The General Assembly of the Presbyterian Church, now sitting in Philadelphia, are wrestling with the creed problem.

The difference between a woman ruler and man was emphasized by the substitution of port and mader wine in the British royal regalia of whisky and champagne.

See that you get the original DeWitt's Witch Hazel Salve when you ask for it. The genuine is a certain cure for piles, sores and skin diseases. Peery & Peery, druggists, Scio, Ore.

The late Marcus Daly, of Montana, only left \$10,000,000, but his heirs by careful and frugal management can doubtless avoid becoming inmates of the almshouse of Montana.

The Washington Post throws an unanswered question at the Boston Herald when it asked the name of the place in which the doors to society do not swing on financial hinges.

His promptness and their pleasant effects make DeWitt's Little Early Risers most popular little pills wherever they are known. They are simply perfect for liver and bowel troubles. Peery & Peery druggists, Scio, Ore.

Dr. J. Milton Green, formerly in charge of Presbyterian missions in Porto Rico, says twenty drunken S. soldiers could be seen on the streets in San Juan in one drunken native, which is a very serious charge.

The lingering cough following grippe calls for One Minute Cough Cure. For all throat and lung troubles this is the only harmless remedy that gives immediate results. Prevent consumption. Peery & Peery druggists, Scio, Ore.

An incident of the unusually severe thunder storm of last Saturday evening was the destruction of the school house, about four miles west of Scio. The chimney was demolished and the interior badly damaged, but no fire resulted.

Like Oliver Twist, children ask for more when given One Minute Cough Cure. Mothers endorse it highly for croup. It quickly cures all coughs and colds and every throat and lung trouble. It is a specific for grippe and restores the system. It is well known remedy for whooping cough. Peery & Peery druggists, Scio, Ore.

Spitting Blood

"I could not get a good deal of spit blood, and my neighbors in Dayton, Ohio, said among themselves that I had a serious ailment. I had a suspicion although they did not believe so to my face, for fear of making me dependent. I kept on coughing and trying different sorts of medicine, but nothing seemed to reach my trouble until I got hold of a bottle of Aker's English Remedy. I prepared for English at the time, and my prayers were answered as soon as I began taking this celebrated English expectorant and tonic. Since my recovery I have told hundreds of sufferers from coughs, colds and weak lungs that Aker's English Remedy would cure them. Some of them would try it, and it does seem to me terrible when anyone deliberately refuses to be cured. There ought to be a law compelling consumers to take it. Even if they don't care for their own lives, the public's welfare should be considered. Don't you think so too? I hope such a law will soon be enforced." (Signed) Mrs. Richardson.

It is quite common for people to take stamps off of letters that have not been properly cancelled and use them again. The postal law is very stringent regarding such cases and the fine is \$100 or \$500 or six to twelve months imprisonment or both as the court may be disposed to inflict.

Professor Hitchcock, assistant agronomist of the Department of Agriculture, Washington, D. C., will leave for the Pacific Northwest in a few days on a tour of inspection. He will come first to Corvallis and afterwards will make a general examination into the co-operative experiment work all over Oregon. Yesterday, May 29, was Memorial Day. This is a day that is universally observed by all classes of citizens of the United States. It is right and proper to have a day observed for paying respect to our dear beloved who have departed. Be it a grave of a man, woman, or child, soldier, friend or foe, somebody should, on this occasion place a flower upon it. It is a deed of kindness and means much.

A little girl, after a fall or some infantine grievance, runs and hides its face in its mother's lap. Such is the first true impulse of our childish nature, and it is never completely eradicated from the human breast. The strong, proud man, although he may almost forget her in his triumphs, goes to his mother for consolation when he is overtaken by sorrow. There he is sure of sympathy; there he knows he will not be judged harshly and as the world judges; there he knows, do what he will, is a fountain of love and patience, never to run dry, and for one blessed moment, he is, indeed, a child again. God helps those who have never known a mother's love. Such are the true orphans, and such He will not forget.—Oregon Woodman.

It is estimated that within a few years none of the patrons of the post office will be compelled to go to the office for their mail at all. By means of rural free delivery system, which is being extended rapidly, it is expected that the mail will be carried to the home of practically all the rural communities, thus giving them the same privileges in the way of mail facilities as those enjoyed by the cities. It is estimated that at the end of the present fiscal year, there will be 4,300 rural routes established and that the number will be doubled by the end of the next fiscal year, July 1, 1902. While the service is yet in the experimental stage, the experiment has been of such a satisfactory character that there is really no doubt but what the system will be made permanent.

7. The Paris treaty did not incorporate the new islands into the United States.

8. The Constitution applies to all territorial possessions of the United States.

Whooping Cough. A woman who has had experience with this disease, tells how to prevent any dangerous consequences from it. She says: Our three children took whooping cough last summer, our baby being only three months old, and owing to our giving them Chamberlain's Cough Remedy, they lost none of their plumpness and came out in much better health than other children whose parents did not use this remedy. A WORTHY SUCCESSOR. Something New Under the Sun. All Doctors have tried to cure CATARRH by the use of powders, acid grasses, impure and irritating medicines. These powders dry up the mucous membranes causing them to crack upon and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has used every remedy and specialty of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH by removing the cause, stopping the discharge, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNEFFLES" the GUARANTEED CATARRH CURE and is sold at the extremely low price of One Dollar, each package containing internal and external medicines sufficient for a full month's treatment and everything necessary to its perfect use. "SNEFFLES" is the only perfect CATARRH remedy, but a complete treatment which is positively guaranteed to cure that annoying disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COUGHS in the head. CATARRH which neglected often leads to CONSUMPTION—"SNEFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNEFFLES" the "GUARANTEED CATARRH CURE."
