 There is a rumor about Waterloo that the Booth-Kelly Lumber Company is investigating the water power at that place, with a view to purchasing it. The matter is kept very quiet and the rumor cannot be verified further than that the people of Waterloo say that parties have been there examining the falls and water power and ascertaining what is really there.

Dr. A. G. Prill and Frank Irvine, of Scio, drove to Albany Thursday. They reached there all right and the Dr. was elected a Kelly delegate to the Eugene convention next Thursday. This made their team frisky and when near Isaac Meekers on their return home one of the horses began kicking. The tongue of the buggy came down and the driver was pulled from the vehicle. One of the reins broke and away went the team, throwing the Dr. out and then breaking loose from the buggy, which was considerably damaged. The horses ran some distance and then became entangled in a wire fence, where they were caught. Ed Meeker drove up to haul the wrecked party to this city, when one of the runaway team kicked the end out of his hack. All finally reached this city and Frank phoned home for another rig. Fortunately no one was injured, and Doc says he is used to being covered with mud.

Judge Tait For President.
 Washington, April 3.—Before delegates are elected to the next National convention, there is going to be a great deal of talk about Wm. H. Tait, as a candidate for the republican nomination. No man has received higher praise for work done under the Roosevelt and McKinley administrations than Tait. His sacrifice of personal ambition of a seat on the supreme bench to what he considered his duty to the Filipino people has created an impression favorable to him.

Notice of Public School Examination.
 Notice is hereby given that the final Eight grade examination for the public schools of Linn county, will be held in compliance with the rules of the State Board of Education in the following dates, April 7 and 9, May 29, 31, and 22 June 17, 18 and 19.
