64th Congress Adjourns

Record Shows Appropriations Exceeding by More than Half Billion Past Year's Expenditures.

Washington, D. C. — The final session of the Sixty-fourth Congress which adjourned Friday, Sept. 6, has been said to have been marked by more than usual good will and a spirit of friendliness.

When the final furlough had been declared, congratulations and expressions of the army and navy for the success of the country were given. The session which will make the total for this Congress $24.7 billion, will have the record of giving the nation a war and a budget of more than $24 billion.

With all other expenditures, approximately $10 billion, the cost of the war, a new national debt of $10 billion, the percentage of the total in the country's treasury, and the cost of the war, will be more than a half billion dollars.

The army and navy are now said to have a deficit of more than $150 million, and the army, which is said to have a deficit of more than $50 million, is said to have a deficit of more than $50 million.

The navy, which is said to have a deficit of more than $50 million, is said to have a deficit of more than $50 million.
