Hurrah for the 4th

We can't help but remember with tender recollections when we look back to that glorious old day for on that day we knocked the stuffing out of Johnny Bull and gained our Independence, and after the battle was over we took Johnny's gun, sword and pistol away from him and sent him home. Then Uncle Sam, Geo. Washington, Lafayette, Abe Lincoln and John L. Sullivan came up to our store to fit themselves out with our up-to-date clothing and shoes, hats, shirts, socks, collars and neckties, for the ones they had on were full of canon holes. Well, after the boys rigged themselves out with what they needed they sat down and told yarns. George told us all about the lies he never told. Uncle Sam, John L. and Lafayette told a few also and old Abe wound up by telling us what a tall man he would have been if there wasn't so much of him turned down for feet and that the only place he could get shoes to fit them was at Wesely Bros' and so they all finished up by saying that Wesely Bros' was the only place in town to trade.

P. S. Please remember that the 4th this year comes on the 4th day of July, 1903. A. D., and there will be big doings in Seio so don't forget to come 4th to Wesely for the things you will be needing for the 4th.

Your's for the 4th,

Wesely Bros.

Born to Mr. and Mrs. John Shimons, on Thursday, June 25, a girl. Remember that Hibler & Gill always pay more for farm produce than anybody.

You will save from 10 per cent to 20 per cent by buying your shoes of Hibler & Gill Co.

Chas. Wesely received a full car load of buggies and binders the first of the week. Notice his ad.

"Jack" Jones is on the retired list this week owing to a collision while playing ball at Lebanon last week.

S. W. Gaines has some of the finest cherries we have ever seen. They are the Centennial and are the largest cherries grown.

Hibler & Gill Co. sell good, fresh roast coffee for 15c. Don't buy stale-rotten coffee when you can get fresh coffee for that price.

C. H. Buck pays special attention to ladies and childrens hair dressing, and the ladies are invited to call at any time. Prices reasonable.

The road supervisor requests us to warn those who drive across the bridge here in town faster than a walk, that they had better stop it.

Miss Agnes Craft, now residing in Albany, but formerly of near Seio, has been elected queen of the Carnival which has been held in Albany the past week. She received 8850 votes.

A. Montgomery, who has been in poor health for some time past, is now confined to his bed at the home of his daughter, Mrs. R. Shelton. Mrs. Montgomery came down from Seio Tuesday last to assist in taking care of him.

L. W. Pomeroy received the sad news Monday last that his daughter, Mrs. Edie Anderson, of Upton, California, was dying. Mrs. Anderson has many friends in this vicinity and will be grieved to learn of her death.

Mr. and Mrs. L. L. Calavan and family have moved back to Seio from McMinnville to reside. Our people are glad to have them again in the city. They are the former home of C. H. Buck, and the latter has moved to the J. A. Bilyeu residence on Main Street.

Arrangements are all now complete for a grand time on the 4th. Everything possible has been done and it remains for the people to turn out and enjoy themselves. The parade will form at the public school grounds and march down Mill street to Main and down Main to the grove. The Goddess has selected the following models: Misses Beside Morris, Jessie Caldwell, Lottie Wilson and Jessie Hibler.

Guy McKnight and George Daley this week purchased the Meat Market of Frank Behor who will go into business at Springfield. It seems as if the patronage here does not justify a shop from the number of times it changes hands, but we are convinced the right parties have now got it to make a success of it. We should give them a good patronage and give them a chance. Being Seio young men they are deserving of the success we predict for them.

An uninformed person coming to Seio would be struck with the unusual activity of several of our people in the sidewalk line, until informed that it was ordered by our city dads. No more poor sidewalks, that makes insurance companies look wise. With our new sidewalks and the health ordinance fully enforced, Seio will present a neat appearance, which will attract the attention of any home seeker in quest of a location.

The following has been contributed and sent to the Steppner relief fund:

A. O. U. W.	15.00
T. J. Monkers	25.00

A general subscription will be taken up the first of next week when all our citizens will have a chance to subscribe. It is expected that at least \$200 will be raised.

Monday morning Wm. Brenner had an experience which came very near terminating his career, and one that he would not care to repeat. He was riding a horse and was after some cattle which had gone in the rear of Hibler & Gill Co's store, when his horse fell and rolled completely over him. He was picked up and carried to Dr. Fritt's office where it was found that his shoulder was badly dislocated and that he was badly bruised from head to foot. Hibler is able to navigate a little now but very slowly.

Mrs. Lizzie Sutherland received the sad news Tuesday of the death of her brother, Milton Hudson, at Cascade, where he was moved from this place about three weeks ago in the hope of benefitting his health which has been very poor for the past year and over. He died at 10 a. m. Monday and was buried at Brownsville on Wednesday afternoon. He has many friends in Seio and vicinity who deeply regret his sudden demise, while the bereaved family have the sympathy of every one in their sorrow, coming as it does soon after the death of his step-father.

Saturday last the Seio base ball team played a game with Lebanon at the latter place and were defeated, and on Sunday last, played with the Beaver Creek boys and beat them by a score of 15 to 4. Ever since their organization our boys have not had the least encourage-

ment, while other places help their teams in all kind of ways—practically financially. It is hard work, this playing ball, especially when you get no encouragement if you win, and get the horse laugh if you don't. If everyone would try as hard as the players to make our team a good team we would have as good a team as any town in the valley.

Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I was so consumed so fast that if I walked a block I would cough, faint, and spit blood. But, when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 65 pounds." It's absolutely guaranteed to cure Coughs, Colds, Laryngitis, Bronchitis and all Throat and Lung Troubles. Price 50c and \$1.00. Trial bottles free at E. C. Peery's drug store.

Sent For Help.

The Sheriff this forenoon received a telephone message from Lacombe asking the sheriff to go there at once and protect Mrs. Ed. Sanders, who claimed to be in danger. The question was asked why her new husband Tuesday did not protect her, and the answer was that he was not there. It is not thought she is in much danger. The attention of Brother Finch of the Herald is called to the situation.—Democrat.

Brutally Tortured.

A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Goldberg, of Colton, Calif., writes: "For 15 years I suffered insufferable pain from rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles completely cured me and I feel just as good for Liver and Kidney troubles and general debility. Only 50c. Satisfaction guaranteed by Peery, druggist."

AN ALBANY MAN'S EXPERIENCE WITH DR. DARRIN.

—Albany Democrat.

Mr. J. D. Alkire's card to the public will go far to establish the curative properties of electricity and medicines as administered by Dr. Darrin. We are pleased to give space to it as many will be more thoroughly convinced of the doctor's just claims to a new and efficacious mode of treatment for chronic diseases long thought incurable.

To the Public.

For more than 20 years I have been afflicted with kidney troubles, pains in the back, diabetes and inflammation at neck of bladder. I had to relieve my bladder four or six times nightly. I had disappeared of relief, having taken many kinds of patent medicines. I am happy to say I have been cured by Dr. Darrin and his new mode of treatment by electricity and medicines, and feel it my duty to give him credit for it, as well as to notify my friends and neighbors where to go for relief. I am 70 years old and consider the cure more remarkable on account of my age. I reside near Knox Butte—seven miles from Albany, Linn Co., and can be referred to.

J. D. ALKIRE.

Discharging Ear and Deafness Cured.

To the Editor: For 50 years or so I have had a discharging ear and partial deafness. The troubles have given me a world of worry and inconvenience. I have been cured of the discharging ear and am rapidly recovering my hearing, all of which I ascribe to Dr. Darrin's skillful electrical and medical treatment. Refer to me at Woodburn, Or.

JOHN B. SMITH.

Dr. Darrin's Place of Business.

Dr. Darrin is located at the Revere Hotel, Albany, where he can be consulted free from 10 to 5 o'clock daily; evening 7 to 8. Sunday, 10 to 3. The doctor makes a specialty of all diseases of the eye, ear, nose and throat, catarrh, deafness, brachitis, lagrippe, heart, liver, bladder and kidney diseases or those who suffer from apathy and indifference; also consumption, genito urinary and skin diseases in either sex, such as blood taints, seminal weakness and lost vigor, varicocele and stricture.

All curable chronic diseases treated at \$5 a week or in that proportion of time as the case may require. The poor treated free, except medicines, from 10 to 11 daily. No case published except by permission of the patient. All business relations with Dr. Darrin strictly confidential. Electrical appliances furnished. One visit is desirable, though many cases can be treated by home treatment by writing symptoms. Eyes tested and glasses fitted.

This is the first visit of the head of the Portland firm of Drs. Darrin to this city. The doctor will remain until Aug. 1st, and those wishing treatment will do well to call soon as many require second treatment.
