

LOCAL BRIEFS

Born to Mr. and Mrs. Ray Kelly April the 28, a girl.

The cold nights have damaged the fruit in many places.

Frank Robison was in Spray Wednesday after supplies.

Stafford and May did a good business selling ice cream Sunday.

Mr. and Mrs. Simpson of Kahler Basin were guests of Mr. and Mrs. Chas. Royse Sunday.

We have been having a few nice showers the past week that made our farmers smile.

Mrs. James Frost and her daughter, Mabel, have been quite sick with Lagrippe the last two weeks.

Mrs. Anna Potter has moved back to the ranch for the summer.

Emil Straube came down from Waterman Saturday returning Sunday.

Mrs. Cross is talking of going to Monument on a visit, to be gone indefinitely.

S. F. Moore, J. E. Mainord and his son Oscar went to Heppner after a load of supplies, returning Friday.

Oliver Potter bought his Partner's interest in the crop at their place up the river and will have full management from now on.

C. F. Waters made a business trip to Heppner this week and has now gone to Condon with a load of wool for Chas. Bockler.

D. M. Richey, the Watkins man, has bought a gasoline engine and is going to install a pumping plant in lower town to pump water for his garden.

A. E. Cress has been building a water wheel for A. V. Templeton on the ranch purchased some time ago by R. J. Carsner from R. E. Wilson. Mr. Templeton is going to utilize the current of the John Day River for power to run a pumping plant.

Oscar Hale, who a short time ago had the misfortune to break the rear axle of his Auto, received the needed repairs Wednesday and now has the machine ready for the road.

Fred Hale, our road supervisor, has been smoothing the rough places along the public highways and those who travel over them say he is doing a good work and would do much more if the County Court could be more liberal in their appropriations for this purpose.

Sheriff Kelsay spent two days in Spray this week. He and Frank Wilkison helped the Courier devil print last weeks issue, so if there was anything wrong with your paper charge it to the Sheriff.

W. C. Brown of Condon, is going to Mitchell Thursday or Friday, to buy heavy horses, and is coming to Spray on his way back. If you have horses to sell, see him. Dates will be announced later.

D. E. Baxter, our land commissioner, has been very busy taking filings and final proofs. The public domain is fast passing into the hands of private ownership and many homestead cabins dot the hills and valleys that surround our village.

Vol. 1, No. 1, of the Oregon Voter is on our desk. It is full of the kind of information the voter in Oregon should obtain. We bespeak for it wide circulation as the editor, C. C. Chapman, is well known over the state, having been connected with the Portland Chamber of Commerce for a long time.

Rev. Lee Davis, pastor of the Nazarene Church at Winlock, failed to fill his appointment here last Sunday.

A NEW FIRM

STAFFORD AND MAY. We wish to inform the public that we have rented the Drug-store building, and are going to put in a good fresh line of Confectionery and fresh fruits in their season. Also will try to carry a standard line of Patent Medicines.

Stafford & May.
