structors.

incurs unnecessary responsibilities.

and his physician pockets the fee.
Stables should be well drained,
well lighted, and well ventilated,

will meet with a hearty and gener-
ous response.

lars for cents invested in them are
spreading their nets for suckers.
The Buffalo Exposition is beating
the devil around the stump by giv-
ing "sacred" concerts on Sunday.
The reason why editors are seldom
elected to office is not difficult
to locate; editors who make papers
worth reading are bound to make
enemies.
Minister Conger gives out entire-
ly too many newspaper interviews

When you are bilious, use those
famous little pills known as DeWitt's
Little Early Risers to cleanse the
liver and bowels. They never gripe.

Mysterious are the ways of providence.
Jacksonville had a \$11,000, 000
fire with the loss of only five
human lives, and seven persons lost
their lives in the burning of a single
three-story apartment house in
Chicago.

The lingering cough following
grippe calls for "One Minute Cough
Cure." For all throat and lung trou-
bles this is the only harmless remedy
that gives immediate results. Pre-
vents consumption. Peery & Peery

poisoning. Leave them alone. The
original has the name DeWitt's upon
the box and wrapper. It is a

skin diseases. Unequaled for piles.

The trustees who have charge of
the affairs of the state printing
office at Scioville this week rejected all
the bids. The improvements as
planned, would cost nearly \$3,000.
Before the work can be done for the
amount appropriated, \$1,500 it will
be necessary to make a material
change.

The stomach controls the situa-
tion. Those who are hearty and
strong are those who can eat and di-
gest plenty of food. Kodol Dyspepsia

allows you to eat all the good food
you want. If you suffer from indig-
estion, heartburn, belching or any
other stomach trouble, this prepara-
tion can't help but do you good.

John Cairns is the agent of an ex-
press company at Scranton, Kansas.
Not long ago a jug of liquor came to
his office addressed to a certain
man, and it had a C. O. D. attach-
ment. The man to whom it was
addressed refused to take it out.
Cairns notified the shipper at
Kansas City. Thereupon the shipper
instructed Cairns to deliver the
liquor to anyone who would pay the
charges, a procedure which is said
to be quite common in the state.
Some citizen of Scranton paid the
charges and took the liquor, but a
little later Cairns was arrested on
the charge of selling whiskey con-
trary to law. At the trial he was
found guilty and sentenced to a fine
of \$100 and 30 days in jail, from
which, however, he has taken an
appeal.

THE RHODOENDRON EXCURSION.
An Opportunity to Enjoy the Beau-
ties of the Flowery Hills and
Grandeur of the Scenic High-
lands Down by the Sea.

There has been so much inquiry
about the excursion to Yaquina bay,
to gather rhododendrons, that we
again called at the Corvallis & Eastern
office to ascertain if there would
be enough of the blossoms, so that
all can be sure of getting some. We
were informed that the ladies are
rapidly swelling, and that each pas-
senger will have no trouble getting an
arm full if they care to pick them.
Should the weather be favorable
they will attain perfection about the
18th of May, and excursion tickets
will be sold on the 15th (Saturday)
good to return on Monday.
A Sunday train to Yaquina and
return has two objectionable fea-
tures. Our church people do not
care to travel on the Sabbath, and
the time for those who do go is too
limited to allow them opportunities
to even look up the different attrac-
tions. By going on Saturday all
who care to attend Divine service
in the churches at Newport can do
so. Those who believe they can
worship their Creator admiring the
beauties of nature, read sermons in
the flowery hills and the scenes that
strew the beach, and for the grand-
est and most impressive choir ever
heard, listen to the voice of the
great Creator in the sounding bil-
lows of the Pacific, will have ample
time and opportunity to indulge in
this method of recreation and wor-
ship. We also learned that at the
time of this excursion there will be
low tide Sunday afternoon, enabling
the passenger to reach the rock dyer
ter beds, should they care to do so.
