Mrs. Dr. Prill went over to Albany last Thursday returning the next day. Mrs. J. A. Blyden was visiting relatives and friends in this city last week. Mrs. Eva Coffey and little daughter Vera, are visiting friends in Lebanon this week. Charlie Young came up from Salem Friday evening, returning the following Monday. We notice that Mr. Joe Miller is able to be on our streets again after a short but severe illness. Jack Jones went to Stayton last Wednesday and stayed over night with the old folks at home. Messrs Devine and Trotter, of near Waterloo, were visiting friends in this city one day last week. Harry Palmer went to visit the home folks at Albany Saturday, returning on the following Tuesday. Rev. Haultman returned Friday morning from Corvallis where he had been holding a protracted meeting. Mr. Wash Phillips went to Eugene Friday, to attend the funeral of Mr. Douglas, a friend who died there. E. M. French, the jeweler of Albany has something new in engagement and wedding rings, make a note of this, boys. Mrs. Annie Henderson who has visited Mrs. T. L. Dugger for the past three weeks, returned to her home in Albany, Tuesday. WANTED—Any one having Early Rose or Beauty of Hebron seed potatoes for sale, can find a buyer by writing to S. W. Gains, Scio, Oregon. Doctor Prill having located in Scio, can be found at his office, in the building formerly occupied by Dr. Hyde. Calls promptly attended, day or night. Miss Anna Morris came down from Sotaville College Friday, and returned Sunday morning, accompanied by her brother Frank and Miss Gert Willis. The young people's Christian Endeavor of this city, will give a very unique and instructive entertainment next Saturday night. Admission 5 and 10 cents. You will be richly paid if you attend. A reported confession of an Lebanon citizen who died recently, involving a murder and an attempted bank robbery, is pronounced a complete fake, with no foundation in fact. The L. O. O. F. of this city have had as yet fully determined whether they will at once proceed to fit up their new hall, or wait until the expiration of the lease of their present quarters. The Albany Silver Imprint has a continued story in its columns this week under the caption of "Sheriff's Sale of Nearly Nineteen Tater." The article is densely 19 columns in length of 24 inches each. A movement is on foot in Corvallis to establish a free ferry. A petition to the legislature asking that it confer the proper authority upon the court of Benton county is already signed, and the bill which the promoters of the matter have prepared will be presented to the legislature Oregon acts. Messrs G. M. Coffey, Geo. I. Shelton, Frank Gill, Dr. A. G. Prill, J. N. Morris, W. E. Seavey, Frank Batcher, Wm. Brenner, J. Q. Linch, Harry Meyer and T. L. Dugger went to the R. of P. education at Corvallis last Saturday evening. They went from this city to Albany on the hinder. When a message from the Benton organization was presented to the senate last Monday, President Simon ruled that there was no legally organized house and for that reason declined to receive the message. From his decision there has been as yet no appeal to the senate. The vote on appeal would probably be a tie vote. Thus the attempt to amend the constitution has failed.

Albany will levy a 4 mill school tax. Miss Grace Wylie returned from a visit to Albany on Tuesday. Senator Johnson spent Sunday at home returning to Salem Monday. Col. Jeff Myers came up last Saturday from Salem and spent Sunday with home folks. Fred Morris, who has been employed in Salem for over a year, is now at home. An Illinois colony has decided to come to Oregon instead of going to Louisiana, and right into this beautiful Willamette valley. Let them come. We regret to learn that Mr. David Smith, of Talmun and well known in this section, is dangerously sick at home. The chances for his recovery are regarded as being quite doubtful. The Cuban seem to be making good headway against the Spanish now a days. They have captured several cities of importance, and came very near capturing General Weyler, the commander of the Spanish forces. The cold wave accompanied with snow and blizzards over nearly the whole of the states East of the Cascade mountains, lapped over the mountains and covered the Willamette valley with snow on Monday. Last Saturday Constable John Patterson of this precinct went over to Albany, ostensibly to arrest an escaped convict named Pepperrin. During the noon hour, Patterson having indulged more bug juice than was good for him he at the Race House saloon became very boisterous and flourished his revolver freely. Just at this time the marshal was about the depot, so sheriff Gaines was telephoned for and who immediately repaired to the scene of the disturbance. He soon relieved Patterson of his revolver and assisted by Mr. Harbert, started jailward with his catch. Talk about talky horses, they are not a circumstance; his heels plowed along on the side walks and the amount of profanity used almost made the surrounding atmosphere smelt sulphurous. He was lodged in the jail till late in the afternoon, when having slept off the influence of his booze, he was released. The Herald ever willing to cast a slur upon the population of this county government, stated that Patterson was a deputy sheriff, well knowing at the time that the statement was false, for we had no deputy sheriff in the county at that time. It is to be regretted that any man will indulge in such boisterous and especially so when he is a peace officer. Such an one is hardly a suitable person to fill a responsible position. Should such conduct be repeated he certainly deserves to be relieved of his commission as an officer. Mr. Patterson, shows a thin above record, his shows us an affidavit, returned from the drinking habit, duly acknowledged before H. Shelton, notary, which he will sign with the county clerk. We certainly hope he will be successful in his efforts to reform.

Successful Affairs. By invitation of the K. of P. lodge in Corvallis, from 75 to 100 members of the order from Portland, Salem, Silverton, Independence, Albany and Scio, went on an excursion on the steamer "Ruth" to pay the Corvallis K. of P.'s a fraternal visit. About a jolly set of boys as it has ever been our lot to be with, were aboard that boat. The time of making the trip was spent in cultivating acquaintance with each other. Arriving at Corvallis the visitors were greeted by a large number of K. of P. boys, and escorted to their hall in that city. The Corvallis lodge had a class of 15 initiates on hand, upon whom the rank of knighthood was conferred in a very impressive manner. When the work had all been completed, all adjourned to a neighboring restaurant, where an elegant lunch was served. At the conclusion of the lunch, Attorney Yates serving as toast master, brought out some very fine speeches from the visiting Knights, not neglecting to deliver a very neat address of welcome himself. By this time the night was far spent, and the visitors as well as the Corvallis brethren returned to the lodge room and spent the time till the departure in social intercourse, music, legislature, etc. The only difference between this body and that at Salem is the Salem body had a "rump" and this one did not. Every one came away fully convinced that the Corvallis boys cannot be excelled as entertainers.
