Hibler Bros. have many friends and customers in Scio who are sorry to see them leave but wish them success wherever they may decide to locate.  
Saturday, May 31, is the day upon which we should all turn from business cares and observe Decoration day in an appropriate manner. To the Grand Army of the Republic it is a day of sacred memories, made so by martial valor and sufferings. Many will decorate the graves of departed ones and there will also be graves which no relative or friend will be near to attend to, and which should be looked after by the people of Scio in general.  
Mr. Joseph Pominville, of Stillwater, Minn., after having spent over \$2,000 with the best doctors for stomach trouble, without relief, was advised by his druggist, Mr. Alex. Richard, to try a box of Chamberlain's Stomach and Liver Tablets. He did so and is a well man today. He troubled with indigestion, bad taste in the mouth, lack of appetite or constipation, give these tablets a trial, and you are certain to be more than pleased with the result. For sale at 25 cents per box by All Dealers.

A few weeks ago a subscription paper was circulated among our citizens for the purpose of equipping a base ball nine, but it did not meet with the success that was expected of it and was destroyed. Scio has the material for one of the best teams in the county and they should not have sent it to the general disengagement. They have received several challenges from Lebanon for a game and it is surely no more than right that the citizens should help them buy their outfit as they will be out considerable expense all during the season.

Humphrey, secretary, T. J. Munkers, treasurer. Officers in general committee of five were elected as follows: A. G. Prill, R. E. Hibler, E. H. Maulding, E. C. Peery and D. C. Humphrey. **A Starting Test.**  
To save a life, Dr. T. G. Merritt, of No. Mehoopany, Pa., made a starting test resulting in a wonderful cure. Thousands can testify to that. Mrs. C. E. VanMetter of Shepherdstown, W. Va., says: "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. **A Portland Murder.**  
Portland, May 24.—Maddened by the fact that his wife had obtained a divorce from him two weeks ago, M. V. Loasia wreaked a terrible vengeance on his father-in-law, F. H. Drews, yesterday morning, shooting him in the back from a distance. He then slew the wounded man with another shot, fired at such close range that it burned the victim's clothing. The murderer fled and has been captured.

**Too Great a Risk.**  
In almost every neighborhood someone has died from an attack of colic or cholera morbus, often before medicine could be procured or a physician summoned. A reliable remedy for these diseases should be kept at hand. The risk is too great for anyone to take. Chamberlain's Colic, Cholera and Diarrhoea Remedy has undoubtedly saved the lives of more people and relieved more pain and suffering than any other medicine in use. It can always be depended upon. For sale by All Dealers.

**DR. DARRIN AT WORK**  
The Celebrated Specialist from Salem at the Hotel Revere.

—Albany Democrat.  
Dr. Darrin, the celebrated specialist and wife, arrived in this place last week and have offices at the Hotel Revere where the doctor will administer treatment to the afflicted. Dr. Darrin needs no recommendation for the wonderful cures effected by him throughout the state during his many years of practice in Portland speak for themselves and are living testimonials of his superior skill and success in the treatment and cure of the most stubborn and aggravated cases, and chronic diseases.  
We have known the doctor personally for years and have come face to face with many of his patients after being successfully treated by him. In our business relations we have always found him to be strictly reliable and a gentleman of prompt practical business methods. His treatment by electricity and medicine has become so popular with the afflicted that his patients do not seek in vain for relief from the ills that flesh is heir to, which is positive proof of the superiority of his electrical treatment over all other methods of cure.

Dr. Darrin makes a specialty of all diseases of the eye, ear, nose and throat, catarrh and deafness, and all nervous, chronic and private diseases, such as loss of manhood, blood taints, syphilis, gleet gonorrhoea, stricture, spermatorrhoea, seminal weakness, and loss of desire or sexual power in either men or women.  
Enid, O. T., May 24.—Hundreds of persons were rendered homeless and property damage estimated at \$300,000, was done in the Enid bottoms alone by a cloudburst that struck west of this city at midnight last night. The aggregate damage will doubtless be raised much higher by losses sustained between Enid and the seat of the storm.

**Public Notice.**  
The Board of Health will make their final inspection before May 20. All those who have not complied with City Ordinance No. 47 will do so before that date, as fines will be imposed on all who do not comply.
