M'KINLEY RE-ELECTED

Sweeping Republican Victory.

NEXT CONGRESS REPUBLICAN

McKinley Carries New York by 150,000 Big Landslide in Illinois—Maryland, West Virginia and Nebraska in the Republican Column.

New York, Nov. 7.—It became evident at a very early hour this evening that the election of McKinley and Roosevelt was assured. The president carried the state of New York by 150,000 plurality.

As the night progressed, it only served to confirm this judgment, but the returns from Illinois revealed a like condition. The Republican plurality of 1896 was greatly reduced, but it was still far too large to be overcome.

On the other hand, the returns from Indiana, Michigan, the two Dakotas, Utah and Wyoming, as well as Nebraska, seem to indicate steady Republican gains over 1896. Delaware, Maryland and West Virginia, have given decided Republican pluralities.

The count in several of the far Western states was naturally so delayed as to give little indication of the opinion there, but they had ceased to have a determining effect, and before 10 o'clock the Democratic leaders had given up the contest and it was announced that Mr. Bryan had gone to bed and was sound asleep.

The whole story was easily and briefly told. The Republican ticket would have a larger electoral vote than four years ago, but in the larger states of the East and Middle West the pluralities of 1896 had been greatly reduced. Masschusetts had fallen from 174,000 to 50,000 New York, 268,000 to 150,000, and Illinois from 142,000 to 100,000 or less.

The 57th congress seems to be Republican by a substantial working majority.

Bryan carried all the Southern states, as usual, along with Colorado, Idaho, Montana and one doubtful state, Kentucky, by a small plurality.

Doubtful states which went for McKinley are Maryland, West Virginia and Indiana, all by small pluralities.

McKinley's purality in Ohio is 75,000, in Michigan 80,000.

Nebraska, Bryan's home state, went Republican by a small plurality.

The New England states and Pennsylvania are, as usual, in the Republican column.

McKinleys plurality in Iowa is 100,000, Kansas 30,000, Minnesota 30,000.

THE COAST.

California, Oregon and Washington all went for McKinley.

The contest was close in California, but it is expected the state will give McKinley 10,000 plurality.

Oregon gives McKinley 14,000 plurality, but few counties going Democratic.

Washington goes for McKinley by a small plurality, probably 5,000, but the state ticket is much in doubt, with the probability that Rogers, Democrat, is elected governor. The legislature will be Republican.

The electoral vote will probably be as follows: McKinley, 292; Bryan, 155.

Disastrous to Sheep and Goats.

Monroe, Or., Nov. 7.—Sheep and goat raisers in this vicinity are greatly alarmed over the abundant growth this season of the poison fungus or toadstool. Goats and sheep seem to have a great liking for the stuff, and its poisonous qualities are sufficient to kill the animal which eats it.

Off for New York With Mather.

Seattle, Nov. 7.—Charles E. Mather, who was arrested in this city two weeks ago on a charge of having pawned $45,000 worth of jewels, the property of New York merchants, was today taken into custody by Detective Nugent upon a governor's warrant of extradition. Nugent left with his prisoner tonight for New York.

Senor Silvela, the premier, has made the emphatical declaration that Spain must have a powerful navy again.

THE LANDSHIDE.

Later Returns From the Eastern States Show no Material Change.

Alabama—The Democratic majority will be at least 40,000.

Arkansas—Enough is known to indicate a plurality of 60,000 for Bryan in this state.

California—The majority for McKinley and Roosevelt in California continues to grow and the indications are that it will reach 40,000. Complete returns from 1,574 precincts out of 2,190 outside of San Francisco give McKinley 107,992, Bryan 81,248. The same precincts in 1896 gave McKinley 96,847, Bryan 91,801. The Republicans have elected all seven congressmen.

Colorado—Bryan's plurality is 35,000.

Florida—This state gives Bryan a majority of 28,000.

Georgia—This state gives Bryan a plurality of 40,000. Every Democratic congressmen elected.

Illinois—Congressman William Lorimer, of the Second district, conceded his defeat this morning. The majority against him may reach 1,500. Additional retruns received at Republican state headquarters from all over the state confirm Chairman Rowe in his statement that McKinley's plurality will run close to 100,000, and that of Yates for governor between 70,000 and 80,000.

Indiana—The election resulted in a plurality of anywhere from 20,000 to 32,000 to the Republican national ticket, and nine, and perhaps 10, of the congressmen, and the choice of a legislature, that will have a Republican majority of 40 on joint ballot. The 4th congressional district is still in doubt. Indiana elects all Republican congressmen except in the 2d, 3d and 12th districts.

Iowa—Returns from 86 out 99 counties: McKinley, 266,066; Bryan, 178,548.

Kansas—On the basis of limited returns Republicans claim Kansas by 25,000 for the national ticket and 20,000 for the state ticket and the election of every Republican congressman with the possible exception of the 3d district. Republicans claim the legislature by a safe majority on joint ballot.

Louisiana—The entire six congressional districts in Louisiana are strongly Democratic. Bryan's majority in the state will be in excess of 30,000.

Maine — McKinley's majority in Maine will vary but a few hundred from 28,500, a loss of 16 per cent since 1896 and a Bryan gain of 21 per cent.

Maryland—With scattering precincts to hear from, Maryland's plurality for McKinley and Roosevelt in yesterday's election was 14,146. A solid Republican delegation to the 57th congress was elected.

Massachusetts—The complete vote of this state is: McKinley, 239,495; Bryan, 156,507.

Michigan — McKinley's plurality, 90,588. The entire congressional delegation is Republican.

Missouri—The Democrats have elected congressmen in 12 Missouri districts, and the Republicans in two, with still two—the 13th and the 14th—to be heard from. These are claimed by the Democrats.

Montana—Bryan's plurality 18,000.

Mississippi—Bryan's plurality 40,000.

Nevada—Bryan's majority is 25,000.

New Hampshire—The Republican majority in the state on both the gubernatorial and national tickets will be 18,000.

New Jersey—McKinley's plurality 52,920. Six out of eight congressmen Republican.

New York—McKinley's plurality 145,000.

North Carolina—North Carolina gives Bryan a majority of not less than 30,000. The next congressional delegation from this state will contain seven Democrats and two Republicans.

North Dakota—Republican plurality 10,000.

Ohio—Unofficial returns received from 83 out of the 88 counties warrant the claim of 70,000 for McKinley, and we elect 17 of the 27 members of congress, a gain of two Democrats.

Pennsylvania — Complete returns give McKinley 287,733 plurality.

Rhode Island—Official returns give McKinley, 33,821 Bryan, 19,947. Both congressmen Republican.

South Carolina—It is not considered probable that Bryan's majority will fall short of 30,000 in the state. Every Democratic congressman was elected.

Tennessee—Bryan's plurality 30,000.

Utah—McKinley's majority 4,500.

Vermont—McKinley's plurality 30,000.

Virginia—A recapitulation for Virginia indicates a Democratic plurality on the presidential ticket of over 30,000, and the election of the Democrats in every congessional district.

West Virginia—In a statement issued at midnight, Secretary J. K. Hall, of the Republican state committee, gives tabulated returns from every county in the state, showing McKinley has nearly 20,000 majority.

Wisconsin—The Republicans will have a plurality of at least 112,125 in Wisconsin. All the Republican congressmen are elected. The legislature is overwhelmingly Republican.

Wyoming—Returns from 174 precincts out of 300 in Wyoming give a majority of 3,000 for McKinley.

Three Miners Killed.

Tacoma, Nov. 8.—A cave-in at mine No. 7, at Carbonado, yesterday, resulted in the death of three mine employes. The dead are: Karl Huhtela, Matie Ledem, Gust Sandberg. Leedem was a married man, the others were single. The accident was caused by the giving away of one of the large supporting beams. About 50 men were working in the mine at the time, but all except the three killed escaped uninjured.

ON ITS LAST LEGS

Tagal Rebellion Will Be Suppressed Soon.

DISCUSSED AT CABINET MEETING

General MacArthur Has Mapped Out a Careful Plan of Campaign.

Washington, Nov. 12.—All the members of the cabinet except Secretaries Long and Wilson attended the meeting today. They remained in session until nearly 2 o'clock, and discussed the Chinese situation, as well as matters pertaining to Cuba, the Philippines and Porto Rico.

Two of the three hours that the session lasted were occupied in a discussion of foreign affairs, necessitated in part by the fact that the president intends to treat this subject exhaustively in his forthcoming message to congress. Reference was made to the expressions in portions of the European press that the United States policy regarding China would undergo a marked change after the election. It is authoritatively announced that, after an exhaustive review of every step of the Chinese difficulty, from its inception up to the present moment, by Secretary Hay, the cabinet ratified every detail, and, moreover, unanimously expressed its judgment that the policy so far pursued should be continued without change to its logical conclusion. Accordingly, the present legation guard at Pekin will be maintianed, and such troops as yet remain to be withdrawn, according to the original programme, will be shipped to Manila. With this addition to his force, General MacArthur is expected to renew the campaign against the rebellious Filipinos with the greatest energy. Administration officials here think that as soon as the result of the election becomes known throughout the Philippines, the resistence to the authority of the United States will be overcome.

GALE SPENDS ITS FORCE.

Heavy Winds on the Great Lakes Are Abating.

Chicago, Nov. 12.—Professor Cox, forecast official of the weather bureau, says the gale which broke on the lakes Wednesday night and proved to be the heaviest storm of the year, is abating.

On Lake Superior four consorts were torn from their steamers and three of them are still adrift or have gone ashore. The schooner Stafford was wrecked at Good Harbor, Mich., and may be a total loss. The schooner Maumee Valley was driven ashore near Fort Colborne. Several large steamers were driven back to Chicago after being exposed to the gale for a few hours, and large boats were generally seeking shelter on Lakes Surperior, Michigan and Huron.

The wind, which at many places attained a velocity of over 40 miles an hour, was accompanied by fine snow, and, with the bitter cold, made it hard work for the mariners.

Gale Wrought Havoc on Lake Erie.

Cleveland, O., Nov. 12.—The terrific storm on Lake Erie continued today with unabated fury. The captain of the passenger steamer City of Erie, which arrived early today from Buffalo, reports that he sighted the mast of a sunken vessel sticking out of the water about 25 miles off this port. The tugs sent out to locate the supposed wreck returned to this harbor tonight. They reported finding the steamer Kaligula riding at anchor 30 miles out. They could find no trace of a wreck.

Fire in a Redding Mine.

Redding, Cal., Nov. 12.—A fire, the origin of which is attributed to chemical action, is burning in the Peck tunnel of the great iron mine. The drift has been closed and the 100 men employed there have been laid off. It is thought the fire can be confined to the place where it started. The ore is believed to be on fire, but an explosion is not anticipated. The demand of the men in this tunnel for an eight-hour shift recently precipitated a strike, which was ended by the miners acknowledging their defeat.

Buller in England.

London, Nov. 12.—General Sir Redvers Buller, on the Dunvegan Castle, from Cape Town, reached the quay at Southampton last evening at 8:30. He was greeted by Lord Wolseley and his staff, as well as by an immense assembly of townspeople. At 9 o'clock he sat down to the mayoral banquet, the first of a series of functions in his honor. After the banquet, he was compelled to appear and acknowledge from the balcony of the hotel a great demonstration, and great crowds promenaded in front of the hotel, serenading him and singing patriotic songs until a late hour.

Metal Workers' Strike Ended.

Pittsburg, Nov. 12.—Officials of the Amalgamated Association of Iron and Steelworkers announce the settlement today of the strikes at the Riverside Iron Works of the National Tube Company and the Bessemer, Ala., plant of the Tennessee Iron, Steel & Railroad Company. The resumption of the two plants will give employment to 8,000 men.

Infected Trees Burned.

Atlanta, Ga., Nov. 12.—The department of entomology last night burned 30,000 trees from a Nashville nursery, which, it is alleged were infected with the San Jose scale. State Entomologist Scott left this morning for Woodbury to destroy 20,000 more trees which he has collected there. The trees, it is said, have been shipped into the state without the proper certificate.
