Parties desiring to enter the printing office at this time of the year should be governed by the following rules: Advance to the door give three distinct raps, or kick the door down. The "devil" will attend to your alarm, you will give him your name, postoffice address, and number of years you are owing on subscription. He will admit you. You will then advance to the editor's desk and extend your hand with enough money in it to pay your subscription and a year in advance and drop into the extended hand of the editor and say, "were you looking for me?" The editor will grasp your hand and the money and say, "you bet!" After giving him the news of your locality, you will be permitted to retire with a receipt for an obligation properly discharged.—Ex.

President Roosevelt is not too ill to attend to business at the old stand judging by the manner in which he has tackled the job of ending the big coal strike. He has called a conference with the leaders of the strike, and the mine owners, at the White House and proposes to see what can be done to bring about a settlement of the existing difficulties between mine owners and employe. The President has tackled a large job, but then he has the reputation of not being afraid of large undertakings. His efforts is likely to be crowned with success too.

A dispatch from Oakland, Calif., states that oil as fuel has proved such a success on all the lines of the Southern Pacific, that general orders have been issued for the couversion of all engines into oil burners as soon as possible. Coal will be abandoned absolutely. Within a year the Southern Pacific will be on oil basis solely, thus saving upwards of $100,000 per month.

The fight in Portland against gambling is one of the hardest possible. Carried on as gambling generally is, in secret, it is not easy to suppress it, even when all the forces of the law are turned against it.

The Southern Pacific Railway Company has obtained permission to exhibit the Linn county state fair exhibit in the east. It will be taken to all prominent points and will be an eye-opener.

People should be careful about experimenting with queer medicines. The Pennsylvania farmer who tried the bee sting cure for rheumatism is now an object of interest to the nearest undertaker.

Wheat reached the 95 cent notch in Chicago Tuesday, the highest price for over four years. Armour & Company is said to hold the greater part of the supply.

Total for county $19 000.

Goes Like Hot Cakes.

The fastest selling article I have in my store, writes druggist C T Smith, of Davis, Ky., is Dr. King's New Discovery for Consumption, coughs and colds, because it always cures. In my six years of sales it has never failed. I have known it to save sufferers from throat and lung diseases who could get no help from doctors or any other remedy. Mothers rely on it, best physicians prescribe it, and E. C. Peery guarantees satisfaction or refund price. Trial bottles free. Reg. sizes 50c, $1.

The Shasta Route.

In going over the famous "Shasta Route" of the Southern Pacific Co. the traveler ever finds something new to excite his admiration and interest. Starting at Portland one traverses the whole length of the Willamette Valley, the gem of the Northwest. Mt. Hood, Mt. Jefferson, and the Three Sisters and other snow-capped peaks are kept in sight for hours. The prunes, peaches, apples and other fruits are a delight in themselves. The crossing of the great mountain barrier between Oregon and California reveals the grandest mountain scenery in the United States. The wonderful array of towering mountains, and gorges into which we gaze from dizzy heights, forest clad mountain slopes streching up to the line of perpetual snow, and the foaming mauntain streams dashing fiercely down deep canons, now and ben stopping for a short rest in ome quiet poll. After a days enjoyment of old Mt. Shasta, the finest peak on the continent, we drop raridly down the canon of the Sacramento to the broad plains of the Sacramento Valley in California, and thence through vineyards and orchards to San Francisco.

The Worst Form.

Multitudes are singing the praises of Kodol, the new discovery which is making so many sick people well and weak people strong by digesting what they eat, by cleansing and sweetening the stomach, and by transforming your food into the kind of pure rich red blood that makes you feel good all over. Mrs Cranfill, of Troy, I. T. writes: For a number of years I was troubled with indigestion and dyspepsia which grew into the very worst form. Finally I was induced to use Kodol and after using four bottles I am entirely cured. I heartily recommend Kodol to all sufferers from indigestion and dyspepsia. Take a dose after meals It digests what you eat. E. C. Peery.

Produce is still high, and notwithstanding I am selling everything but groceries without profit, I am still paying the very highest price for produce, as I always have done. Don't forget that you save about 50 per cent by trading with me now. Ross E. Hibler.

If anybody doubted that Ross Hibler would sell his stock of goods down at cost we guess they will give up the idea if they will go into his place any time these days and see the way people buy goods. He seems to be wrapping them up by the wagon load.

The city is contemplating the erection of a new steel water tower. The old wooden structure has seen its best days, and the city has been without water for some time. In case of fire water can be pumped into the mains direct, but but this does not give sufficient water for consumers at all times.

Forty Years Torture!

To be relieved from a torturing disease after 40 years torture might well cause the gratitude of anyone. That is what DeWitt's Witch Hazel Salve did for C. Haney, Geneva, O. He says: DeWitt's Witch Hazel Salve cured me of Piles after I had suffered 40 years. Cures cuts, burns wounds, skin diseases. Beware of counterfeits. E. C. Peery.

Why Go East

over the sun-burned, sage brush and alkali plains when you may just as well take a delightful, cool and comfortable ride through the heart of the Rocky Mountains in view of the grandest scenery on the American continent?

This you can do by traveling on the Rio Grande System, the far famed "Scenic Line of the World," the only transcontinental line passing through Salt Lake City, Glenwood Springs, Leadville, Colorado Springs and Denver enroute to eastern points.

Three daily express trains make close connections with all trains east and west and afford a choice of five distinct routes of travel. The equipment of these trains is the best, including free reclining chair cars, standard and tourist sleepers, a perfect dining car service, and also personally conducted excursion cars, each in charge of a competent guide whose business is to look after the comfort of his guests. No more pleasant and inexpensive means of crossing the continent can be found than is provided by these excursions.

Things We Like Best

Often Disagree With Us

Because we overeat of them. Indigestion follows. But there's a way to escape such consequences. A dose of a good digestant like Kodol will relive you at once. Your stomach is simply too weak to digest what you eat. That's all indigestion is. Kodol digests the food without the stomach's aid. Thus the stomach rests while the body is strengthened by wholesome food. Dieting is unnecessary. Kodol digests any kind of good food. Strengthens and invigorates.

Kodol Makes Rich Red Blood.

MOTHERHOOD

The greatest ambition of American men and women is to have homes blessed with children. The woman afflicted with female disease is constantly menaced with becoming a childless wife. No medicine can restore dead organs, but Wine of Cardui does regulate derangements that prevent conception; does prevent miscarriage; does restore weak functions and shattered nerves and does bring babies to homes barren and desolate for years. Wine of Cardui gives women the health and strength to bear healthy children. You can get a dollar bottle of Wine of Cardui from your dealer.

WINE OF CARDUI

143 Market Street,
Memphis, Tenn., April 14, 1901.
In February, 1901, I took one bottle of Wine of Cardui and one package of Thedford's Black-Draught. I had been married fifteen years and had never given birth to a child until I took Wine of Cardui. Now I am mother of a fine baby girl which was born March 31, 1901. The baby weighs fourteen pounds and I feel as well as any person could feel. Now my home is happy and I never will be without Wine of Cardui in my house again.
