The Stayton Mall has given up all hope in securing county aid in changing the channel of the Santiam river at that place.

Our city election passed off quietly and in just the manner in which city elections should be conducted. There is no use of a bitter personal fight at a city election. It only creates discord and trouble.

The Portland Oregonian was 50 years old on the fourth day of this month, and the event was celebrated with an extra edition, in which was reproduced the four pages of the first issue of the paper, dated December 4, 1850.

Pneumonia Prevented.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and la grippe during the past few years, not a single case has resulted in pneumonia.

Silverton Bank Robbery.

An unsuccessful attempt was made Sunday night to rob the bank of Coolidge & McClain at Silverton. Two would-be robbers were concerned in the job. They effected an entrance to the building, it is supposed, by picking the lock. Nitro-glycerine was used to blow open the safe, and the explosion which took place at 2:15 a. m. strained it partly open but not so as to allow access to the interior.

How to Cure Croup.

B. Gray, who lives near Amenia, Dutchess county, N. Y., says: "Chamberlain's Cough Remedy is the best medicine I have ever used. It is a fine children's remedy for croup and never fails to cure."

A Basket Social.

An old-fashioned basket social will be given at the McDonald school house, east of this city, on Friday evening, December 14, for the purpose of raising funds with which to purchase a library.

Edward Huston, who was a conductor on the Southern Pacific rail road for many years, is now in the employ of the O. R. & N. Co., running between Portland and The Dalles.

Mr. and Mrs. Silas Coe, of Milton, are believed to be the oldest married couple in Oregon. Their marriage was celebrated in Wayne county, Ohio, February 25, 1835, or over 55 years ago.

The Albany council discussed the difficulty in regard to the bridge across the Willamette last week. The opinion seemed to be that the charter should be amended so as to allow tolls to be collected, and that a mass meeting should consider the question.

It is discovered from a law still in Chicago, that the indebtedness of that city is \$26,332,157. Chicago contains about 1,750,000 people, the debt per capita being more than \$15.

Southern California. Notable among the pleasures afforded by the Shasta Route is the winter trip to Southern California and Arizona. Renewed acquaintance with this section will ever develop fresh points of interest and added sources of enjoyment.

The two daily Shasta trains from Portland to California have been recently equipped with the most approved pattern of standard and tourist sleeping cars, but the low rates of fare will still continue in effect.

My attack of miller's Asthma was very bad. I was afraid to lie down at night for fear of smothering. I couldn't get my breath. No matter what I did, the coughing and wheezing would not stop. I tried Chamberlain's Cough Remedy and it cured me completely. My recovery is permanent, too, for ever since I have not had the slightest return of my old trouble. I consider Chamberlain's Cough Remedy by long odds the best medicine in the world for hacking coughs, asthma and bronchitis. It completely masters those stubborn troubles that many people wrongly suppose to be incurable. If sufferers will just try a single bottle, it will prove every word I have said, and secure a cure. Signed, J. H. ELLIOTT, Commander John Messers' Post No. 132, Portland, Mich.
