family, and for another, a French mother likes to keep her children under her own eyes as much as possible, both before and after marriage.

Mothers will find Mrs. Winslow's Soothing Syrup the best remedy to use for their children during the teething period.
Case of Ingratitude.
When Lord B— died a person met an old man who was one of his most intimate friends. He was pale, confused, awe-stricken. Every one was trying to console him, but in vain. "His loss," he exclaimed, "does not affect me so much as his horrible ingratitude. Would you believe it? He died without leaving me anything in his will—I, who have dined with him at his own house three times a week for 30 years!"—Life.

He and Another Man.
A woman who owns a little brown rowboat, which when not in use is tied in a sheltered Cape Ann cove, responded to a knock at her cottage door the other day to find a very diminutive guy standing on the threshold. "Please, ma'am," lisped he, "can me an' another man have the loan of the brown skiff to go a-cod fishin'?"
SILK Umbrellas.
Umbrellas when not in use should be left open. Never put away while damp, and do not allow them to stand in a dusty place, as this rots the silk more than any other cause. When a small hole or cut appears in a silk umbrella it may be mended with a piece of black cotton plaster or mending tissue.
