YOUR FACE Shows the state of your feelings and the state of your health as well as pure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance, you should try Acker's Blood Elixir. It cures all blood diseases where cheap Sarsaparilla and so called purifies fall; knowing this, we sell every bottle on a positive guarantee. Peery & Peery, druggists.

Think Before You Speak. We find the following gem going the rounds in the press, without credit: "Remember this, young man, be careful what you say about a woman's character. Think how many years she has been building it, of the taunts and privations endured, of wounds received, and let no suspicion follow her actions. The purity of the woman is the salvation of the race, the hope of greatness and the redemption of man. Wipe out her purity and the man sinks beneath the wave of despair, without a star to guide his life into the channel of safety. Think, then, before you speak, and remember that any log can root up the fairest flower that ever grew; so the vilest man can ruin the purest woman's character."

A Great Medicine. "I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy and find it to be a great medicine," says Mr. E. S. Phipps, of Poteau, Ark. "It cured me of bloody flux, I cannot speak too highly of it." This remedy always wins the good opinion, if not praise, of those who use it. The quick cures which it effects even in the most severe cases make it a favorite everywhere. For sale by Peery & Peery, druggists.

As Others See Us. "We enjoyed a pleasant visit from Ira Phelps, of the SANTIAM NEWS, the other day. The Seio paper is full of news, has a pleasing style, and a moral tone which we admire."—Peery's Press.

Chamberlain's Cough Remedy in Chicago. Higgen Bros., the popular South Side druggists, corner 98th street and Wentworth avenue, say: "We sell a great deal of Chamberlain's Cough Remedy, and find that it gives the most satisfactory results, especially among children for severe colds and croup." Trolinger, who resides on Ed Miller's farm, four miles northwest of Seio, raised 600 bushels of merchantable potatoes on one acre of ground, the ground being measured by Mr. Miller, and the warehouse books furnish the evidence as to the amount of spuds. This is raising potatoes in earnest, and to prove that they were good ones we will simply state that they sold for more money than any others in this local ity.

To remove a troublesome corn or bunion: First soak the corn or bunion in warm water to soften it, then pare it down as closely as possible without drawing blood and apply Chamberlain's Pain Balm twice daily; rubbing vigorously for five minutes at each application. A corn plaster should be worn for a few days, to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. For sale by Peery & Peery, druggists.

gotten out of the county than word was sent here that the animal had been stolen from a farmer near Turner. Sunday Deputy Sheriff G. W. Morrow went out to Mr. Sheriffs' place and had no trouble in recognizing the horse, and at once notified the sheriff of Marion county.

Last Monday evening the owner came to Seio with a witness, and after satisfying Mr. Sheriffs that the horse was his property, took her home with him. This is the third horse that has been stolen and disposed of in this locality during the past season, the proceeds netting the thieves an even \$150. In the first case as in the latter, no trace has ever been found which would lead to the capture of the thieves, and those who parted with their good money for stolen horses are

simply out the price. Mr. Morrow received \$15 reward for finding the last animal.
