Trouble between the union plumbers and the Seattle plumbing companies who do not belong to the Master Plumbers' Association of that city. As a result of this trouble the union plumbers have "walked out" from the shops of all such plumbing companies. The walk-out of union men in this instance is not owing to any difference with their employers as regards wages or hours of labor, but wholly because of an agreement existing between the Master Plumbers' Association and the union plumbers which prevents the latter from working for any plumbing firm or individual not a member of such association.

IN HANDS OF REBELS

Captain Shields and Party Captured in Marinduque.
RELIEF FORCE HURRIED OUT

The Missing Expedition Consists of Fifty Men, Six Pieces of Ordnance and Crew of a Gunboat.

Washington, Oct. 1.—The war department has received the following telegram from General MacArthur:
"Manila, Sept. 30.—Adjutant-General, Washington: September 11, Captain Desveraux shields, with 51 men of company F, Twenty-ninth regiment United States volunteer infantry, and one hospital corps man, left Santa Cruz, Marinduque, by the gunboat Villalobos, for Torrijos, intending to return overland to Santa Cruz. Have heard nothing since from shields. Scarcely doubt that the entire party has been captured with many killed and wounded, shields among the latter. Information sent by letter from the commanding officer at Base, dated 20th, received September 24, consisted of rumors through natives.
"The Yorktown and two gunboats, George Anderson (colonel, Thirty-eighth volunteer infantry), with two companies Thirty-eighth volunteer infantry, sent to Marinduque immediately. Anderson confirms the first report as to capture, but was unable, on September 27, to give details and present whereabouts of shields and party, or names of the killed and wounded. His information will probably be available soon. Anderson has orders to commence operations immediately and move relentlessly, until shields and his party are rescued. Logan will be sent to Marinduque, if necessary, to clear up the situation.
"MACARTHUR."
The Twenty-ninth infantry, recruited at Fort McPherson, Ga. Captain shields was lieutenant-colonel of the Second Mississippi during the Spanish war. He was made captain in the Twenty-ninth infantry July 5, 1899. He was a resident of Natchez, Miss., when he left his home to join the army.

The scene of the latest reverse is a small island lying due south of the southern coast of Luzon and about 300 miles from Manila. Marinduque is garrisoned by two small detachments of United States troops. One of these was at Base, on the west coast of the island, and the other was at Santa Cruz, the principal port on the north side. Captain shields appears to have started from Santa Cruz on a gunboat for Torrijos, a small coast port, and it is inferred that the boat as well as the body of troops under that officer has been captured, for the dispatch makes no reference to her return.

The officers of the gunboat Villalobos were: Lieutenant Edward Simpson, commanding; Ensign I. F. Landis and Naval Cadet R. W. Vincent. Lieutenant Simpson has seen over 14 years active sea service. He entered the navy June 17, 1888. He returned from his last tour of sea service in May, 1896, and was assigned to shore duty. February 1, 1898, he was ordered to the Brooklyn. Ensign Landis has seen not quite three years of sea service. He joined the navy September 9, 1893, and his last cruise expired in May, 1899. He was ordered to the Asiatic squadron December 23, 1899. Cadet Vincent has had one year and seven months of sea service. February 1, 1899, he was assigned to the New Orleans.

Gas Tank Exploded.
New York, Oct. 1.—At 1:45 this morning a gas tank exploded in the Central Gas Light Company's works at the foot of East One Hundred and Thirty-eighth street. The explosion was heard for miles around, and broke all the windows in the vicinity. The burning naphtha flowed down the street and into the engine-room of the gas company, setting it afire. Two alarms were sent in and the fireboat was summoned. The flames at this time shot 70 feet in the air. The fire is still burning fiercely and the firemen are fighting desperately to prevent the flames from spreading to the gas holders, which are near the scene of the explosion. There has been no loss of life.

Mills, at Chihuahua, Mexico, reported to the federal authorities at Washington, detailing an insult to the American flag over his consulate September 16, the anniversary of Mexico's independence, by a mob of Mexicans. Mendocino, Cal., Oct. 1.—The plant of the Albion Lumber Company, at Albion, was destroyed by fire today, together with 400,000 feet of lumber and 1,000 cords of tan bark. The dry kiln, store, hotel and several dwellings belonging to the company were also consumed. The loss is between \$125,000 and \$150,000.

Fire in Hamburg.
Hamburg, Oct. 1.—In a fire today Pignuk & Tietgen's warehouse, the Robertson grease warehouses, Bothen's granary and four residences were destroyed. The loss is estimated at over 1,000,000 marks.

ESCAPED DEATH.

THE UNUSUAL EXPERIENCE GRANTED LE ROY BOWEN.
Given Up to Die by Four Doctors Because of a Serious Complication of Diseases—How He Saved Himself

From the Enterprise, Mapleton, Minn.

To escape death after being given up by four doctors, and bidden good-bye to family and friends in an experience not granted every man. Yet it happened to Mr. Le Roy Bowen, of Desoria township, Blue Earth county, Minn.

Mr. Bowen is a farmer, but formerly resided in Mapleton, where he was clerk and city marshal for a number of years. He is a well-known member of the Masonic fraternity and enjoys an enviable reputation for his sterling honesty and sprightliness of character.

He told his story of miraculous relief and cure to a reporter recently and it is a story of the greatest interest. He said:
"I was suddenly taken sick in the spring of 1898. The pain was intense. The doctor was hastily summoned. He pronounced my case one of gravel and said that the pain was caused by the passage of a stone from the kidneys to the bladder. I doctored with him for three months, but was not benefited. Frequently, since a week, I would have a bad spell of two or three days duration, during which I suffered untold agony.
"Finally I went to Mankato and consulted a specialist. He stated that I did not have gravel, but thought it was rheumatism of the stomach. I continued to visit him until the middle of August. Then I became completely bedridden and sent for another doctor. He called my complaint inflammation of the bowels and treated me for that. I became better, but in one week my legs swelled up and I was worse than ever.
"The doctor laid my case before the faculty of Rush Medical College, Chicago, and it was decided that I had neuralgia of the stomach. I was treated for that until December, but continued to grow worse. Then the doctor said, 'I can't do you any good. All the help I know for you is an operation.' 'Very well,' I replied, 'go on and operate if that is left for me.' This was on Sunday. The time of the operation was set for Tuesday. My children were sent for, and I prepared for the worst.
"The appointed time came, the four doctors present examined me for two hours, then they retired and consulted for the same length of time. They concluded that they did not know what ailed me. The head physician asked permission to 'cut,' as he expressed it, 'and find out.' I asked how big a place he wanted to cut. He said 'the thought four inches far enough.' I knew enough not to allow any such hide-and-seek game to be played with me, so the operation did not occur. I continued under the doctor's care, but my case was considered hopeless. I made my will, balanced my accounts and made every preparation for death operations will in this event be given an impetus, and the operators expect there will be a gradual resumption until the collieries will again have their full complement of employes. The Philadelphia & Reading Company operates 29 collieries, and of these 27 have been shut down owing to insufficient working force.
"Whether the miners will accept the proffer of the company and return in sufficient numbers to operate the mines cannot be foretold tonight. Reports received from several points in the Schuylkill region, where the Reading collieries are located, rather indicate that the mineworkers will follow the instructions of their organization officials and remain away.
"President Mitchell, of the Mineworkers, received no notice of the intention of the operators to offer the increase in wages, and the intimation is thus given that the miners' organization will receive no recognition from the operators.
"Shot Down in the Street.
Omaha, Oct. 2.—A special to the World-Herald from Beatrice, Neb., says: W. J. Hurn was probably fatally shot this afternoon by Dr. W. F. Lee, one of the most prominent physicians in the state. The two men room in separate apartments in the Davis block. As Hurn was passing Lee's door, the physician mentioned a bill against Hurn for services and a quarrel ensued. Hurn struck at Dr. Lee, but missed him. Dr. Lee drew a revolver and fired, Hurn staggering back into his wife's arms shot in the right breast. The bullet entered the lungs, and Hurn is not expected to live through the night. Dr. Lee gave himself up and was released on bail.
"Two Killed in a Wreck.
Guthrie, O. T., Oct. 2.—The Santa Fe through express for Kansas City was wrecked 15 miles south of here this afternoon by spreading rails, and the baggage and express cars derailed. The smoker thrown off and turned upside down and the day coaches partly derailed. Two people were killed and a dozen or more injured—all passengers in the smoker.
"Woman Commits Suicide.
Seattle, Oct. 2.—Elizabeth A. Langley, 24 years of age, wife of a Dawson theatrical man, committed suicide at her home in this city this morning by drinking carbonic acid. The case is a mystery. She leaves three little daughters here. Her husband is in the north.
"New Premier of Quebec.
Quebec, Oct. 2.—S. F. Parent has accepted the premiership of this province, to succeed the late premier Marchand.

EDICTS ARE CONFUSING

China Asks the Czar and the Mikado to Help.
PUNISHMENT OF HIGH CHINESE

Notwithstanding the Edicts War Preparations Are Still Reported—Shan Hai Captured by the Allies.

London, Oct. 2.—Beyond a number of imperial edicts, which throw into still worse confusion the complicated Chinese situation, there is little in today's news to arrest attention. From Shanghai comes an unconfirmed report that the allies have seized Shan Hai Kwan.

All the news with regard to the edicts emanates from Shanghai. According to the advices, in addition to the edicts ordering Grand Councilor Kun Kang to offer oblations before the coffin of Baron von Ketteler and the edict directing that Li Hung Chang's entire pain be followed in regard to the punishment of the prince and high ministers of state responsible for the anti-foreign outrages, and the decree ordering that funeral honors be paid in Peking and Tokio to the remains of Sugiyama Akira, the murdered chancellor of the Japanese legation, Emperor Kwang Hsu has addressed further letters to the czar and mikado requesting his request for their aid in the peace negotiations.

Various opinions are expressed as to the importance of the edicts. The Shanghai correspondent of the Morning Post says:
"The severe punishment ordered by Emperor Kwang Hsu will only mean a money fine. There are traces of Li Hung Chang's hand under American influence in the edicts." On the other hand, the standard's Shanghai correspondent remarks: "The emperor now realizes the true nature of the crisis. After consulting the emperor she summoned the court dignitaries and on their assembling, through which she remained silent, the emperor in a loud voice delivered a tirade lasting a couple of hours against the courtiers.
