Something That Will Do You Good.

We know of no way in which we can be of more service to our readers than to tell them of something that will be of real good to them. For this reason we want to requaint them with what we consider one of the very best remedies on the market for coughs, colds, and that alarming complaint, croup. We refer to Chamberlain's Cough Remedy. We have used it with such good results in our family so long that it has become a household necessity. By its prompt use we haven't any doubt but it has time and again prevented croup. The testimony is given upon our own experience and we suggest that our readers, especially those who have small children, always keep it in their homes as a safeguard against croup.—Camden (S. C.) EDITORIAL HASH

The Examiner, whose editorial writer makes a specialty of advising mothers about the care of babies, says that children should be kept quiet after meals. Has the wise Examiner writer ever tried to keep children quiet? It is a good deal harder to keep children quiet than it is to write nursery editorials.

Miss Helen Hay has attracted the attention of writers of begging letters. One correspondent suggested that in case she lacked the money he wanted she might sell some of her wedding presents. A man with the nerve to write such a letter ought to able to raise money anywhere.

A man and his wife in Oakland tried to dismiss two servants, but the servants showed fight and there was a pitched battle which resulted in victory for the employers. The servant-girl problem elsewhere is how to get servants, but in Oakland it seems to be how to get rid of servants.

Marconi and Santos-Dumont, the two young men who have done what promises to be the most remarkable achievements of the present century, are pretty good answers to those who talk about the decadence of the Latin races.

Payment of Taxes.

The new tax law, which is now in operation, offers a liberal premium to those who pay their taxes promptly. If the taxpayer pays all his taxes by the 15th of March, he gets a rebate of 3 per cent. For instance if his taxes be $100 he will only have to pay $97 if he settles the bill by the date named. He will make $3 by the transaction.

Another provision of the law is, that if he pays half his taxes on or before the first Monday in April, he can then have until the first Monday in October to pay the balance. The balance must however be paid by the first Monday in October, or a penalty of 10 per cent or 12 per cent interest from the first Monday in April to the date of payment will be exacted. For instance suppose his taxes be $100 and that he pays $50 before the first Monday in April. He would then have to the first Monday in October to pay the balance. If however, he failed to pay the remaining $50 by the latter date, and did not pay it until say, the second Monday in October he would have to pay $50 principal $5 penalty and a little over $3 interest, or a total of more than $58.

Another provision of the law is, that if he pays no taxes by the first Monday in April, that his whole tax is delinquent, and that whenever he does pay it, or any part of it, a penalty of 10 per cent shall be added, and also 12 per cent interest on the tax from the first Monday in April to the time of payment. For instance suppose his whole tax be $100 and none of it be paid by the first Monday in April, and that he pays it on the first of May. He would have to pay as follows: Original tax $100; penalty $10; interest at 12 per cent on $100 for a month, $1; total $111. If he had paid it March 15th, he would only have had to pay $97. The extra cost to him for waiting to May 1st to pay it, is $14.

Horticultural Convention.

The third annual convention of horticultural interests will be held at the Agricultural College, Corvallis, on the 13th and 14th of February. A two days' program of pithy apointed talks, papers and discussion will be rendered. The great success that has attended the former meetings promises to be over-reached in the coming convention.

The railroads will give the usual reduced price on the certificate plan. Ask your local agent for certificate when you purchase your ticket.

The program now in preparation for the occasion will be published shortly.

Every fruit-grower is earnestly requested to attend and take part in the discussions.

This will be a live meeting for the live horticulturists of the state. The topics for discussion are up to date. The question box will afford everyone an opportunity to call attention to the various topics in which he may be specially intersted.

STOPS PAIN

Athens, Tenn., Jan. 27, 1901.
Ever since the first appearance of my menses they were very irregular and I suffered with great pain in my hips, back, stomach and legs, with terrible bearing down pains in the abdomen. During the past month I have been taking Wine of Cardui and Thedford's Black-Draught, and I passed the monthly period without pain for the first time in years. NANNIE DAVIS.

What is life worth to a woman suffering like Nannie Davis suffered? Yet there are women in thousands of Homes to-day who are bearing those terrible menstrual pains in silence. If you are one of these we want to say that this same

WINE OF CARDUI

will bring you permanent relief. Console yourself with the knowledge that 1,000,000 women have been completely cured by Wine of Cardui. These women suffered from leucorrhoea, irregular menses, headache, backache, and bearing down pains. Wine of Cardui will stop all these aches and pains for you. Clark's Wise Suggestion.

"I have lately been much troubled with dyspepsia, belching, and sour stomach," writes M. S. Mead, leading pharmacist of Attleboro, Mass. "I could eat hardly anything without suffering several hours. My clerk suggested I try Kodol Dyspepsia Cure which I did with most happy results. I have no more trouble, and when one can go to eating mince pie, cheese, candy and nuts after such a time, their digestion must be pretty good. I endorse Kodol Dyspepsia Cure heartily." You don't have to diet. Eat all the good food you want but don't overload the stomach. Kodol Dyspepsia Cure digests your food. Peery & Peery.

Smallpox at Albany.

The city council met in special session last evening to consider and adopt measures to prevent the spread of smallpox. Mayor Davis presided and all the councilmen and officers were present, except Dawson. The mayor stated that there was several cases of genuine smallpox in the city. The Kennedy cases are about well, but proper measures of fumigation would have to be taken in order to prevent contagion. Mr. and Mrs. Waller have also about recovered but were still under quarantine. Mr. and Mrs. Riley were both sick, but not dangerous. Robert Morgan, colored, seems to have a bad case and extra quarantine regulations are being taken to prevent contagion. The board of health consisting of the Mayor, chairman of the committee on health and police and the Chief of police employed Dr. W. A. Trimble to examine cases and superintend the fumigation of infected houses. The authorities are determined to stamp out the disease before it makes more headway.—Herald.

The Last Heard Of It.

"My little boy took the croup one night and soon grew so bad you could hear him breathe all over the house," Says F. D. Reynolds, Mansfield, O. "We feared he would die, but a few doses of One Minute Cough Cure quickly restored him and he went to sleep. Thats the last we heard of the croup. Now isn't a cough cure like that valuable?" One Minute Cough Cure is absolutely safe and acts immediately. For coughs, colds, croup, grip, bronchitis and all other throat and lung troubles it is a certain cure. Very pleasant to take. The little ones like it. Peery & Peery.

Harrisburg Sawmill Sold.

The Booth-Kelly Lumber Co. has just purchased the Harrisburg Lumber Co's sawmill at Harrisburg and the Harrisburg Water Power Co's property.

John F. Kelly, president of the Booth-Kelly Co., this afternoon stated to the Guard that he thought the company would not operate the mill, which has a capacity of about 25,000 feet of lumber per day, but that he would be able to give out for publication in the near future something interesting in regard to the property.

Mr. Kelly stated that the report that 3000 acres of timber land in the Cascade mountains were included in the deal is untrue.—Eugene Guard.

Saved Him From Torture.

There is no more agonizing trouble than piles. The constant itching itching and burning make life intolerable. No position is comfortable. The torture is unceasing. D. Witt's Witch Hazel Salve cures piles at once. For skin diseases, cuts, burns bruises, all kinds of wounds, it is unequaled. J. S. Gerall, St. Paul, Ark., writes: "From 1865 I suffered with the protruding bleeding piles, and could find nothing to help me until I used DeWitts Witch Hazel Salve. A few boxes completely cured me." Beware of counterfeits. Peery & Peery.

Will Hold Convention

C. S. Harnish, chairman, and W. S. Richards, secretary of the state committee for the Socialists of Oregon, have issued a call for a convention to be held in Portland, on Wednesday, March 19th, to nominate a state ticket. They recommend that the county mass conventions, for the purpose of nominating county tickets, should be held at county seats of the various counties on Wednesday, March 5, 1902, at the hour of 10 o'clock a. m.

A Firemans Close Call.

"I stuck to my engine although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa., "I was weak and pale without any appetite and all run down. As I was about to give up I got a bottle of Electric Bitters, and after taking it I felt as well as I ever did in my life." Weak, sickly run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by Peery & Peery. Price 50c.

The Grand Canon of the Arkansas.

Easiest of access among all the canons of Colorado, being situated on the main line of the Denver & Rio Grande between Canon City and Salida in the front range of the Rockies, it is the most spectacular, awe-inspiring and magnificent. Down this mighty cleft in the heart of the granite rock-barrier rush the raging waters of the Arkansas River lashed into foaming fury and dashed into spuming spray by its swift descent through the tortorous defile. So narrow is the passage at one point that there is no room for both road and river, and therefore a curiously constructed bridge of steel had to be thrown lengthwise of the stream, suspended from iron supports mortised into the canon walls on each side to the right and left. And right here can be seen the climax of all the canons grandeur, that which has been aptly called "The Royal Gorge." For two thousand six hundred feet the solid monoliths soar upward—fifty times as lofty as the Washington monument, the highest permanent structure reared by the hand of man. No words can adequately describe the magnificence of the scene. Only those who have beheld its glories can appreciate them.

This is but one of the many wonders of nature revealed to the traveler on the Denver & Rio Grande railroad, "The Scenic Line of the World." For detailed information about this delightful trip to the east, address
