## A Sorosis Lesson

WHAT is a fit in an ordinary shoe is not a fit in Sorosis; They do not stretch. The shoe is built to fit its counterpart in the human foot. The lesson taught us by experience is that a woman once perfectly fitted in Sorosis never changes. She is more than satisfied; in fact has practically her own private last.

"The Shoe That Sells the World Around."

### Serious Gun Accident

William T. Jordan, a well known pioneer farmer of this county, near Sanderson's Bridge was accidentally shot Tuesday forenoon while killing hogs.

They were using a 22 calibre rifle to kill the hogs with and when one of the helpers was loading the gun the shell somehow caught and the gun was promptly discharged and the bullet struck Mr. Jordan in the right side of the back well down below the hip. The ball seemed to have hit the back bone and passed to the fleshy part of the back on the left side.

The wound is a serious one but not necessarily fatal unless some unforeseen complications set in. Dr. N. E. Winnard was called and dressed the wound, and the patient was resting well when he left town in the afternoon. Mr. Jordan will be laid up for some time at best.

The many friends of this worthy pioneer citizen will wish for his speedy recovery.

### Hermann Has Resigned

A dispatch from the National Capital says: Binger Hermann, Commissioner of the General Land Office, has resigned, and will be succeeded by William A. Richards, now the assistant Commissioner of the General Land Office.

The change will take effect probably January 15. Mr. Hermann's resignation was requested about two weeks ago by the Secretary of the Interior, and was immediately presented. Charges have been preferred against two of the subordinate officers involving alleged irregularities, and they have been given a specific time in which to make answer.

Uncle Sam Handmaker received what is supposed to be the first pension to the Indian War veterans in this county says the Eugene Guard. He is very proud of the precious document which at least is conclusive evidence that Uncle Sam in Washington is willing to remember the services of Uncle Sam in Oregon in the days when the fierce Red skins made life a very uncertain thing in this wild and woolly portion of the United States and Territories. Other pensions will be along in due time—as fast as the department can audit the claims and attend to the vast service of Uncle Sam which are required by the red taps of the department.

A Scientific Discovery.  
Kodol does for the stomach that which it is unable to do for itself, even when but slightly disordered or overloaded. Kodol supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the influenced muscles of that organ are given rest and health. Kodol digests what you eat and enables the stomach and digestive organs to transform all food into rich, red blood. E. C. Peery.

To Be Examined as to Sanity.  
Will Hall, son of Otha Hall who was committed to the County Jail some time ago on a charge of horse stealing will be examined today as to his mental condition. Young Hall who never appeared to know very much, took a horse belonging to some of his people and started across the mountains with it, and was caught before he got out of the county, and is being held pending trial, and has now been in jail for the past two months.—Herald.

Later—He was found to be insane and was taken to the asylum Wednesday.
