I Was Completely Helpless With Rheumatism

Could not move, the least bit of a jar would make me shout with pain. I was afraid I should be a cripple for life, as prescriptions did me no good. Finally I sent for a bottle of Hood's Sarsaparilla which helped me much and two bottles more put me on my feet so that I could walk without crutches. I was soon well enough to work on my farm."—W. H. **Aged Woman Rides a Bicycle.**

Probably the oldest living bicyclist is a woman in County Essex, England, aged 93, who is an adept rider and whose sprightliness is astonishing. Most people could enjoy health until very old age if they took proper precautions to prevent diseases of the digestive organs by taking an occasional dose of Hostetter's Stomach Bitters. Even after dyspepsia, indigestion, biliousness and constipation have secured a foothold and become chronic, the Bitters will afford speedy relief.

**Cow on the Track.**

A tourist, who has just returned from South Africa, tells the following anecdote: "On one of the railways—slower than those of Spain—the train crawling along at the rate of six miles an hour, was suddenly brought to a standstill. 'What's the matter, guard?' was the anxious query of a passenger. 'Oh, sir, only a cow on the track.' The obstruction having been removed, the train steamed on, and at the end of an hour the train once more stopped. 'What's up now, guard?' the passenger again asked. 'Is it another cow?' 'No, sir, no,' was the prompt reply; 'same cow, sir.' "—Chicago Journal.

## A STORM-SWEPT COAST.

**Snow, Gales and High Tides Prevailing on the Atlantic.**

Boston, Feb. 11.—A howling northeast snow storm has prevailed in the bay and along Massachusetts coast during the past 24 hours. A three-masted schooner, name unknown, is reported wrecked off Nantasket beach. The Hull lifesaving crew has sent out a boat. At present writing it is not known whether or not the vessel's crew are still alive.

Boston harbor was a fury of driven snow and scattered spray. The ferryboat slips were under water, and passengers had to wade for it.

The storm played havoc with property along the Lynn and Swampscott shores. The exceptionally high tides swept away all buildings and demolished yachts and other small craft lying upon the shore at Kings Beach in Swampscott.

At Lynn, at high tide, the water went a considerable distance up New Washington street, flooding the cellars of several residences and making car and foot traffic difficult. The sea demolished $5,000 worth of stone breakwater on the front. Down on Cape Cod a howling northeast blizzard, such as prevailed last November on the awful night when the steamer Portland went down with all on board, raged all day.

None of the lightships could be seen and it was impossible to learn whether the Pollock Rip lightship was holding its moorings or not.

## BY TREMENDOUS SEAS.

**Six Men Lost Overboard From the Kinshiu Maru.**

Vancouver, B. C., Feb. 11.—The steamer Empress of Japan arrived yesterday from Hong Kong and Yokohama. Mail advices say that the steamer Kinshui Maru, which sailed from Seattle December 28, lost six men overboard on her trip across. When two days out the wind blew a gale from the northeast with mountainous seas. Some of the crew, led by Mr. Laprack, chief officer, were securing hitch covers and all movable fittings on the after deck, when a very heavy sea broke on board, completely filling the after deck and washing overboard the apprentice, officer and four sailors. Captain Brady at once put about in search of the men, but could not find them. Several companion-ways of the Kinshui were carried away, besides large pieces of bulwarks.

## INVESTIGATE MILES' CHARGES.

**President McKinley Appoints a Court of Inquiry.**

Washington, Feb. 11.—The president has appointed a court of inquiry to examine into the charges touching the meat furnished during the war with Spain and other matters involved in the charges made by General Miles against the administration of war affairs. The court will consist of Major-General Wade, Colonel George W. Dalve, Ninth infantry, and Colonel Gillespie, corps of engineers.

The court will meet in this city February 15, to investigate the allegations of Miles as to the meat furnished the army. The court will also submit an opinion upon the merits of the case, and Miles' charges, together with such recommendations of further proceedings as may be warranted by the facts developed in the course of the inquiry.

Miles declined to discuss the appointment of the court.

## TO SUCCEED EAGAN.

**Colonel John F. Weston to Be Commissary-General.**

New York, Feb. 11.—A dispatch to the Tribune from Washington says: General Eagan is to be placed on the retired list of the army in a few days on his own application, after 30 years' service, and Colonel John F. Weston, the senior officer of the subsistence department is to be nominated by the president as commissary-general of subsistence.

The arrangement for General Eagan's retirement was made before the president commuted the sentence of dismissal imposed upon him by the court-martial.

By his retirement General Eagan will forfeit $1,375 from the annual pay to which he would have been entitled for the next six years under the sentence of suspension.

**To Bury Its Dead.**

Olympia, Wash., Feb. 11.—Governor Rogers has received a letter from the father of a young man killed in the recent engagement at Manila, asking the governor what, if any, provision would be made by the state for burial, in the event that the bodies were brought home by the United States. The governor referred the matter to the legislature in a special message, giving his opinion that the state would honor itself by providing suitable burial for its soldiers killed in a foreign engagement.

**The Ice King's Grasp.**

Chicago, Feb. 11.—This city is in the grip of the coldest weather since 1872. Twenty-two below is last night's record. About 20 persons were so severely frostbitten during the early morning that they had to be taken from the streets to hospitals. Several portions of the city are suffering from lack of water, due to frozen pipes. One man was frozen to death on the street last night while intoxicated.

**Twenty Million Dollar Mortgage.**

Denver, Colo., Feb. 11.—A mortgage for $20,000,000, given to the Central Trust Company, of New York city, by the Colorado & Southern railway, was filed in this county today. The revenue stamps used aggregated $35,250.

**Transport Grant Passes Algiers.**

Algiers, Feb. 11.—The United States transport Grant, which sailed from New York January 19, bound for Manila, passed here today.

**Another Rich Strike.**

Skagway, via Victoria, B. C., Feb. 11.—The richest gold strike made for months is reported from McDonald creek, Northwest territory. The strike is close to the boundary line of British Columbia and the Northwest Territory. The creek drains a natural basin that slopes down toward Lake Marsh and the Upper Yukon. The creek is five miles long.

Surface gravel gave from $1 to $2 a pan. In the country adjacent to McDenald creek there are innumerable creeks not yet prospected. The gold is coarse and assays high.

**New Railroad in China.**

A. W. Bash, who was formerly collector of customs on Puget sound, was the original promoter in China, of what gives promise of being a very important enterprise. The moving spirit now behind the scheme is Stewart M. Brice. The matter includes valuable concessions for the American-China Development Company in the name of the China Railroad Company. The survey of the road is already in progress. The office of the new company is at Tacoma.

**New Portland-Sound Line.**

W. H. Llewellyn and George Tiffany two New York capitalists are at San Francisco. They are said to have come west on an important railroad deal. They have in view the building of a railroad from Portland to Tacoma and Seattle, a distance of 140 miles. Bonds have already been placed in New York to raise the necessary money for the construction of this road. It is common gossip that Llewellyn and Tiffany are agents for the Vanderbilts.

**Cutting the Time.**

The time between Chicago and Omaha has been reduced to 12 hours on the Chicago & Northwestern railway. This is part of the overland limited, which is to reduce the time between Chicago and Portland to three days. The fastest time previously made between Chicago and Omaha on the Chicago & Northwestern was 13 hours and 25 minutes.

**A Curious Accident.**

A curious accident occurred in an Albina, Or., home recently by which a little girl was dangerously wounded by a revolver. The mother found the revolver which she imagined was unloaded. For some reason or other she placed it in an old slipper. The little girl came in and gave this a kick causing the discharge of the revolver.

## ADVERTISING DOCTORS.

**A Palpable Reason Why They Should Not Be Adjudged Impostors.**

Their testimonials alone are sufficient to bear witness to the assertion that they perform the cures and relief they advertise to, because they are from people within reach, who can be referred to, and represent cures made years ago, that are shown to be permanent, as well as those of recent date. Dr. Darrin has been practicing in Oregon the past 11 years, and is now located at 205 Morrison street, Portland. The following cards are selected from thousands:

To the Editor: Before going under Dr. Darrin's treatment I had been suffering great pain in my head. Nothing seemed to help me until taking the doctor's electric and medical treatment. It's all gone now. Address, Wilhoit, Or. C. N. DAILY.

Dr. Darrin: The one minute operation for cross-eye on my boy was successful. He had been cross-eyed since birth. Refer any one to me at 207 Hall street, Portland. MRS. T. MAYHEW.

Mrs. G. Karg, of Leland, Or., writes Dr. Darrin as follows: After walking with a cane for months from the effects of sciatic rheumatism, "I am improving every day; I am going to Grant's Pass next week. I think the people there will stare at me more than they did the 28th of September, the day I took the first treatment by electricity of you. They will think I walk more like a girl of 20 than an old cripple of 45. I hope you will live many years to do for others as much as you have done for me."

Dr. Darrin gives free consultation to all, and, when necessary, gives medicines in connection with electricity. The poor treated free from 10 to 11 daily. Those willing to pay, 10 to 5; evenings, 7 to 8; Sundays, 10 to 12. Errors of youth, impotency, varicocele, hydrocele and stricture a specialty. All chronic and private diseases treated. No cases published only by permission of the patient. All business relations strictly confidential. Letters of inquiry answered. Circulars and question blanks sent free. Batteries and belts furnished by the doctor.

Offices, 205 Morrison street, Portland.

## PEOPLE AND EVENTS.

A. W. Millspaugh, aged 85, has been ticket agent at the Union depot, Kansas City, Mo., since 1870 and has been in the railroad business for over 50 years. Mr. Millsbaugh is as active as though only half his age.

When the late Calvin S. Brice failed in his earliest ventures he was about to give up entirely had it not been for encouragement and aid given him by Mr. Foster, who was afterward secretary of the treasury under President Harrison.

The young Chinese emperor, having outlived the reports that he had committed suicide or been assassinated, is now described by Dr. Dethere, a Frenchman, who is one of his physicians, as merely a sufferer from fits of depression and lassitude, his real ailment so far as there is any, being abnormal melancholia.

While on the bench Associate Justice McKenna, of the United States supreme court, is the personification of dignity, in private he is the most democratic member of "the highest tribunal in the land." In pleasant weather he always walks to the court, stopping frequently to chat a moment with a friend or gaze with interest at the shop windows.

**Demand for Our Goods in Mexico.**

A member of a prominent clay manufacturing company of Kansas City, recently returned from Mexican a business tour, states that Mexicans want our goods, "and never hesitate to spend the money for them, and they have got the money, too. Take farm machinery for instance. One ranch man will buy a carload at a time for his own use. They need plows and pumps and windmills and ice plants, and, in fact, all kinds of modern machinery. The trade is there and has long been neglected. We can get it by studying the needs of the republic and catering to its people."

**A Woman's Smile.**

"Strange what a little thing will turn the whole current of a man's life."

"What's the matter now, Jones?"

"Up to 30 days ago the young lady of my choice was taking my attentions seriously, and our marriage seemed a foregone conclusion. Then I met her on the avenue, lifted my hat, made my best bow and dropped through a coal hole. Now she can't keep her face straight a minute while we're together."—Detroit Free Press.

A new and scientific treatment of all diseases of the genito urinary organs at once thorough, quick and sure is that of Dr. Foote and Staff, of 161 Adams St., Chicago. The doctors believe in prescribing as little medicine as is consistent with certain cure. They are old practitioners and years of experience in their specialty has taught them the needs of every individual case, and how best to treat it to effect a complete eradication of the disease germ. Dr. Foote's Syphala is a well-known and efficacious cure for all blood diseases, while his Vigorala stands foremost among restoratives and invigorators of the nervous system.

## TO MRS. PINKHAM

From Mrs. Walter E. Budd, of Patchogue, New York.

Mrs. Budd, in the following letter, tells a familiar story of weakness and suffering, and thanks Mrs. Pinkham for complete relief:

"Dear Mrs. Pinkham:—I think it is my duty to write to you and tell you what Lydia E. Pinkham's Vegetable Compound has done for me. I feel like another woman. I had such dreadful headaches through my temples and on top of my head, that I nearly went crazy; was also troubled with chills, was very weak; my left side from my shoulders to my waist pained me terribly. I could not sleep for the pain. Plasters would help for a while, but as soon as taken off, the pain would be just as bad as ever. Doctors prescribed medicine, but it gave me no relief.

"Now I feel so well and strong, have no more headaches, and no pain in side, and it is all owing to your Compound. I cannot praise it enough. It is a wonderful medicine. I recommend it to every woman I know."

The Sandwich Islanders estimate the beauty of women by their weight.

Society Women

and, in fact, nearly all women who undergo a nervous strain, are compelled to regretfully watch the growing pallor of their cheeks, the coming wrinkles and thinness that become more distressing every day.

Every woman knows that ill-health is a fatal enemy to beauty and that good health gives to the plainest face an enduring attractiveness. Pure blood and strong nerves—these are the secret of health and beauty.

Dr. Williams' Pink Pills for Pale People build up and purify the blood and strengthen the nerves. To the young girl they are invaluable, to the mother they are a necessity, to the woman approaching fifty they are the best remedy that science has devised for this crisis of her life.

Mrs. Jacob Weaver, of Bushnell, Ill., is fifty-six years old. She says: "I suffered for five or six years with the trouble that comes to women at this time of life. I was much weakened, was unable, much of the time, to do my own work, and suffered beyond my power to describe. I was downhearted and melancholy. Nothing seemed to do me any good. Then I made up my mind to try Dr. Williams' Pink Pills for Pale People.

I bought the first box in March, 1897, and was benefited from the start. A box and a half cured me completely, and I am now rugged and strong."—*Bushnell (Ill.) Record.*

5 DROPS [TRADE MARK.]

RHEUMATISM, SCIATICA AND CATARRH

Cured by "5 DROPS" Three Years Ago.

DOCTORS PRONOUNCED HIM INCURABLE

He is still well and writes, on Oct. 10, 1898: "I feel it a duty that I owe to God and suffering humanity to announce to you and all the world what '5 DROPS' has done for me"

SIBERIA, PERRY CO., IND., JAN. 29, 1898.

SWANSON RHEUMATIC CURE COMPANY:—I would like to thank you for your great remedy, "5 DROPS," and tell you what it has done for me. I had Rheumatism in every joint and in the heart, and I had Catarrh of the Head for 30 years. I was so poorly that I lost the use of my legs and arms, and could not move without pain. I was so crippled that I had done but little work for seven long years, and our family physician, a good doctor, told me that my Rheumatism and Catarrh were incurable, and I believed him. But now AFTER USING "5 DROPS" ONLY TWO MONTHS, I can truly say I HAVE NOT FELT SO WELL FOR SEVEN YEARS. This medicine does more than is claimed for it. At this time my Catarrh is much better and I have scarcely any Rheumatism at all, and the heart weakness and pain are gone. My hearing is now good and my eyesight is much better. I have gained more than 10 pounds of flesh and can do a full day's work. It is the best medicine I ever saw to give a mother who has a young child, for it has the same effect on the child as on the mother. It wards off Croup and cures the Hives of the child, and causes sweet and refreshing sleep to both young and old. WM. M. KELLEMS.

SIX TESTIFY TO ITS TRUTH.

In a letter of October 10, 1898, from Mr. Kellems, he says: "I feel it a duty that I owe to God and suffering humanity to announce to you and all the world that I am yet in the ring with untold thousands of others, to testify to the great merits of your valuable remedy called "5 DROPS." I believe I was the first sufferer in this part of the earth to learn of the existence of "5 DROPS," some three years ago. I was then badly afflicted with Rheumatism, Catarrh, etc., which my letter of Jan. 29, 1898, fully speaks of. All I can say is "5 DROPS" cured me. To make a long story short, "5 DROPS" needs no recommendation in this part of the country, as everybody knows the "5 DROPS" remedies around here. IT HAS CURED more cases of Rheumatism, Sciatica, Neuralgia and many other pains than any other medicine that has ever been sold or heard of. For the last three years I have noticed the effect "5 DROPS" has on the sick, through my own observations as well as my brother, who is a practicing physician, and USES THE "5 DROPS" IN HIS PRACTICE. All ye that wish for further information, write and you are sure to get a reply without any delay. I will (as I have done in this letter) cheerfully recommend it to any one that I may come in contact with. I myself can never forget what this remedy has done for me and many others. Yours very truly, WM. M. KELLEMS, Siberia, Ind.

Witnesses to the above: Jas. Brady, J. R. Cox, E. R. Huff, S. Taylor, Dr. S. W. Kellems, Jno. Hays, all of Siberia, Ind.
