Resinol Stops Itching Instantly

It is a positive fact that the moment resinol ointment touches any itching skin, the itching usually stops and healing begins. With the aid of resinol soap, it quickly clears away all trace of eczema, ringworm, pimples, blackheads, or similar tormenting, unsightly eruption, leaving the skin clear and healthy.

And the best of it is you need never hesitate to use resinol soap and resinol ointment. There is nothing in them to injure the tenderest surface. Resinol is a doctor's prescription which for twenty years has been used by careful physicians for all kinds of skin affections. They prescribe resinol freely, confident that its soothing, healing action is brought about by medication so bland and gentle as to be suited to the most delicate or irritated skin—even of a tiny baby. Every druggist sells resinol soap and resinol ointment.

"But why?" asked his mother.

"What's the use of going? I shall never learn to spell!"

"What do you mean?"

"Well, how can I learn to spell when the teacher changes the words every day?"—Chicago Herald.

How Could He?

IN STERLING LIVES A GIRL

Who Suffered As Many Girls Do—Tells How She Found Relief.

Sterling, Conn.—"I am a girl of 22 years and I used to faint away every month and was very weak. I was also bothered a lot with female weakness. I read your little book 'Wisdom for Women,' and I saw how others had been helped by Lydia E. Pinkham's Vegetable Compound, and decided to try it, and it has made me feel like a new girl and I am now relieved of all these troubles. I hope all young girls will get relief as I have. I never felt better in my life."—Mrs. JOHN TETREBAULT, Box 116, Sterling, Conn.

Massena, N. Y.—"I have taken Lydia E. Pinkham's Vegetable Compound and I highly recommend it. If anyone wants to write to me I will gladly tell her about my case. I was certainly in a bad condition as my blood was all turning to water. I had pimples on my face and a bad color, and for five years I had been troubled with suppression. The doctors called it 'Anemia and Exhaustion,' and said I was all run down, but Lydia E. Pinkham's Vegetable Compound brought me out all right."—Miss LAVISA MYRES, Box 74, Massena, N. Y.

Young Girls, Heed This Advice.

Girls who are troubled with painful irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion, should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

Third Alfalfa Crop Put In.

Portland—Following is a summary of the crop conditions in Oregon for the week, as reported to the local office of the weather bureau by special correspondents throughout the state:

Although showers fell in the Western counties on the 23d, 24th and in some limited areas of North Central Oregon on the 24th, which benefited pastures and gardens to some extent, there is still need for rain in all portions of the state.

The warm weather has been favorable for the maturing of fruit and garden truck. The picking and drying of prunes has been about completed and the harvesting of apples and pears has begun. In the Eastern Oregon valleys the peach crop was very heavy and the quality excellent, but owing to an over-supplied market many tons of the choicest fruit is going to waste.

Threshing has been practically completed, and the farmers are preparing the soil for seeding, but little wheat will be sown until the fall rains have commenced.

While waiting for the rain, ranchers are hauling their wood and winter supplies.

Irrigated crops of alfalfa are very good, and the third crop is being put up in some sections.

Tomatoes are plentiful and of excellent quality. Seasonable fruits and vegetables are in the local markets in abundance, and the quality is very good.

Cranberries Are Popular.

Tacoma—Cranberries are proving unusually popular with the trade and the supply on the local produce market is good. As a substitute for blackberries, dealers say, cranberries are what is wanted. The berries are rolling in from Cape Cod and are of fine size and color and hold up unusually well in shipment. They are quoted wholesale at \$9.50@10 per barrel. This week saw the first appearance this season of grapefruit from the Isle of Pines. The first receipts are a trifle green and are bringing 15 cents each.

Commission House Case Dismissed.

Seattle—That the law providing for the licensing and bonding of commission merchants, enacted by the last legislature, contains a joker which makes it inoperative against all but the smallest commission merchants was discovered here when Superior Judge Gilliam dismissed the suit against J. B. Powles & Co. The bill, as introduced in the legislature, was aimed at commission merchants by the shipping and growers' associations.

As sure to rise as the Sun

You can't always make everything "just so." Sometimes you will get in more shortening than usual; or make the batter a little thin; or it may not be convenient to put a cake in the oven the moment it is mixed; or your oven may not bake evenly and it is necessary to turn the pan around—none of these little uncertainties make the slightest difference in results if you use

K.C. BAKING POWDER

This modern, double-raise baking powder has unusual strength and is absolutely certain to raise your biscuits, cakes and pastry light and feathery. It generates an abundance of leavening gas both in the mixing bowl and in the oven. The raising is sustained until the dough is cooked through.

Housewives who use K.C. never have "bad luck" with their baking. Try K.C. at our risk. Your grocer will refund your money if you are not pleased in every way.

An Obligation.

"Our friend always puts his best foot forward, although he is a trifle uncouth."

"Yes," replied Senator Sorghum, "a man who puts his best foot forward ought to be careful at least to keep his shoes polished."—Washington Star.

A Hint For Contributors.

"I think," said the editor, "that I will drop journalism and take to astronomy."

"Why?"

"Because astronomers have more space than they know what to do with."—Philadelphia Record.

Hello, Mabel!

"Oh, hello, George!"

"How are you, Mabel?"

"Just fine! How are you, George?"

"Same. Say, Mabel, let's go through the park this afternoon. What do you say?"

"Well—ah—ah—ahem—I—I—ah—I'm kind of well, I'm kind of tired, George."

"I'm so sorry, but, George, you understand just how it is, don't you, George, dear?"

"Yes, I guess so. I suppose I'll have to ride with someone else, then."

"Ride?"

"Yes; my new eight-cylinder roadster came this morning."

"Oh, George! Did it really? Isn't that just splendid? Say—ah—George, I guess I'm not as tired as I thought I was."

"Well, I wouldn't take any chances if I were you, Mabel. It doesn't pay. I'll take someone else."

"But, really, dear, I'm not tired a bit. Honestly."

"It's sweet of you to say that, but I don't want to take advantage of your kindness. Good-by, Mabel."

Mabel slammed the receiver viciously on the hook. "Darn it!" she muttered. Why didn't he say so in the first place?—Michigan Gargoyle.

Valued Immunity.

"So you bought one of those automobiles they tell so many rummy stories about?"

"Yes," replied Mr. Chuggins, "and it is saving me a lot of trouble and wear and tear. When your friends tell you jokes about your car they don't expect you to ask them to ride around in it."—Washington Star.

A New Game.

"Let's play pinochle golf this time," suggested the man who always lost. "Pinochle golf?" exclaimed his opponent. "What kind of a game is that?" "It's played just like ordinary golf," replied the other, "only the man with the high score wins."—Philadelphia Public Ledger.
