### CALAMBA CAPTURED BY HALL

City of 12,000 Located South East of Manila.

### WASHINGTON IN THICK OF IT

Four Americans Were Killed and a Number Wounded — A Number of Spanish Prisoners Liberated.

Manila, July 29.—An expedition composed of troops from San Pedro Macati, Pasig and Morong, under Brigadier General H. H. Hall, yesterday captured Calamba, an important town on the south shore of Laguna de Bay, after two hours of sharp fighting, during which four soldiers were killed and 12 wounded. The trenches commanding the harbor were under water, but the swamplands of the land made the work harder.

The troops boarded caucuses Tuesday night. The force comprised 400 of the Washington volunteers, 450 of the Twenty-first infantry, 150 of the Fourth cavalry and two guns of the First artillery. These and the gunboats Napulian and Costa opposed Calamba. Crowds of people in carts and on foot were seen rushing to the hills. Native escapees from Calamba in canoes said 100 insurgents held the town.

A force under Captain McFarland, of the Twenty-first infantry, and Captain Elthenhead, landed east of the town, but found a river intervening. Captain McFarland and Lieutenant Batson crossed the river under a fire from Mauser rifles. Having crossed the stream, the officers proceeded in caucuses to ferry the troops over. The insurgents retreated through the town, shooting from houses and bushes as they fled to the hills.
