Something New Under the Sun.

All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powdering of the mucous membrane causing them to crack upon and bleed. The powerful acids used in the inhalers have entirely eaten away the same membrane that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and speciality of the treatment of CATARRH, has at last discovered a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharge, and curing all inflammation. It is the only remedy known to science that actually reaches the affected parts. This wonderful remedy is known as "SUFFLES" the "GUARANTEED CATARRH CURE" and is sold in the extremely low price of One Dollar each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use. "SUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve RAY FEVER or cold in the head.
