The Last Heard Of It.

"My litle boy took the croup one night and soon grew so bad you could hear him breathe all over the house, "Says F. D. Reynolds, Mansfield, O., "We feared he could die, but a few doses of One Minute Cough Cure quickly restored him and he went to sleep. Thats the last we heard of the croup. Now isn't a cough cure like that valuable?" One Minute Cough Cure is absolutely safe and acts immediately. For coughs, colds, croup, grip, bronchitis and all other throat and lung troubles it is a certain cure. Very pleasant to take. The little ones like it. Peery & Peery.

One of the hardest problems in life is to fully understand another man's business. While this is a most difficult thing to do, so many seem to feel that they have solved it and can tell more of the business of another than they can of their own. The man who is not engaged in farming knows how easy it is and just how to go at it to make it win, and he sees no hard problems in farming. Many have had an opportunity to know better than this. Every man who has tried it is in a position to know this, and he is usually ready to admit that it requires some brains to farm.

The deepest soundings recorded in the Atlantic have recently been made off Porto Rico, showing a depth of 27,972 feet, being 606 feet deeper than the previous Atlantic record. There are places in the Pacific known to be 30,000 feet deep, indicating a greater distance in submarine valleys than in the height of mountains rising above the sea level.

On account of the recent supreme court ruling on Philippine imports it is said that there are more than two million cigars on the way to this country from the islands, and that before the middle of March there will be ten times that number consigned to American dealers. The factories in the islands are working night and day.

Senator Clark, the multi-millionaire copper king of Montana is said to be trying to acquire the Siberian copper mines from Russia. A question is arising as to whether the western Senator is the American whose query: "How much do you want for Europe?" recently caused some consternation among the smaller principalities.

The discovery has just been made that owing to a technicality every law passed at the last session of the Wyoming legislature is invalid. The governor is now in South America and it will be the first of May before an extra session can be called to remedy the trouble.

Chicago club women have protested against the sale and sending of the so-called "comic" valentine, the humor of which is supposed to depend on its brutality. The form of wit that is tolerated on these cheap diatribes is one of the relics that has come down with the human race from the stone age.

Minister Wu tells us that the footbinders are no longer practicing their art in China. It would be gratefully received if he would give an authoritative assurance that the Chinese high-binders were not practicing their arts in this country.

Democrats Meet.

The county central democratic committee met at the court house in Albany Wednesday afternoon with nearly every precinct represented. B. M. Payne chairman presided and C. H. Stewart was elected county secretary to succeed P. J. Smiley, resigned. The apportionment was ordered made on a basis of the average vote of the democrats at the last election, by the chairman, who is to call a special session of the committee to set the dates of the primaries and county convention.

Something That Will Do You Good.

We know of no way in which we can be of more service to our readers than to tell them of something that will be of real good to them. For this reason we want to requaint them with what we consider one of the very best remedies on the market for coughs, colds, and that alarming complaint, croup. We refer to Chamberlain's Cough Remedy. We have used it with such good results in our family so long that it has become a household necessity. By its prompt use we haven't any doubt but it has time and again prevented croup. The testimony is given upon our own experience and we suggest that our readers, especially those who have small children, always keep it in their homes as a safeguard against croup.—Camden (S. C.) Messenger. For sale by Peery & Peery.

"Around The Pan."

"The reader may make up his mind to be pleasantly overwhelmed by the opulence and vivacity of "Around the Pan," published by the Nutshell Publishing Company, 1059 Third Avenue, New York.

Thv wonders begin with the frontispiece picture of President Mckinley, drawn in a single line beginning at a point on the cheek bone and going round and round in a constantly widening circle, with waverings and downbearings of the pen in the proper places to secure detachment and shading. We are told that this portrait "is considered the most unique work of its kind in the world," and if there are degrees of uniqueness we are willing to believe that this is most the thing of which there are no duplicates. Of course there is text in addition to the pictures, and we should be surprised indeed to hear from any purchaser the opinion that he has not got his money's worth,($2.00)."

Clerk's Wise Suggestion.

"I have lately been much troubled with dyspepsia, belching, and sour stomach," writes M. S. Mead, leading pharmacist of Attleboro, Mass. "I could eat hardly anything without suffering several hours. My clerk suggested I try Kodol Dyspepsia Cure which I did with most happy results. I have no more trouble, and when one can go to eating mince pie, cheese, candy and nuts after such a time, their digestion must be pretty good. I endorse Kodol Dyspepsia Cure heartily." You don't have to diet. Eat all the good food you weyt but don,t overload the stomach. Kodol Dyspepsia Cure digests your food. Peery & Peery.

An Awful Accident.

The 10-year-old son of Eckels Murphey, who resides on Brush Creek, about three miles south of Crawfordsville, was instantly killed Thursday of last week by a log rolling over him.

The particulars of the sad accident as near as we have been able to learn them, are that the boy was playing a few feet below a large log which the boy's father and another man were sawing in two. When the cut was completed the log started swiftly down the hill catching the little fellow beneath it and crushing out his life in the twinkling of an eye. The body was fearfully crushed.—Brownsellle Times.

Saved Him From Torture.

There is no more agonizing trouble than piles. The constant itching itching and burning make life intolerable. No position is comfortable. The torture is increasing. DeWitt's Witch Hazel Salve cures piles at once. For skin diseases, cuts, burns bruises, all kinds of wounds, it is unequaled. J. S. Iferall, St. Paul, Ark., writes: "From 1865 I suffered with the protruding bleeding piles, and could find nothing to help me until I used DeWitts Witch Hazel Salve. A few boxes completely cured me." Beware of counterfeits. Peery & Peery.

A Deadlock.

The county commissioners' court has finally succeeded in settling with J. W. Bledsoe, who claimed some $700 damages to himself and team for injuries sustained by breaking through a rotten bridge on Brush creek last summer. The amount paid Mr. Bledsoe by the county was $125. The trouble over this affair should teach the county to keep a sharp lookout after county bridges and repair them before they become dangerous to life and property.

A Fireman's Close Call.

"I stuck to my engine although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa., "I was weak and pale without any appetite and all run down. As I was about to give up I got a bottle of Electric Bitters, and after taking it I felt as well as I ever did in my life." Weak, sickly run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by Peery & Peery. Price 50c.

The Grand Canon of the Arkansas.

Easiest of access among all the canons of Colorado, being situated on the main line of the Denver & Rio Grande between Canon City and Salida in the rfont range of the Rockies, it is the most spectacular, awe-inspiring and magnificent. Down this mighty cleft in the heart of the granite rock-barrier rush the raging waters of the Arkansas River lashed into foaming fury and dashed into spuming spray by its swift descent through the tortorous defile. So narrow is the passage at one point that there is no room for both road and river, and therefore a curiously constructed bridge of steel had to be thrown lengthwise of the stream, suspended from iron supports mortised into the canon walls on each side to the right and left. And right here can be seen the climax of all the canons grandiner, that which has been aptly called "The Royal Gorge." For two thousand six hundred feet the solid monoliths soar upward—fifty times as lofty as the Washington monument, the highest permanent structure reared by the hand of man. No words can adequately describe the magnificence of the scene. Only those who have beheld its glories can appreciate them.

This is but one of the many wonders of nature revealed to the traveler on the Denver & Rio Grande railroad, "The Scenic Line of the World." For detailed information about this delightful trip to the east, address

Had To Conquer Or Die.

"I was just about gone," writes Mrs. Rosa Richardson, of Laurel Springs, N. C., "I had consumption so bad that the best doctors said I could not live more than a month but I began to use Dr. King's New Discovery and was wholly cured by seven bottles and am now stout and well." Its an unrivaled lifesaver in consumption, Pneumonia, La Grippe, Bronchitis; infallible for coughs, colds, asthma hay fever, croup or whooping cough. Guaranteed bottles 50c and $1.00. A Rebuilt Man.

A recent surgical operation in France provided a man with a whole new throat, including vocal cords of rubber. They can produce but one tone, hence the thats voice cannot vary in pitch. With such an arrangement however it was found that ordinary respiration set up a vibration of the cords, so that a branch metal tube had to be provided, which came out through the neck below the larnyx. Ordinarily he breathes through this, but when he wishes to speak he closes the end of it, thus "turning on" his voice.

HOUSEWORK

Too much housework wrecks women's nerves. And the constant care of children, day and night, is often too trying for even a strong woman. A haggard face tells the story of the overworked housewife and mother. Deranged menses, leucorrhoea and falling of the womb result from overwork. Every housewife needs a remedy to regulate her menses and to keep her sensitive female organs in perfect condition.

WINE OF CARDUI

is doing this for thousands of American women to-day. It cured Mrs. Jones and that is why she writes this frank letter:

Glendeane, Ky., Feb. 10, 1901.
I am so glad that your Wine of Cardui is helping me. I am feeling better than I have felt for years. I am doing my own work without any help, and I washed last week and was not one bit tired. That shows that the Wine is doing me good. I am getting flesher than I ever was before, and sleep good and eat hearty. Before I began taking Wine of Cardui, I used to have to lay down five or six times every day, but now I do not think of lying down through the day. MRS. RICHARD JONES.
