Something New Under the Sun.

All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucuous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES the GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE."

Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept E 625 EDWIN B. GILES & COMPANY, 2330 and 2332 Market Street, Philadelphia.

All join in wishing the happy couple a life of happiness and prosperity.

An exchange has heard of three of the stingiest men on record. The first will not drink as much water as he wants, unless it comes from a neighbors well, the second forbids any of his family writing anything but a small hand as it is a waste of ink to make large letters. The third stops the clock at night to save the wear and tear of the machinery. All of them refused to take a newspaper on the ground that it is such a terrible strain on the spectacles to read.

Fred and Dean Morris left today for Alaska, where Fred has some fine mining property. They will be absent until next fall. Their many friends here wish them unbounded success and a safe return.

A. D. Hopper was in Scio this week, looking after the business part of the flax mills. He expressed himself as well pleased with the workings of the mill so far, as well as with its future outlook. The market for high grade fibre is good, and the fibre manufactured here is of the best quality made on this continent, and will find a ready market in the markets of the east at a figure which will amply repay the manufacturer of the same. The mill is running on full time with a good sized crew, and they are turning out lots of fibre every day. The company will endervor to rent ground and raise their own flax the coming season, or at least that portion of it that is not contracted, as they wish to raise several hundred acres for use next winter. They have straw sufficient on hands at present to keep them running until April.

Children Especially Liable.

Burns, bruises and cuts are extremely painful and if neglected often result in blood poisoning. Children are especially liable to such mishaps because not so careful. As a remedy DeWitt's Witch Hazel Salve is unequalled. Draws out the fire, stops the pain, soon heals the wound. Beware of counterfeits. Sure cure for piles. "DeWitt's Witch Hazel Salve cured my baby of eczema after two physicians gave her up," writes James Mock, N. Webster, Ind. "The sores were so bad she soiled two to five dresses a day. Peery & Peery.

A Heavy Loss.

The farm residence and barn of John Craft, situated about seven miles east of Lebanon, was destroyed by fire Tuesday night of last week about midnight. Mr. Craft was in Eugene at the time, where he had gone to meet N. L. Cornelius, the cattle buyer. No one was at home but Mrs. Craft, and when she awoke the house and barn were both enveloped in flames and she was able to save only a few things. The origin of the fire is unknown. The buildings were a little over 200 feet apart. Loss about $3000, with insurance of about $1800.—Lebanon E. A.

Don't Live Together.

Constipation and health never go together. DeWitt's Little Early Risers promote easy action of the bowels without distress. "I have been troubled with costiveness nine years," says J. O. Green, Depauw, Ind. "I have tried many remedies but Little Early Risers give best results. Peery & Peery.

A Fatal Misapprehension.

The stage manager passed a dish to the leading man. The leading man was thinking with a deep, look-into-the-future-and-put-one-wise expression in his Hamlet-like eyes. "Mr. Whoopr," said the stage manager, "will you have some celery?" The leading man clutched his heart, reeled and fell heavily to the floor. "Salary?" he gasped. "Salary? Great heaven! has it come at last! Aha-a-a!—" And then he quivered and was still.

Blown To Atoms.

The old idea that the body sometimes needs a powerful drastic purgative pill has been exploded, for Dr. King's New Life Pills, which are perfectly harmless, gently stimulate liver and bowels to expell poisonous matter, cleanse the system and absolutely cure constipation and sick headache. Only 25c at Peery & Peery's drug store.

Gentlemen: I write this testimonial from a sense of duty, having tested the wonderful effect of your Asthmalene, for the cure of Asthma. My wife has been afflicted with spasmodic asthma for the past 12 years. Having exhausted my own skill as well as many others, I chanced to see your sign upon your windows on 130th street, New York, I at once obtained a bottle of Asthmalene. My wife commenced taking it about the first of November. I very soon noticed a radical improvement. After using one bottle her Asthma has disappeared and she is entirely free from all symptoms. I feel that I can consistently recommend the medicine to all who are afflicted with this distressing disease.

Yours respectfully, O. D. PHELPS, M. D.

DR. TAFT BROS. MEDICINE CO. Feb. 5, 1901
