Sick Blood

Feed pale girls on Scott's Emulsion.

We do not need to give all the reasons why Scott's Emulsion restores the strength and flesh and color of good health to those who suffer from sick blood.

The fact that it is the best preparation of Cod Liver Oil, rich in nutrition, full of healthy stimulation is a suggestion as to why it does what it does.

Scott's Emulsion presents Cod Liver Oil at its best, fullest in strength, least in taste.

Young women in their "teens" are permanently cured of the peculiar disease of the blood which shows itself in paleness, weakness and nervousness, by regular treatment with Scott's Emulsion.

It is a true blood food and is naturally adapted to the cure of the blood sickness from which so many young women suffer.

We will be glad to send a sample to any sufferer.

Be sure that this picture is the same as the one on the wrapper of every bottle of Emulsion you buy.

Co. mill at Springfield is the cause of this action. This will relieve the other branch train of its heavy loads. A large locomotive will be used on the Wendling road, and it will do the switching at the mills of Wendling, Coburg and Springfield. It is also expected that this train will have mail service on it.

The best paid mail carrier in the world is Oscar Pien, who receives \$3,000 a year for making two trips a month between Valdez and Eagle, Alaska, a distance of a little over 400 miles. This service is performed with a fine team of Eskimo dogs and although Mr. Pien has gone over precipices, encountered avalanches, been frost bitten, frozen and starved, he has always managed to reach his destination.

The supreme court has decided that the shade trees in front of a man's residence, although on public property belong to him. The case in which the decision was rendered was one in which a property owner sued a telephone company for cutting off the limbs of his trees. The decision is of interest to all property owners and corporations.—Ex.

A Cold Wave.

The forecast of sudden changes in the weather serves notice that a horse voice and a heavy cough may invade the sanctity of health in your own home. Cautious people have a bottle of One Minute Cough Cure always at hand. E. H. Wise Madison, Ga., writes: "I am indebted to One Minute Cough Cure for my present good health, and probably my life. It cures coughs, colds, laryngitis, bronchitis, pneumonia and all throat and lung troubles. One Minute Cough Cure cuts the phlegm draws out the inflammation, heals and soothes the mucous membranes and strengthens the lungs." E. C. Peery.

Five Good Reasons.

That the Rio Grande route is the most popular one between the Pacific coast and the east, is evidenced by the fact that the greater per cent of transcontinental travelers use it.

First, the scenic attractions in view are unequalled in the world.

Second, the daily personally conducted tourist car excursions being especially adapted for ladies, couples and children, affords a comfortable mode of travel at rates within reach of all.

Third, it is the only route between the East and West passing directly through Salt Lake City, or modern Zion.

Fourth, the choice of two distinct routes through the heart of the Rocky Mountains.

Fifth, these fast through trains daily between Ogden and Denver equipped with every modern convenience.

There are many other reasons why this route is the most comfortable and enjoyable in the whole country.

You can learn a great deal on the subject through travel, and receive some very beautiful and interesting booklets by calling or writing to the undersigned.

What's in a Name.

Everything is in the name when it comes to Witch Hazel Salvo. E. C. DeWitt & Co. of Chicago discovered some time ago how to make a salve from Witch Hazel that is a specific for piles. For itched, blood, itching, itching and protruding piles, eczema, cuts, burns, bruises and all skin diseases DeWitt's Salvo has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. E. C. Peery.

If you feel hot and need a pill. Why not purchase the best? DeWitt's Early Risers. Are little surprises. Take one—they do the rest.

W. H. Howell, Houston, Tex. writes: "I have used Little Early Riser Pills in my family for constipation, sick headache, etc. To their use I am indebted for the health of my family." E. C. Peery.

The Best Prescription for Malaria.

Chills and fever is a bottle of Grove's Tasteless Chir Tonic. It is simply iron and quinine in a tasteless form. No cure—no pay. Price 50c.

A Weak Stomach

Indigestion is often caused by over-eating. An eminent authority says the harm done thus exceeds that from the excessive use of alcohol. Great all the good food you want but don't over-load the stomach. A weak stomach may refuse to digest what you eat. Then you need a good restorative like Kodol, which digests your food without the stomach's aid. This rest and the wholesome tonics Kodol contains soon restore health. Dieting unnecessary. Kodol quickly relieves the feeling of fullness and bloating from which some people suffer after meals. Absolutely cures indigestion.

Kodol Nature's Tonic.

Prepared only by E. C. DeWitt & Co., Chicago. The U. S. holds a patent on this tonic.

Saved at Graves Crink.

I know I know long ago have been in my grave, writes Mrs. S. Newman, of Decatur, Ala., if it had not been for Electric Bitters. For three years I suffered untold agony from the worst forms of indigestion, Waterbrash, Stomach and Bowel Dyspepsia. But this excellent medicine did me a world of good, since using it I can eat heartily and have gained 35 pounds. For indigestion, Loss of Appetite, Stomach, Liver and Kidney troubles Electric Bitters are a positive guaranteed cure. Only 50c at E. C. Peery's.

Kodol Dyspepsia Cure.

Digests all classes of food, tones and strengthens the stomach and liver. Cures dyspepsia, indigestion, stomach troubles, and makes rich red blood, health and strength. Kodol, retobin without opiates, narcotics, stimulants and sweetens the stomach. Governor G. W. Atkinson, of W. Va. says: "I have used a number of bottles of Kodol and I have found it to be a very effective and indeed a powerful remedy for stomach ailments. I recommend it to my friends." E. C. Peery.

Better Than a Plaster.

A piece of flannel impregnated with Chamberlain's Pain Balm is better than a plaster for a lame back and for pains in the side or chest. Pain Balm has no superior as a liniment for the relief of deep seated, muscular and rheumatic pains. For sale by All Dealers.

A Million Voices.

Could he have expressed the thanks of Homer Hall, of West Point, La. Listen why: A severe cold had settled on his lung, causing a most distressing cough. Several Physicians said had he had Consumption, but could not help him, when all doubt he was doomed he began to use Dr. King's New Discovery for Consumption and within 10 days he was cured and saved my life. I now weigh 227 lbs. It's positively cured my cough, cold and rheumatic troubles. Price 50c and \$1.00. Trial bottles free at E. C. Peery's.

The Shasta Route.

In going over the famous "Shasta Route" of the Southern Pacific Co., the traveler ever finds something new to excite his admiration and interest. Starting at Portland one traverses the whole length of the Willamette Valley, the gem of the Northwest. Mt. Hood, Mt. Jefferson, and the Three Sisters and other snow-capped peaks are kept in sight for hours. The prunes, peaches, apples and other fruits are a delight to themselves. The crossing of the great mountain barrier between Oregon and California reveals the grandest mountain scenery in the United States. The wonderful array of towering mountains and gorges into which we gaze from dizzy heights, forest clad mountain slopes stretching up to the line of perpetual snow, and the foaming mountain streams dashing fiercely down deep canyons, now and then stopping for a short rest in a quiet pool. After a days enjoyment of old Mt. Shasta, the finest peak on the continent, we drop rapidly down the broad plains of the Sacramento Valley in California, and thence through vineyards and orchards to San Francisco.
