There is no question of the influence which the sturdy outdoor life has upon country boys; and the fact that the life is harnessed to regular, imperative duties is to the boys' advantage. He is developed gradually and healthfully; his mind following his physical strength rather than the reverse. And around him for his every-day observation are the very best objects possible for a boy's developing life.

There has long been a loud complaint to the effect that all the professions and callings were uncomfortably overcrowded. The Philippine Islands seem to be furnishing a partial answer to the problem of disposing of the alleged surplus.

In the very olden days of Steam-boating, when the Mississippi pilot sat on the safety-valve to hold the pressure for racing purposes, explosions of river craft boilers were not infrequent or unexpected.

What's the use of worrying anyhow? Laugh and the world laughs with you. Worry and you grumble alone. Might as well take things coolly--if you must take them. Worry won't take a single crease out of the corduroy road of life, nor will it make the lean man fatter or the fat man fatter.

American prestige is quite every field is at the top-notch. Now, if the Constitution will catch the rapid-transit fever and hold the cup, and if the Harvard-Yale track team will give their Oxford-Cambridge competitors a demonstration of the quality of Uncle Sam's brown and muscled on September 25, we shall add a few more choice specimens to our already generous collection of laurel wreaths.

Ocean steamships record, like choice china, seem to be made principally to be broken. The Deutschland has clipped a few more hours from the time required to ferry humanity from the Old World to the New.

If the Court of Inquiry will help to emphasize the truth that the men, guns and ships had something to do with the Naval victory, it will do more to vindicate its creation than the public expects.

A Philadelphia after traveling to Buffalo to get married arrived an hour after the woman wedded another man. His hair breadth escape should teach lovers to go slow.

A Night of Terror.

"A awful anxiety was felt for the widow of the brave General Burnham of Machias, Me., when the doctors said she would die from Phenomena before morning" writes Mrs. S. H. Lincoln, who attended her that fearful night, but she begged for Dr. King's New Discovery, which had more than once saved her life, and cured her of Consumption. After taking, she slept all night. Further use entirely cured her. This marvelous medicine is guaranteed to cure all Throat, Chest and Lung Diseases. Only 50c, and \$1.00. Trial bottles free at Peery & Peery's drug store.

A FEW FARM NOTES

The honeysuckle, woodbine and climber-rose are the sentinels who guard the door of repose.

Spring rains, good plowing and careful harrowing bring better crops than the politician, but they are not so good at promises.

The man who buggy-harness suddenly needs repairing just at churning time, hardly ever sweetens his voice by singing lullabies.

The hoarse voice of the young rooster suggests a camp-meeting dinner in the North and a new lock on the chicken house in the South.

The siddler's bill for whips may be saved by avoiding the red field an extra time or two with the harness, and then giving the plow team its proper toll.

The fields on which the motto of China lettuce, "early to rise and late to die," are written, are seldom made dusty by the signs that haul the wheat from them.

The farmer who hoes deep for all on his farm may have to patch his chicken coop with Pearl Oil cans, but probably will not find it necessary to haul water from his neighbor's well.

The woman who sharpens her butcher-knife on the stovepipe or crock probably has an annual or two of wood to curry in occasionally, that has been salted by the sweat of her own brow--and a dull ax.

Pigs are supposed to be so constituted as not to require water at noon on the day the circus comes to town or to be over anxious about an early supper, but if they are not fat when pork is high, they are pronounced a prodigious lot.

Sid Darling, 1012 Howard st. Port Huron, Mich., writes: I have tried many pills and laxatives but De Witt's Little Early Risers are far the best pills I have ever used. They never gripe. Peery & Peery.

The man who harvests Washington wheat and Nebraska bacon may not be troubled with the goat man's overtake by a financial crash, but he will probably have no difficulty in passing Saint Peter's gate by reason of his being a rich man.

Many physicians are now prescribing Kodol Dyspepsia Cure regularly having found that it is the best prescription they can write because it is the one preparation which contains the elements necessary to digest not only some kinds of food but all kind and it therefore cures indigestion and dyspepsia no matter what its cause. Peery & Peery.

Late Literary News.

Fourteen noted writers were sent by The Cosmopolitan Magazine to study the most interesting features with a view to preparing the most beautiful souvenir of any Exposition ever made, from both a literary and an artistic standpoint. To "Mr. Dooley" was committed the case of the Midway. Judge Robert Grant went from Boston to give a bird's eye view of the Exposition in his own most delightful style. Albert Shaw and Nicholas Murray Butler studied the value of the Exposition, and its educational influence. Charles Y. Turner, to whom was committed the color scheme of the Pan-American, explains the methods by which he has produced such marvelous results. Arthur Hays Sulzberger, in his own inimitable way, takes the Incubator Baby at Niagara Falls for his subject. Director-General Buchanan contributes a very interesting paper on the organization of the exposition.

Stood Death Off.

E. B. Munday, a lawyer of Henrietta, Tex., once fooled a grave digger. He says: "My brother was very low with malarial fever and jaundice. I persuaded him to try Electric Bitters, and he was soon much better, but continued their use until he was wholly cured. I am sure Electric Bitters saved his life." This remedy expels malaria, kills disease germs and purifies the blood; aids digestion, regulates liver, kidneys and bowels, cures constipation, dyspepsia, nervous diseases, kidney troubles, female complaints, gives perfect health. Only 50c at Peery & Peery's drug store.

Throat Troubles

"Radwell, Ky., where I live, is in the extreme western part of the State and only a few miles from Cairo, Ill., where the Ohio empties into the Mississippi River. It may be that throat troubles are common here because of the climate, but whatever the reason, I find it wise to constantly keep a supply of Acker's English Remedy for Consumption on hand. It is the best thing I ever came across for coughs, colds and throat troubles, and I have used it in my family for years. No druggist here can be depended upon to have it always, so I am writing this letter to W. H. Peery & Co., 225 Broadway, N. Y., to order a dozen bottles at a time. My wife is bothered lately with sore throat and difficult breathing, but just as soon as she down took a few drops, she will certainly be well again. I expect to get another letter in a short time saying my wife is cured, for I feel absolutely sure it is what she needs." (Signed) T. A. Warren.

The ideal trip to the east during the heat of summer is via the Rio Grande Western and Denver & North Western, the far-famed "Scenic Line of the World." The extremes of temperature are never met, and passengers are sure of having a delightfully cool ride through the Heart of the Rocky Mountains, and a view by daylight of scenery which is nowhere surpassed.

A Certain Cure for Dysentery and Diarrhoea.

"Some years ago I was one of a party that intended making a long bicycle trip," says E. L. Taylor, of New Albany, Bradford county Pa. "I was taken suddenly with diarrhoea, and was about to give up the trip, when editor Ward, of Laceyville Messenger, suggested that I take a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I purchased a bottle and took two doses, one before starting and one the route. I made the trip successfully, and never felt any ill effect. Again last summer I was almost completely run down by an attack of dysentery. I bought a bottle of this same remedy, and this time one dose cured me." For sale by Peery & Peery druggist.

A Communication.

MR. EDITOR--Allow me to speak a few words in favor of Chamberlain's Cough Remedy. I suffered for three years with the bronchitis and could not sleep at nights. I tried several doctors and various patent medicines, but could get nothing to give me any relief until my wife got a bottle of this valuable medicine, which has completely relieved me. W. S. Brockham, Bagnall, Mo. This remedy is for sale by Peery & Peery, druggist.

It begins to look a little as if France is really working up an appetite for a slice of Turkey.

In his trouble with France the Sultan is asking the Czar to help him. First thing he knows the Czar will be helping himself.

There is a mountain in Macedonia thickly populated, but entirely by men. How one lively up-to-date grass-widow might stir up things there!

Take your laundry to the express office. It is really working up an appetite for a slice of Turkey.

The "wireless system" is to be adopted for the navy. Judging by the development in the Selkay case, a far-loss system wouldn't be so bad, either--for some of its hang-on.

A Chicago boy lately broke his neck in three places, and is expected to get well. There ought to be a safe factory for a lad like that--unless he moves to a State where electrocution is the rule.

Henry Braden, Harris N. C., says: "I took medicine 20 years for asthma but one bottle of One Minute Cough Cure did me more good than any thing else during that time. Best Cough Cure. Peery & Peery."

A St. Louis man risked his life to save that of a cat, and persisted in his efforts despite the fact that the animal clawed him vigorously. Such a man is too good for this world. His proper place is in an asylum.

A never failing cure for cuts, burns, scalds, ulcers, wounds and sores is De Witt's Witch Hazel Salve. A most soothing and healing remedy for all skin affections. Accept only the genuine, Peery & Peery.

Things seem to be moving favorably for us in the Philippines, though there are still some headstrong chiefs who instead of taking the oath, persist in the old plan of taking whatever they can lay their hands on.

A California man, after being dumb for forty-five years, suddenly recovered his speech and swore vigorously. As he was only 4 years old when stricken dumb, it would seem that his early education was not neglected.

Norris Silver, North Stratford, N. H.: "I purchased a bottle of One Minute Cough Cure when suffering with a cough doctors told me was incurable. One bottle relieved me. The second and third almost cured. To-day I am a well man."

Whether the Columbia can beat Constitution or the Constitution the Columbia, there appears to be lots of good American money ready to back up the proposition that either can beat anything from the other side of the water.

A statistician says that the average American is worth \$5,000 and has an income of \$750 a year. May be he's right, but somehow that state of things doesn't seem exactly halfway between Weary Wraggles and Rockefeller.

Josh Westhafer, of Loagotee, Ind., is a poor man, but he says he would not be without Chamberlain's Colic, Cholera and Diarrhoea Remedy. He has a bottle and takes it from being a cripple. No external application is equal to this liniment for stiff and swollen joints, contracted muscles, stiff neck, sprains and rheumatic and neuralgic pains. It has also cured numerous cases of partial paralysis. It is for sale by Peery & Peery, druggist.

Who Were They?

The boys are laughing long and loud at a couple of Lebanon gentlemen who were in town during the carnival. One evening the pair wanted to play a game of poker. They hunted up a third party and besought him to join them in a social session with the pasteboards. The Lebanon boys winked at each other and in smothered tones entered into a plot to "skin" the new arrival. They played for several hours, and as a result both Lebanon boys broke. They had rounded up the wrong kind of a sucker, and, as the boys say, "he took them into camp" to the tune of about \$200. The out of town boys are feeling sore, and are subjected to a good amount of gawling.

"In dealing with men, remember that a spoonful of oil will go farther than a gallon of vinegar." The same may be said of children. There is nothing so good for children as the old-fashioned castor oil. However much they may abhor it, it is their best medicine for disorders of the bowels. In the more severe cases of diarrhoea and dysentery however, Chamberlain's Colic, Cholera and Diarrhoea Remedy should be given after the oil operates, and a quick cure is sure to follow. For sale by Peery & Peery druggist.

An ingenious Treatment by Which Drunkards are Being Cured Daily in Spite of Themselves. No Nauseous Doses. No Weakening of the Nerves. A Pleasant and Positive Cure for the Liquor Habit.

It is now generally known and understood that Drunkenness is a disease and not a weakness. Sufferers may now cure themselves at home without publicity or loss of time, business, by this wonderful "home cure" which has been perfected after many years of close study and treatment of inebriates. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

WITNESSES YOUR REFORMATION! CHALLENGE YOUR PATRONS! This remedy is so no nausea, no suffering, but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee, without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this precious remedy, and as many more have been cured and made temperate men by having the "cure" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they will never drink of their own free will, no more wine. Do not be deluded by apparent and misleading "improvements." Drive out the disease once and for all time. The "home cure" is sold at the extremely low price of One Dollar, thus placing within the reach of everybody a treatment more effective than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept.
