### OF GENERAL INTEREST.

Benton county's delinquent tax

amounts to \$18,000.

Harvest wages in Indiana in 1898

were about 40 cents a day.

Nearly half a million dollars' worth

of hazelnuts were shipped from

Trebizond, Turkey, in 1897.

Philadelphia capitalists are con-

sidering the advisability of building

an electric road from Corvallis to

Exeter.

The Dallas Observer says the

wheat harvest of Polk county, Ore-

gon, will this year be the largest in

its history.

With fleet and guns, an Admiral

of Spain

started through Suez, and then sailed

back again.

Scientists may not, as a physician

says, make soldiers, but they have

that quality in them which makes

other people run.

The Strevskele beet sugar factories

in California will all use Kerosene oil

for fuel. The oil cost 84 cents per

barrel at Los Angeles.

A Chittiman went to a store to buy

a shirt, and tried on one. "This you

see," said the clerk. "Do you?" re-

sponded the customer.

Food River food Oregon in other

extracted two teeth from a baby five

days old.

Umavilla county is being cursed by

a lot of cattle and horse thieves. A

ing was looked for from that section

of the state if it keeps up.

Congressman Tammann has secured

an allotment of \$12 a month back

pay for Mrs. Christina J. Reed of

Middleton, money due her husband

The bottling of pure fruit juices by

the patriotic ladies of Oregon for the

orders. And a truly chivalrous

order that.

It is the general opinion of those

who have recently visited through

the prune growing districts of Ore-
