"Better Be Wise Than Rich."

Wise people are also rich when they know a perfect remedy for all annoying diseases of the blood, kidneys, liver and bowels. It is Hood's Sarsaparilla, which is perfect in its action. It so regulates the entire system as to bring vigorous health. It never disappoints.

Goitre—"For 42 years I had goitre, or swellings on my neck, which was discouraging and troublesome. Rheumatism also annoyed me. Hood's Sarsaparilla cured me completely and the swelling has entirely disappeared. A lady in Michigan saw my previous testimonial and used Hood's and was entirely cured of the same trouble. She thanked me for recommending it."—Mrs. Anna Sutherland, 406 Lovel street, Kalamazoo, Mich.

Poor Health—"Had poor health for years, pains in shoulders, back and hips, with constant headache, nervousness and no appetite. Used Hood's Sarsaparilla, gained strength and can work hard all day; eat heartily and sleep well. I took it because it helped my husband."—Mrs. Elizabeth J. Giffels, Moose Lake, Minn.

Makes Weak Strong—"I would give $5 a bottle for Hood's Sarsaparilla if I could not get it for less. It is the best spring medicine. It makes the weak strong."—Albert A. Jagnow, Douglastown, N. Y.

"I DO MY OWN WORK."

So Says Mrs. Mary Rochlette of Linden, New Jersey, in this Letter to Mrs. Pinkham.

"I was bothered with a flow which would be quite annoying at times, and at others would almost stop.

"I used prescriptions given me by my physician, but the same state of affairs continued.

"After a time I was taken with a flooding that I was obliged to keep my bed. Finally, in despair, I gave up my doctor, and began taking your medicine, and have certainly been greatly benefited by its use.

"Lydia E. Pinkham's Vegetable Compound has indeed been a friend to me.

"I am now able to do my own work, thanks to your wonderful medicine. I was as near death I believe as I could be, so weak that my pulse scarcely beat and my heart had almost given out. I could not have stood it one week more, I am sure. I never thought I would be so grateful to any medicine.

"I shall use my influence with any one suffering as I did, to have them use Lydia E. Pinkham's Vegetable Compound."

Every woman that is puzzled about her condition should secure the sympathetic advice of a woman who understands. Write to Mrs. Pinkham at Lynn, Mass., and tell her your ills.

THE FAR NORTHLAND

Porcupine Creek Still Continues to Draw the Goldseekers—Along the Coast.

Colonel Frank Gyrgla, special agent of the land department, has returned to Juneau from an extensive trip into the Porcupine creek country. He investigated reports that the Dalton Trail Company had appropriated to its own use the old India trail up the Chilcat river, and found them to be unfounded in fact. He had a pow-wow with quite a number of the leading men of the Chilcat tribe.

Colonel Grygla took a gold pan and thrashed out nearly a handful of nuggets and coarse gold on Discovery and other claims on Porcupine creek, and if seeing is believing, he thinks there are oodles of the golden fleece where the samples he carries were washed from the native earth.

The town of Haines Mission is having a steady, solid growth. A sign of "keep off the grass" could not thrive there. Lot-jumping is the principal pastime and it is going on all over town. There are some people at Haines who would jump a cook stove and run off with it, provided it wasn't too hot. Porcupine City has the advantage of a level site at the mouth of one of the best gold-bearing creeks in the district, and the outlook is that it will become quite a camp. It is growing. Travel between Haines and Porcupine is steady and on the increase. The trail on the snow is hard and in fine condition. A large number of prospectors are stopping either temporarily or permanently at Walkerville, on Salmon.

Colonel Grygla's party counted about 80 men on the trail to Porcupine in nine hours. The Dalton trail will be in good condition for summer travel. Jack Dalton's teams are taking in large quantities of supplies over the snow trail.

The "diggings" already located in the Chilcat and Klohrena river country are ground for confidence, and the future of that section of Alaska, and its growing towns may be considered bright.

Only a Few Days' Grace.

Norman Rant, who was formerly recorder for the Atlin district, and son of the present recorder, has made the statement to reliable parties that all the locators who have not got a leave of absence, which must be filed in the recorder's books, had to be on their claims in Atlin on the 1st of April. This order also applies to parties owning interests in claims, which, under the British Columbia mining laws, makes them either be present or represent their claims.

In the Klondike.

Fred Trumbull, of Dawson, says the richest bench claims are on Gold Hill, opposite 1 and 2, Eldorado. Dominion creek also will give a good account of itself at next spring's washup, and there are already big dumps out from 10 above upper discovery down to 33 below, and as low down as 180 below. Hunker is turning out fine dumps, starting in at 40 below and running to 25 above. Good-sized nuggets, averaging $25, are plenty. Gold Run will also turn out well.

Known in the Northwest.

Captain Harry L. Bailey, commanding company F, Twenty-first United States infantry, now on his way to Manila, is well known among the oldtimers in Oregon. He is a graduate of West Point, and came as second lieutenant to the Northwest in time to take part in the Nez Perces war of '77 and the Bannock war of '78. He went with the Twenty-first to Colorado and took part in the campaigns against the Utes.

Ostrich-Raising in British Columbia.

Ostrichs may yet be raised in British Columbia. J. M. Robinson, who has founded a little colony of Manitobans at Peachland, in the Okanogan valley, says: "We are going to get a couple of eggs up from San Francisco and try to hatch them under Turkeys. It is believed that the birds can be successfully hatched."

Another Atlin Bank.

D. Simpson, J. Anderson, W. E. H. Betl, R. C. Trimen and P. Pinder are going into Atlin to open a branch of the Bank of British North America there. The bank building is already completed, and it is believed that in two weeks the bank will be in active operation.

Removal of Land Office.

Lifesaving Service.

Considerable interest has been manifested in Oregon and Washington as regards the future operations of the lifesaving service, says a Washington dispatch. Many residents of both states, learning that a new lighthouse district on the North Pacific was contemplated, have written to the treasury department, seeking appointments under the new district. As a matter of fact, such a district is as yet merely a matter of conjecture, having been suggested several times and recommended to congress. If a new district is created, it is the opinion of the lighthouse board that it will be by a provision of the next sundry civil bill, which, at the earliest cannot pass before June or July, 1900.

Powder Car Blown Up.

A powder car, belonging to a Great Northern freight train, blew up at Everett, Wash., killing one tramp and wounding two others who were riding in an adjoining car. In addition to the powder car, two cars, containing mixed freight, were burned. The injured men gave their names as Sylvester Fagan and Charles Fiebotte. The name of the dead man was unknown to them. It is thought that the cars in which the tramps were riding was set on fire by them and the heat exploded the powder car.

German Colonists.

Henry C. Nicholi, of Hamburg, Germany, has arrived in Portland. He has come to Oregon as a representative of a colony of 200 or 300 persons who want to come to America. He says it will take a tract of land containing at least 10,000 acres. The colony will risk Mr. Nicholi's judgment, and come as soon as he notifies the members of having what he wants in the way of lands.

RICH MINE IN WASHINGTON

Mountain of Ore in Sight in the Crystal Butte.

ESTIMATED AT NEARLY $500,000

Much of It Ready for Stoping—Averages Over $100 Per Ton—Samples as High as $300 Per Ton.

Spokane, Wash., April 7.—Manager Thomas, of the Crystal Butte mine, on Myers creek, Colville reservation, says:

"We have at least 15,000 tons of ore blocked out in the mine, and between 6,000 and 8,000 tons of this is ready for stoping. Estimating the value of the 15,000 tons at $25 per ton gives us $475,000 worth of ore in sight. This is conservative. The ore in the winze at this time averages at least $100 per ton in gold. Fair general samples run over $300 per ton. But, taking all the ore in the mine, good, bad and indifferent, the average will be somewhere between $25 and $50."

VIEWS OF EX-PRESIDENTS.

Harrison and Cleveland on Disarmament and Arbitration.

Boston, April 7.—Among the communications received by the United Societies of Christian Endeavor recently in connection with its proposition for a "war against war and peace by arbitration," are two from ex-presidents, Grover Cleveland and Benjamin Harrison. Ex-President Cleveland wrote:

"The members and the friends of the Society of Christian Endeavor have never entered upon an undertaking so practical and so noble as the effort they are now making to secure an abandonment of war as a means for the settlement of international differences; and if there is any substance to the claim that our institutions and the traits that characterize us as a people tend to national elevation and Christianization, it is eminently proper that our country should be in the lead in any movement in the interests of peace."

Ex-President Harrison's letter says: "For myself, and much more for the great body of its citizenship, I express the desire of America for peace with the whole world. It would have been vain to suggest the pulling down of blockhouses or family disarmament to the settlers on a hostile Indian frontier. They would have told you rightly that the conditions were not ripe; and so it may be and is probably true that a full application of the principle is not presently possible, the devil still being unchained. It is by a spirit of love and forbearance mastering the civil institutions and governments of the world that we shall approach universal peace and adopt arbitration methods of settling disputes."

EXCHANGE OF ISLANDS

Proposal to Trade the Philippines for the British West Indies.

New York, April 7.—A special to the Herald from Washington says: Much interest is felt here in the proposition originating with the inhabitants of St. Kitts, in the Leeward islands, for an exchange of the Philippines for the British West Indies. There are strong arguments in favor of such an exchange, if Great Britain can be induced to part with her West Indian possessions, and there is little doubt that if the people of the United States had an opportunity to choose between the Philippines and the English possessions in the Carribean sea they would prefer the latter. This is practically true of the residents in the Eastern states.

The possession of the British West Indies would be of great importance to the United States from a military point of view, as it would make the Carribean sea practically an American lake, and would enable this country to dominate completely all approaches to any future isthmian canal from the Atlantic side. It would also bring the United States into closer relations with Central and South America, and would tend to develop commerce with all the nations south of Mexico.

Charleston Shelled Dagupan.

Manila, April 7.—The United States cruiser Charleston, which has been cruising along the west coast of Luzon to the north, sent a boat in shore near Dagupan, last Saturday, to make soundings. The rebels opened fire, wounding a United States officer. The cruiser thereupon bombarded the town, the insurgents evacuating it.

Husband Legally Dead.

St. Louis, April 7.—The court of appeals has affirmed the decision of the lower courts that John E. Carpenter, who disappeared from his home in this city two years ago, is legally dead. The case was the suit of Mary E. Carpenter against the supreme council, Legion of Honor, for $2,000 on a civil writ issued to her husband, who disappeared from home January 30, 1897, and has not since been heard from. At the time of his disappearance he had made several remarks tending to suicide. Judgment was awarded the plaintiff.

Not in Nicaragua Jail.

Kansas City, April 6.—A New Orleans special says: Churchill Guthrey and Augustus S. Flournoy, of Kansas City, who were reported captured and shot as filibusters in Nicaragua, arrived here today from Bluefields on the steamer Breakwater. They are said to have departed quietly for Kansas City.

Young Woman's Suicide.

Dallas, Or., April 7.—This morning, at 7 o'clock, Effie, the 22-year old daughter of Lucien Frazer, of Bethel, Polk county, committed suicide by shooting herself with a shotgun. She placed the muzzle over her heart and shoved the trigger with a stick. No cause is given for the suicide, except that Miss Frazer had been in poor health for some time, but was cheerful this morning.

How many dealers are saying: "Oh, what a nuisance the wall paper business has become; how much time and investment it takes and how little the profit!"

How many painters and decorators who have lent their influence to push forward the wall paper craze now find their occupation gone.

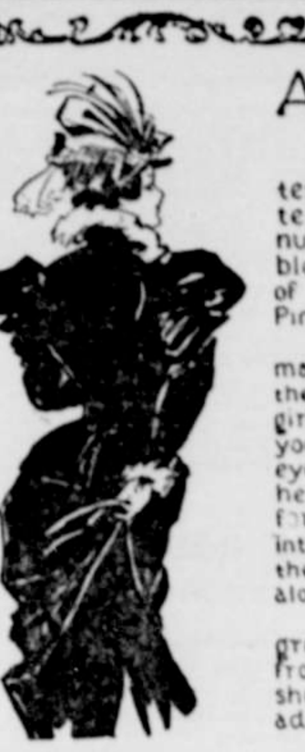
Any Girl Can Tell



A physician who makes the test and is honest about it can tell you that, in many cases, the number of red corpuscles in the blood is doubled after a course of treatment with Dr. Williams' Pink Pills for Pale People.

That this means good blood may not be entirely clear from the doctor's statement, but any girl who has tried the pills can tell you that it means red lips, bright eyes, good appetite, absence of headache, and that it transforms the pale and sallow girl into a maiden who glows with the beauty which perfect health alone can give.

Mothers whose daughters grow debilitated as they pass from girlhood into womanhood should not neglect the pill best adapted for this particular ill.

Frank B. Trout, of 103 Griswold Ave., Detroit, Mich., says: "At the age of fourteen we had to take our daughter from school on account of ill health. She weighed only 90 pounds, was pale and sallow and the doctors said she had anaemia. Finally we gave her Dr. Williams' Pink Pills for Pale People. When she had taken two boxes she was strong enough to leave her bed, and in less than six months was something like herself. To-day she is entirely cured, and is a big, strong, healthy girl, weighing 130 pounds, and has never had a sick day since."—*Detroit Evening News.*

The genuine Dr. Williams' Pink Pills for Pale People are sold only in packages, the wrapper always bearing the full name. At all druggists, or direct from the Dr. Williams Medicine Co., Schenectady, N.Y. 50c per box.

Swanson Rheumatic Cure Co., Chicago. Gentlemen:—I thought that I would write you a statement and tell you how I have got along since I have used your "5 DROPS." I must say that I am entirely well once more, **thanks to your wonderful remedy.** It has accomplished more good from the sample bottle and the dollar bottle than the thirty dollars' worth of medicine I have used of other manufacturers. I tried all kinds of medicine I saw advertised for Rheumatism **but could not get any relief from the dreadful suffering till I got a sample bottle of your "5 DROPS,"** and after taking the same for a few days I began to have less of those severe pains racking through my body. After I got the sample bottle most used up I could begin to rest some every night; after I had used about half the dollar bottle then all my pains left me. **Oh! what a comfort it was!** when I could sleep again at night without any more suffering. I am so thankful to you and your "5 DROPS" that I cannot find words enough in praise of your wonderful remedy for the cure of Rheumatism, **and I can safely recommend it to all suffering humanity** and say that they cannot purchase any better medicine than "5 DROPS" for all their ills. Thanking you, gentlemen, for all your kindness, I remain, forever, your friend, R. M. LIFE, Porterfield, Wis., Feb. 10, 1899.

Suffered the Tortures of the Damned.

President Swanson Rheumatic Cure Co., Chicago. I had Heart Trouble, Piles, Bladder Trouble and Constipation. I would not take $100 and do without the remedies even if it only cured the Catarrh for me, which it has done. Therefore, I willingly take the agency for the sale of your medicines, **for they are a boon to mankind.** Gratefully yours, J. W. DENNIS, 120 Normal Ave., Buffalo, N. Y., Feb. 8, 1899.
