

**As sure to rise as the Sun**

You can't always make everything "just so." Sometimes you will get in more shortening than usual; or make the batter a little thin; or it may not be convenient to put a cake in the oven the moment it is mixed; or your oven may not bake evenly and it is necessary to turn the pan around—none of these little uncertainties make the slightest difference in results if you use

**KG BAKING POWDER**

This modern, double-raise baking powder has unusual strength and is absolutely certain to raise your biscuits, cakes and pastry light and feathery. It generates an abundance of leavening gas both in the mixing bowl and in the oven. The raising is sustained until the dough is cooked through.

Housewives who use K C never have "bad luck" with their baking. Try K C at our risk. Your grocer will refund your money if you are not pleased in every way.

A Dull Life.

"I don't know how we'll get along without you, Nora."

"Thank you, ma'am."

"You've been with us a long time."

"Yes, ma'am. Nearly seven months."

"And you still refuse to tell us why you are leaving?"

"Well, ma'am, if you insist on knowing, it's because I can't stand the company here."

"The idea! Our house is frequented by the best people."

"It's not that, ma'am. I was speaking of my own company. Where I used to work most of my friends were chauffeurs, ma'am. The only man who has asked me to take a ride with him since I've been here was a vegetable pedler."—Birmingham Age-Herald.

NEW MODERN DANCING.

It Seemed That Way.

The farmer, wearing a long face, entered the country drug store. "I've got something wrong with my stomach," he announced, "and I want you to give me something for it."

"All right," replied the apothecary, cheerfully; "what are your symptoms?"

"Every little while something seems to rise up and settle back and then by and by rises up and settles back again."

The druggist stroked his chin, reflectively. "Look here," he said, gravely, "you haven't gone and swallowed an elevator, have you?"—Ladies Home Journal.

Suffered Everything Until Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Florence, So. Dakota.—"I used to be very sick every month with bearing down pains and backache, and had headache a good deal of the time and very little appetite. The pains were so bad that I used to sit right down on the floor and cry, because it hurt me so and I could not do any work at those times. An old woman advised me to try Lydia E. Pinkham's Vegetable Compound and I got a bottle. I felt better the next month so I took three more bottles of it and got well so I could work all the time. I hope every woman who suffers like I did will try Lydia E. Pinkham's Vegetable Compound."—Mrs. P. W. LANSING, Box 8, Allyn, Wash.

Why will women continue to suffer day in and day out or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Shopping Again.

"There's a delivery wagon driving up to our door," said hubby. "Been shopping again?"

"Well, I didn't have anything to do," replied wifey, "so I went down to Wanscooper's and listened to the concert in their auditorium. It was just splendid, too. After that I went up to the grocery department and tried some new cereal they're demonstrating. I managed to get three helpings, so I didn't need to spend any money for luncheon. Then I looked at the fashion parade and spent the rest of the afternoon in the art gallery. After that I didn't feel as if I ought to leave the store without buying anything, so I had them send me up a spool of thread."

Who Will Care?

Who will care if my hair is gray?  
Who will care what I have to say?
