THE POPULIST TICKET

NOMINATED AT SIOUX FALLS

Both by Acclamation Platform De-
mocracy field Standard and
Imperialism.

For President—W. J. Bryan, of
Nebraska.

For Vice President—Charles A.
Towne, of Minnesota.

Sioux Falls, S. D., May 12.—The
National Populist convention con-
cluded its session and adjourned sine die
after nominating Hon. W. J. Bryan for
president and the Hon. Charles A.
Towne for vice-president. The acclama-
tion of Mr. Towne was only accorded
after a struggle of several hours' dura-
tion, in which an effort was made
to have the question of the nomination
of a vice-presidential candidate referred
to a committee to confer with the
Democratic and Silver Republican
parties in their national conventions.

A motion to this effect was defeated
by a vote of 268 to 492.

Both candidates were nominated by
acclamation, but before the result was
reached various resolutions were
placed in nomination, and their names
successively withdrawn. Both nomi-
nations were accomplished amid scenes
of great enthusiasm.

The Platform.

"The People's party of the United
States, in convention assembled, con-
gratulating its supporters on the wide
extension of its principles in all direc-
tions, does hereby reaffirm its adherence
to the fundamental principles pro-
claimed in its two prior platforms, and
calls upon all who desire to avert the
subversion of free institutions by cor-
porate and imperialistic power to unite
with it in bringing the government back
to the ideals of Washington, Jefferson
and Lincoln. It extends to the allies in
the struggle for financial and economic
freedom assurances of its loyalty to the
principles which animate the allied
forces and the promises of honest and
hearty co-operation in every effort for
their success. To the people of the
United States we offer the following
platform as the expression of our un-
alterable convictions:

"Resolved, That we denounce the
act of March 14, 1899, as the culmination
of a long series of conspiracies to
deprive the people of their constitu-
tional rights over the money of the
nation and to relinquish to a gigantic
money trust the control of the finances,
and hence the people.

"We reaffirm the demand for the re-
opening of the mints of the United
States to the free and unlimited coin-
age of silver and gold at the present
legal ratio of 16 to 1.

"We demand a graduated income
and inheritance tax.

"We demand that postal savings
banks be established by the govern-
ment.

"With Thomas Jefferson, we declare
the land, including all natural sources
of wealth, to be the common heritage
of the people. The government should so
act as to secure homes for the people
and prevent land monopoly.

"Transportation being a means of
exchange and a public necessity, the
government should own and operate
the railroads in the interest of the
people.

"Trusts, the overshadowing evil of
the age, are the result and culmination
of the private ownership and control of
the three great instruments of com-
merce—money, transportation and the
means of transmission of information.
The one remedy for the trusts is that
the ownership and control be assumed
and exercised by the people.

"Applying the valor of our army
and navy in the Spanish war, we de-
nounce the conduct of the administra-
tion in changing a war for humanity
into a war for conquest.

"We extend to the brave Boers of
South Africa our sympathy and moral
support in their patriotic struggle for
the right of self-government.

"We denounce the practice of issuing
injunctions in the cases of dispute be-
tween employers and employees.

"We endorse municipal ownership of
public utilities.

"We demand that United States
senators and all other officials, as far
as practicable, be elected by direct vote
of the people.

Cargo of Coffee Spoiled.

San Francisco, May 12.—On the last
voyage of the Aquilon, from Panama
to this port, \$12,000 worth of coffee
was destroyed, and the Pacific Mail
Company, not only is out the freight
money on the shipment, but will have
to stand the loss as well. The destruc-
tion of the cargo was the result of pack-
ing sheep dip into the same hold with
the coffee. The matter is being in-
vestigated.

Washington, May 12.—Major-Gen-
eral John R. Brooke today assented to
the duties of commanding general of the
department of the East, succeeding
Major-General Wesley Merritt, who to-
day, with Mrs. Merritt, sailed for
Europe in search of health.

Corn for Indian Sufferers.

New York, May 12.—The steamer
Quito sailed today for Bombay with
200,000 bushels of corn for the famine
district. This is the largest cargo ever
carried by any vessel on a similar occa-
sion. It comes from the people of all
denominations in every part of the
United States. It is expected the voy-
age will be made in 40 days.

Last year 4,700,000 cubic yards of
material was dredged out of the Daluth-
Superior harbor.

BARKER AND DONNELLY.

Nominated by Middle-of-the-Road Pop-
ulist Convention.

For President—Wharton Barker, of
Pennsylvania.

For Vice-President—Ignatius Don-
nelly, of Minnesota.

Cincinnati, May 12.—What is com-
monly known as the Middle-of-the-
Road Populist party, but according to
leaders of the movement is the one and
only People's party, placed its national
ticket in the field today.

Middle-of-the-Road Platform.

The People's party of the United
States assembled in National conven-
tion this 10th day of May, 1900, affirm-
ing our unshaken belief in the cardinal
tenets of the People's party, as set
forth in the Omaha platform, and
pledging ourselves anew to continued
advocacy of those grand principles of
human liberty until right shall triumph
over might, and law over greed, do
deed and proclaim this declaration of
faith:

First—We demand the initiative and
referendum and the imperative man-
date.

Second—We demand the public
ownership and operation of those means
of communication, transportation and
production which the people may elect,
such as railroads, telegraphs and tele-
phone lines, coal mines, etc.

Third—The land, including all
natural sources of wealth, is a heritage
of the people, and should not be monop-
olized for speculative purposes, and
alien ownership of land should be pro-
hibited.

Fourth—A scientific and absolute
paper money, based upon the entire
wealth and population of the nation,
not redeemable in any specific com-
modity, but made a full legal tender, for
all debts and receivables for all taxes
and public dues and issued by the
government only.

Fifth—We demand the levy and col-
lection of a graduated tax on incomes
and inheritance.

Sixth—We demand the election of
president, vice-president, federal judges
and United States senators by direct
vote of the people.

Seventh—We are opposed to trusts
and declare that the contention be-
tween the old parties on monopoly is a
dead battle and that no solution of
this mighty problem is possible with-
out the adoption of public ownership of
public utilities.

FIGHTING IN PHILIPPINES.

Large Rebel Force Attacked American
Scouts, But Were Routed.

Manila, May 12.—A force of 500 in-
surgents attacked 25 scouts of the
Forty-eighth regiment near San Jacinto,
province of Pangasinan, Monday, but
were routed by the scouts, 10 of them
being killed. The Americans lost two
killed.

April 26, the rebels burned and
sacked the town of Trocan, near Bulacan,
murdering natives who were
friendly to the Americans and 20
Spaniards. The Americans killed 37
of the insurgents.

The same date, Major Andrews,
with two companies of troops, attacked
General Mojica's stronghold near
Ormae, Leyte island. Mojica had
brass cannon and plenty of ammuni-
tion, but after three hours of fighting
the insurgents fled. Their loss is not
known. The Americans lost two
killed and 11 wounded. They destroyed
the enemy's rifles, powder and stores.

The insurgents have suffered a heavy
loss at Tabaco, province of Albay,
Luzon. Two hundred riflemen and 800
bolomen were preparing to attack the
town, and Captain Lester H. Simons,
with a company of the Forty-seventh
volunteer regiment, advanced to meet
them and killed many. The insurgent
leader, native priest, was wounded
and captured after his horse had been
shot from under him. Three Ameri-
cans were wounded.

WRECK DUE TO CARELESSNESS

At Least Six Persons Killed in the
Accident at O'Neill.

Denver, May 12.—A special to the
Republican from Cheyenne, Wyo.,
says:

The charred remains of two more
victims of the Union Pacific accident
at O'Neill sidetrack, were found in the
wreckage today. Both bodies were so
badly burned as to render identification
impossible. One of the bodies was that
of a boy. Papers in the pockets of one
of the unknown victims found yester-
day indicate that his name was Daniel
Shay, and that he had recently been
employed at Rock Springs. The other
unknown found yesterday has not yet
been identified, and the remains of
Fireman Louis Benta have not yet been
found. When the accident occurred
a car loaded with sulphur caught fire,
and transformed the wreck into a sea
of flames. The wreckage is still burn-
ing and renders the work of searching
for additional victims exceedingly
hazardous. Thus far, the remains of
three men and three boys have been re-
covered and it is believed other bodies
will be found before the search is com-
pleted.

An official investigation into the
cause of the awful accident discloses
the fact that it was due to the care-
lessness of an employe. The last train
to pass O'Neill prior to the accident
was a westbound freight, in charge of
Conductor Hendricks' crew.

New York, May 12.—A dispatch
to the Tribune from London says:
Lord Salisbury took the grace out of
the recent visit of the queen to Ireland
by the vehemence with which he
warned Irishmen that recent events in
South Africa proved that there could
not be practical independence any-
where in the empire with opportuni-
ties for arraying hostile forces against
the imperial government. It was a
trenchant, but acrid speech, and was
not well liked.

WAR ALMOST OVER

British View of Situation in
South Africa.

THE BOERS' DEMORALIZATION

Lord Roberts Was Welcomed in Kron-
stadt—Dutch, However, Have Sup-
plied Small Material Loss.

London, May 13.—The war is prac-
tically over," says the Daily Chroni-
cle's Kronstadt correspondent, and in
less definite terms, this is the view to
be gathered from all the correspon-
dents. They picture the Boers as utter-
ly demoralized and disheartened by
Lord Roberts' unexpectedly rapid ad-
vance, and by his facile turning of the
carefully prepared positions of the
Boers. There was practically no fight-
ing and there are no further details to
give respecting the occupation of Kron-
stadt. The correspondent of the Daily
Telegraph says:

"The Union Jack was hoisted in the
market place by Mrs. Lockhead, the
American wife of a Scotchman. Most
of the horses of the Boers are in a
wretched condition, but President
Krugger declares he will continue the
war."

It appears that the Boers at Kronstadt
had been reinforced by 3,000 men from
Natal last Friday, and that altogether
10,000, with 20 guns, trooped from
Kronstadt on the approach of Lord Rob-
erts. The Boers made an ineffectual
stand at Boschfontein and then fled to
entrenchments in front of Kronstadt,
which offered great facilities for a rear
guard action. Their only anxiety,
however, appears to have been to get
away safely with all their guns and
carriages, which again they have suc-
cessfully accomplished. The positions
they were unable to carry away, they
burned.

The Times says: "The stigma point
to military break-down on the part of
the Boers, but after experiences of the
past, we cannot accept the reports of
demoralization without reserve. The
game of war must be strictly played
out to the end."

Lindley, the new Free State capital,
is 45 miles southeast of Kronstadt, half
way to Bethlehem, and was probably
selected as a convenient rendezvous for
the command that is now retiring to
the northward. It is situated on the
main line of the Transvaal railway. The
Boers have occupied Hooploek, half way
on the road from Thabanchu to Lady-
brand.

There is not a word of news regard-
ing General Buller's movements or
from the far western side, the only in-
formation known, therefore, of the progress of the
making relief column.

THREE KILLED IN STORM.

Two More Seriously Injured Severe
Electric Disturbance.

St. Paul, May 13.—Three persons
were killed and two were seriously
injured during a severe wind and rain
storm this evening. The wind played
 havoc with the telephone wires between
this city and Minneapolis. The poles
of the company for two blocks were
struck over the track of the Inter-
Urban trolley line, thus blocking traffic
for the night. Sidewalks were dis-
placed and buildings suffered.

Patrick Sexton, senior member of the
firm of Sexton & Co., wholesale cigar
dealer, had been at Como Park with
his four children and they were driving
home. On Dale street the storm dis-
lodged the sidewalk, which crashed
into Mr. Sexton's carriage, killing him
almost instantly and more or less in-
juring his daughter and 10-year-old
son.

First Republican Convention.

New York, May 14.—A special to the
Herald from Washington says:
Survivors of the first Republican
National convention are to be the guests
in Philadelphia next month. Invitations
will be sent to them next Mon-
day. Only 15 survivors of all the Na-
tional assemblies in Pittsburgh, Penn-
sylvania, on June 18, 1856, to emanate the
new principles and to bring into existence
a new party. Of these only one con-
tinues a prominent figure in politics.
He is Representative Calista A. Grow,
who was the youngest member of the
lower house when he first entered it
and who is now its oldest member.

The guests of the national commit-
tee will be given prominent seats on
the platform.

Wool Smuggling.

Boston, May 14.—Special treasury
agent, under the direction of Agent
Converse J. Smith, of this city, have
just unearthed an alleged swindling
scheme, and, as a result, 100 sacks of
wool, valued at \$6,000, have been
seized in this city. Lawrence and Bris-
tol, R. I. It is estimated \$50,000
worth of wool has been smuggled
through the port of Boston during the
past year.

America Ought to Send \$1,000,000.

New York, May 13.—The Indian
famine relief committee tonight issued
an appeal asserting that despite sys-
tematic aid furnished 6,000,000 people
in India, at least 6,000,000 are starv-
ing. The appeal says that America
ought to send at least a million dollars.

Scotch Banker Killed Himself.

Edinburgh, Scotland, May 14.—H.
H. Nore, manager of the Union Bank of
Scotland, was found dead this morning
at his residence. His head was half
blown away by a gun. Apparently he
committed suicide. His action is attrib-
uted to the fact that he had been
suffering from influenza.

Murat Halstead has accepted the
presidency of the new College of Jour-
nalism, an institution devoted to teach-
ing practical newspaper work.
