PROFIT

The matter of feed is of tremendous importance to the farmer. Wrong feeding is loss. Right feeding is profit.

The up-to-date farmer knows what to feed his cows to get the most milk, his pigs to get the most pork, his hens to get the most eggs. Science.

But how about the children? Are they fed according to science, a bone food if bones are soft and undeveloped, a flesh and muscle food if they are thin and weak and a blood food if there is anemia?

Scott's Emulsion is a mixed food; the Cod Liver Oil in it makes flesh, blood and muscle, the Lime and Soda make bone and brain. It is the standard scientific food for delicate children.

Send for free sample.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

EDITORIAL.

An eastern Oregon official has been found short in his accounts a good many thousand dollars. It is strange that there are men in any business who are so ravenous after money that they take what is not their own. No one ever commits a dishonest act without a penalty for it, if not in a financial way at least in the piercing of one's conscience. There is nothing gained in obtaining money through unfair means, and the official who is not satisfied with his regular salary is ungrateful indeed.

Mrs. Julia Dent Grant, the widow of the late General Grant, who died in Washington Sunday, was one of America's notable women. She saw her husband twice inaugurated president of the United States and traveled with him around the world, and also following many times from camp to camp during the four years of the Civil War. She was with him on his victorious march into Washington after Lee's surrender.

One end of the trans-Pacific cable is now laid and the work of carrying it across the sea is under way and before many months messages will be coming and going direct from our shores to the American possessions in the Orient over an American cable. This will greatly lessen the cost of the service which now is so circuitious in coming from the far East to the far West.

In the passing away of Honorable Sol. Hirsch, Oregon has lost an able and business man and one who has taken a leading and active part in the development of the state's business interests. His career in Oregon has been a long and honorable one, and the state, especially Portland, has suffered a severe loss by his death.

Foils a Deadly Attack.

"My wife was so ill that good physicians were unable to help her, writes M M Austin, of Winchester, Ind., "but was completely cured by Dr King's New Life Pills." They work wonders in stomach and liver troubles. Cure constipation, sick headache. 25c at E. C. Peery's drug store.

Drowned Near Mill City.

A logger named McRae, who was in the employ of the Curtiss Lumber Co., was drowned above Mill City Monday while fastening a cable across the Santiam. His body was recovered.

A Cold Wave.

The forecast of sudden changes in the weather serves notice that a hoarse voice and a heavy cough may invade the sanctity of health in your own home. Cautious people have a bottle of One Minute Cough Cure always at hand. E H Wise Madison, Ga., writes; "I am Indebted to One Minute Cough Cure for my present good health, and probably my life. It cures coughs, colds, lagrippe, bronchitis, pneumonia and all throat and lung troubles. One Minute Cough Cure cuts the phlegm draws out the inflamation, heals and soothes the mucous membranes and strengthens the lungs. E. C. Perry.

Five Good Reasons.

That the Rio Grande route is the most popular one between the Pacific coast and the east, is evidenced by the fact that the greater per cent of transcontinental travelers use it.

First, the scenic attractions in view are unequaled in the world.

Second, the daily personally conducted tourist car excursions being especially adapted for ladies travelling alone or with children, affords a comfortable mode of travel at rates within reach of all.

Third, it is the only route between the East and West passing directly through Salt Lake City, or modern Zion.

Fourth, the choice of two distinct routes through the heart of the Rocky Mountains.

Fifth, three fast through trains daily between Ogden and Denver equipped with every modern convenience.

There are many other reasons why this route is the most comfortable and enjoyable in the whole country.

You can learn a great deal on the subject of through travel, and receive some very beautiful and interesting booklets, by calling on or writing to the undersigned. W. C. McBride, Gen'l Agent, or M. J. Roche, Traveling Passenger Agent, 124 Third Street, Portland, Ore.

What's in a Name.

Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co of Chicago discovered some time ago how to make a salve from Witch Hazel that is a specific for piles. For blind, bleeding, itching and protruding piles, eczema, cuts, burns, bruises and all skin diseases DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. E. C. Peery.

The Best Prescription for Malaria.

Chills and fever is a bottle of Grove's Tasteless Chill tonic. It is simply iron and quinine in a tasteless form. No cure—no pay. Price 50c.

A Weak Stomach

Indigestion is often caused by overeating. An eminent authority says the harm done thus exceeds that from the excessive use of alcohol. Eat all the good food you want but don't overload the stomach. A weak stomach may refuse to digest what you eat. Then you need a good digestant like Kodol, which digests your food without the stomach's aid. This rest and the wholesome tonics Kodol contains soon restore health. Dieting unnecessary. Kodol quickly relieves the feeling of fulness and bloating from which some people suffer after meals. Absolutely cures indigestion.

Kodol Nature's Tonic.

Prepared only by E. C. DeWitt & Co., Chicago. The $1. bottle contains 2½ times the 50c. size.

Saved at Graves Crink.

I Know I Know long ago have been in my grave, writes Mrs. S. Newsom, of Decatur, Ala., if it had not been for Electric Bitters. For Three years I suffered untold agony from the worst forms of Indigestion, Waterbrash, Stomach and Bowel Dyspepsia. But this excellent med icne did me a world of good. since useing it I can eathearily and have gained 35 pounds. For Indgestion, Loss of Appetite, Stomach, Liver and Kidney troubles Eletric Bitters are a positive guarinteed cure. Onley 50c at E. C. Peery's.

Kodol Dyspepsia Cure.

Digests all classes of food, tones and strengthens the stomach and digestive organs. Cures dyspepsia indigestion, stomach troubles, and makes rich red blood, health and strength. Kodol rebuilds worn out tissues, purifies, strengthens and sweetens the stomach. Governor G. W Atkinson, of W. Va. says: I have used a number of bottles of Kodol and I have found it to be a very effective and indeed a powerful remedy for stomach ailments. I recommend it to my friends. E. C. Peery.

Better Than a Plaster.

A piece of flannel dampened with Chamberlain's Pain Balm and bound on the effected parts, is better than a plaster for a lame back and for pains in the side or chest. Pain Balm has no superior as a liniment for the relief of deep seated, muscular and rheumatic pains. For sale by All Dealers.

A Million Voices

Could hardley express the thanks of Homer Hall, of West Point, Ia. Listen why: A severe cold had settled on his lugt, causing a most obstinate cough. Several Physicians said he had Consumption, but could not help him, when all thought he was doomed he began to use Dr. King's New Discovery for Consumption and writes, it completely cured and saved my life. I now weigh 227 lbs. It's positively guaranteed for Coughs, Colds and Lung troubles. Price 50c and $1.00. Trial bottles free at E. C. Peery's.

MOTHERHOOD

The greatest ambition of American men and women is to have homes blessed with children. The woman afflicted with female disease is constantly menaced with becoming a childless wife. No medicine can restore dead organs, but Wine of Cardui does regulate derangements that prevent conception; does prevent miscarriage; does restore weak functions and shattered nerves and does bring babies to homes barren and desolate for years. Wine of Cardui gives women the health and strength to bear healthy children. You can get a dollar bottle of Wine of Cardui from your dealer.

WINE OF CARDUI

143 Market Street,
Memphis, Tenn., April 14, 1901.

In February, 1901, I took one bottle of Wine of Cardui and one package of Thedford's Black-Draught. I had been married fifteen years and had never given birth to a child until I took Wine of Cardui. Now I am mother of a fine baby girl which was born March 31, 1901. The baby weighs fourteen pounds and I feel as well as any person could feel. Now my home is happy and I never will be without Wine of Cardui in my house again.

The Shasta Route.

In going over the famous "Shasta Route" of the Southern Pacific Co., the traveler ever finds something new to excite his admiration and interest. Starting at Portland one traverses the whole length of the Willamette Valley, the gem of the Northwest. Mt. Hood, Mt. Jefferson, and the Three Sisters and other snow-capped peaks are kept in sight for hours. The prunes, peaches, apples and other fruits are a delight in themselves. The crossing of the great mountain barrier between Oregon and California reveals the grandest mountain scenery in the United States. The wonderful array of towering mountains, and gorges into which we gaze from dizzy heights, forest clad mountain slopes streching up to the line of perpetual snow, and the foaming mountain streams dashing fiercely down deep canons, now and then stopping for a short rest in ome quiet poll. After a days enjoyment of old Mt. Shasta, the finest peak on the continent, we drop rapidly down the canon of the Sacramento to the broad plains of the Sacramento Valley in California, and thence through vineyards and orchards to San Francisco.
