KRUGER'S RECEPTION

Ex-President of Transvaal Is Now on French Soil.

HE WAS HEARTILY WELCOMED

Only Unpleasant Incident Caused by Englishmen—They Threw Small Coins at Oom Paul.

Marseilles, Nov. 25.—Today proved a triumph for Mr. Kruger such as even the Boer delegates and his most ardent admirers failed to anticipate. The delirium of enthusiasm which marked every step of his progress from the time he landed until the hotel was reached was a revelation, even to the people of Marseilles themselves. It fully equaled if it did not surpass, the frantic demonstration of patriotism with which France opened her arms to Major Marchand at Toulon on his return from Fashoda. An assembly of such masses, exceeding even the most sanguine estimate, might perhaps be partly explained by the ceremonious obsequies of the bishop of Marseilles, including an imposing religious procession from the cathedral, but nothing can minimize the spontaneous explosion of sentiment displayed toward Mr. Kruger by the entire population of the first port and one of the largest cities of France.

Yet the grandeur of this demonstration perhaps ranks in importance to the emphatic manifesto of "no compromise" which Mr. Kruger delivered in a low voice, but one vibrating with emotion, accompanied by energetic gestures of the right hand, stirring the hearts of all within hearing. The last sentences of his declaration were uttered with a vigor and a decision which bore out his reputation as to the incarnation of iron will and stubborn resistance. His mere delivery of a declaration of such far-reaching importance testifies to the independence of his character, as it came as a surprise even to his intimate political advisers who, up to the last, were in ignorance of his determination. He announced to the world this morning that the Boers would be free people or die, and the faces of the men about him, Wessels, Froebler and the other Boer representatives, bore the look of fearless determination reflecting the spirit that Mr. Kruger declared animated every man, woman and child in the Transvaal.

The unfortunate occurrence at the hotel on the main boulevard alone marred the character of the demonstration, which up to that time had been unanimously and exclusively a tribute of sympathy and admiration. "Vive Kruger," "Vive les Boers," and "Vive la liberte," were the cries that that formed a hurricane of cheering and swept over the city. Unfortunately the high reprehensible foolishness of half a dozen persons in throwing small coins into the crowd as Mr. Kruger passed acted like magic in conjuring up an anti-British outburst, which it needed all the promptitude and energy of the police to prevent becoming a serious disturbance. The hotel remained for the rest of the day in a state of siege, while at one time a procession, several thousand strong, marched in the direction of the British consulate, shouting, "Down with the English," and raising other threatening cries. The result was that a strong body of police was compelled to disperse the demonstrators, although it was found not necessary to make more than few temporary arrests.

Trust Companies Consolidate.

New York, Nov. 23.—The trustees of the Atlantic Trust Company and the directors of the Bankers' Trust Company, at seperate meetings, decided to consolidate under the title and charter of the Atlantic Trust Company. The consolidation will become operative as soon as the stockholders of both companies ratify the action of the directors. The Atlantic Trust Company was organized nearly 15 years ago, and it has at this time capital of $15,000,000 and $500,000 surplus. The Bankers' Trust Company was formed a little more than a year ago, with a paid-up capital of $1,500,000.

Venezuela Buys Gould's Yacht.

New York, Nov. 23.—George J. Gould's yacht, the Atalanta, with the war equipment with which she was armed for Colombia, which was to have bought her, is to go to Venezuela. Mr. Gould has completed arrangements for her sale to the latter country for $125,000. General Nicanor Bolet-Peraza, confidential agent of the Venezuelan government, who belongs to the Castro, or Liberal party, conducted the negotiations with Mr. Gould personally, and has paid him the first installment of $30,000.

The Storm in the East.

Buffalo, Nov. 25.—Inspection of the government breakwater shows that a section about 1,100 feet in length was demolished by the storm last night. This section was being repaired, and the waves which pounded upon it dashed away so much of the structure that extensive repairs will be necessary. The damage is estimated at $200,000.

An Appeal for Help.

Memphis, Nov. 25.—The people of Lagrange, Tenn., have sent out an appeal for help. They say all the business portion and nearly all the residence portion of the town are in ruins, and many of the inhabitants destitute. They ask that contributions be sent to W. B. Hancock, mayor of the town.

Oil Derricks Destroyed.

Toledo, O., Nov. 25.—Yesterday's storm destroyed nearly 3,000 derricks in the oil fields south and east of here.

DAMAGED BY THE GALE.

Colorado Springs Is Recovering From the Storm.

Colorado Springs, Nov. 26.—The city is rapidly taking on its normal appearance after yesterday's storm. The damage will approximate $200,000 and is due entirely to destruction by the wind, all reports of serious fire losses being unfounded. There were 10 alarms of fire in 10 hours, but no serious fires occurred. Incandescent lights are burning tonight, but the streets are still dark. Light wires and telegraph wires are still strewn across the trolley wires in many places and the street raiway traffic will not be resumed until some time tomorrow. About 500 houses and business blocks are damaged and 150 trees uprooted.

No lives were lost in the storm, and Colonel E. T. Ensign, who was struck by a telegraph pole and suffered a broken leg, has the most serious injury.

The storm was not attended by rain or snow. The gale came direct from Pike's Peak, which is west of the city, and it blew from 1 P. M. to 2 A. M. At 2:30 P. M., when the wind gauge at the Colorado college was destroyed, it had registered a velocity of 82 miles per hour. The weather today has been fair and warm, with little wind.

The damage is greatest in the business part of the city. The El Paso National bank, Durkee building, Gidding block, opera house, high school, postoffice, Antler's livery, Colorado Springs Transfer Company and Mining Exchange buildings, all in the center of the city, had roofs torn off or were badly damaged and wreckage blockades the principal streets. Plate glass windows all over the city are shattered and the loss in these alone will amount to many thousands of dollars. From outlying sections of the city reports have come of destruction of many small dwelling houses. In Ivy Wild, a suburb, Smith's green houses were blown down and burned. There were about a dozen alarms of fire during the day and night. Firemen did valiant service and prevented the spread of the flames. Mayor Robinson is commended on all sides for his prompt action in organizing a committee of safety. Major Shapcott was placed in charge and he at once organized a force to patrol the streets and insructions were positive to show no mercy to anybody starting a fire in the streets.

NEW FRUIT CANNERY.

Company Organized to Found Industry in Clark County.

Vancouver, Wash., Nov. 26.—The Columbia Fruit Canning Company is the name of a new corporation organized in Clark county this week. The object of the concern will be to do a general fruit canning business. Suitable grounds have been purchased at Fishers, six miles east of this place, upon which it is proposed to erect, in the spring, an extensive factory. The plant will have frontage on the Columbia river and be provided with ample wharves for shipping purposes. Its capacity will be about 30,000 cases of fruit, during the season

The promoters and principal stockholders are J. C. Pancher and Fred G. Pickett, and the capital stock is fixed at $4,000.

Apache Kid Dead.

St. Louis, Nov. 26.—A special to the Globe-Democrat from El Paso, Tex., says that President Joseph F. Smith, of the Mormon church, who has arrived there, accompanied by O. A. Woodruff and Dr. Seymour, after a tour among the colonies in Mexco, reports the killing of the notorious Apache Kid in the recent Indian raid at Colonia Pacheco.

Mr. Woodruff was one of the party that pursued the retreating Indians and assisted at the burial of the killed. Among these was one, apparently the leader, and who is now positively identified as the notorious Apache Kid. Mr. Woodruff said they will put in an application for the reward offered for him in the United States.

Population of Three States.

Washington, Nov. 26.—The population of Missouri, as officially announced by the census bureau today, is 3,103,665, as against 2,679,184 in 1890, an increase of 427,481, or 15.9 per cent. The population in 1880 was 2,148,380, showing an increase of 510,804, or 23.3 per cent from 1880 to 1890. The population of Buchanan county is 121,838; of Jackson county, 195,193; St. Louis city, 575,238.

The population of West Virginia is 958,800, as against 762,794 in 1890, an increase of 196,006, or 25.6 per cent.

The population of Mississippi is 1,551,270, as against 1,289,600 in 1890, an increase of 261,670, or 20.2 per cent.

Dynamiter Gets Ten Years.

St Louis, Nov. 26.—Maurice Brenman, arrested for dynamiting property of the St. Louis Transit Company during the recent street railway strike, was found guilty today and sentenced to serve 10 years in the penitentiary. Fred Northway and James Schwartz, who were indicted with Brenman, will be tried soon.

Strike in Welsh Quarries.

London, Nov. 26.—About 5,000 men recently struck in the Penrhyn (Wales) quarries because the management refused to install a dismissed overlooker. Lord Penrhyn afterwards closed the quarries. Violence is expected, and troops were sent there several days ago.

The Vote in Illinois.

Springfield, Ill., Nov. 26.—Following is the official vote of Illinois on president and governor:

President—McKinley, 597,595; Bryan, 501,598; Woolley, Prohibition, 17,825; Debs, Social Democrat, 9,672.

Governor—Yates, Republican, 580,198; Alschuler, Democrat, 518,966; Barnes, Prohibition, 15,643; Perry, Social Democrat, 8,617.

AN INSULT BY TURKEY

Refusal to Grant Exequatur to American Consul.

VIOLATION OF TREATY RIGHTS

Request Rejected on the Grounds That Harpoot Is Not a Commercial Point.

Constantinople, Nov. 26.—The porte has definitely rejected the request for an exequatur for a United States consul at Harpoot. This refusal is regarded by the United States legation as a direct violation of the treaty rights, and, consequently, despite the refusal, Thomas H. Norton, who was appointed by President McKinley some time ago to establish a consulate at Harpoot, has been directed to proceed to his post. The expected visit of the battleship Kentucky to Smyrna is believed to relate quite as much to this matter as to the indemnity question.

THE COLOMBIAN WAR.

More Rebel Victories—Colon and Panama Terror-Stricken.

Kingston, Jamaica, Nov. 26.—The British steamer Barbadian, which has just arrived here from Colon, reports that severe fighting occurred Monday and Tuesday at Culebra. The government forces attacked the rebels, who occupied a good position, with the result that the losses of the former were heavy. The fighting was proceeding when the steamer left Tuesday night. The stores and restaurants at Colon were closed and the rebels held a portion of the railroad line. Another rebel force was reported to be engaging the government troops near Panama. Business is entirely suspended at the latter place, and both Panama and Colon are in a state of terror. The rebels are attacking in a determined manner, and it is feared the slaughter will be great before decisive results are reached. The liberals, it is asserted by the passengers of the steamer, still hold Buena Ventura, though the Colombian government is making great effort to regain possession of it.

Floods in Southern California.

Anaheim, Cal., Nov., 26.—The flood situation here is alarming. A break in the Santa Ana river has brought the water to within a mile of the town, which is 15 feet below the bed of the river, and if the rise of the latter continues the town will be swamped. The Catholic cemetery was reached last night and is under a foot of water. In the peat lands breaks in the Santa Ana river have let in a large volume of new water, and the celery men fear the entire crop of 1,500 cars will be lost. Over 100 families have been driven from their homes and there is fear that people in isolated sections have been drowned.

Black Flags at Canton.

New York, Nov. 26.—One thousand Black Flags have returned to Canton, says a Herald dispatch from Hong Kong. Although the rebellion has subsided in the East River district, the disturbed villagers are repudiating the rule of the Mandarins, refusing to pay taxes. The French are extremely active, relying on the visits of the gunboats as an effective means of settling indemnities. Three gunboats remain at Shan Tak to enforce their claim of 170,000 taels. The Mandarins offer 60 per cent, which has not been accepted. There are fears of fresh outbursts of disaffection.

Bryan Still a Chicago Democrat.

Mexico, Mo., Nov. 26.—In a letter received here today from W. J. Bryan, he says:

"Still believing in the principles set forth in the Chicago platform, I shall continue to defend them, believing the American people will yet see the necessity for the repudiation of Republicanism."

Brands' Boers Defeated.

Bloemfontein, Nov. 25.—The Boers under Brand were defeated November 18 at Baderspan, with heavy losses, the Lancers charging through the Boer line, doing deadly damage, as a number of riderless horses demonstrated. Brand himself was wounded. The British casualties were not serious.

Caleb Powers' Appeal.

Frankfort, Ky., Nov. 26.—In the court of appeals today the case of ex-Secretary of State Caleb Powers vs. the commonwealth was submitted without argument, with leave to file briefs December 1. Powers is under life sentence for being an accessory to the Goebel murder.

Expelled Germans Wants Damages.

Berlin, Nov. 25.—The Pan-German Association has taken up the cause of several hundred Germans who were expelled from the Transvaal by the British. It is announced that "it will force the government to make an energetic demand upon Great Britain for adequate damages."

Plotters Sentenced.

Bucharest, Nov. 26.—The trial of the Macedonian Bulgarians accused of participating in a plot to assassinate King Charles of Roumania, was concluded today. All were sentenced to hard labor for life in the salt mines or to long terms of imprisonment.

West Virginia's Vote.

Wheeling, W. Va., Nov. 26.—The Intelligencer has received complete returns from all but two counties of West Virginia, and, with unofficial figures for these counties, the figures show McKinley's majority to be 21,039.

South Carolina's Population.

Wasnington, Nov. 26.—The population of South Carolina, as announced today, is 1,340,316, as against 1,151,149 in 1899, an increase of 189,167 or 16 4 per cent,
