Come West.

Last week hundreds of people were drowned by floods in Kansas, Missouri, Iowa and other Middle Western States, and eight to ten millions of dollars worth of property was destroyed, at Topeka, Kansas City and other places. That was followed by a cyclone in Alabama that in two minutes blew away an entire village and killed 100 people. This wholesale destruction of life and property all over the Eastern part of the United States, last week, has been followed during the present week by terrific destruction of life and property all along the great Mississippi River by the greatest flood ever known in that river of mighty floods all the way from St. Louis to New Orleans. Surely the people will have a little sense driven into them by these repeated disasters and make up their minds to take Horace Greeley's advice and "Come West," or a good many more of them will be drowned or blown away by the tornados if they remain in the land of floods, tornados and droughts. Oregon and the Pacific coast is free from these drawbacks, and has still the best climate in the world.

June 10 and 11 the entire city of East St. Louis was under water up to the tops of the houses in many places and about 50,000 people who resided there are now homeless and the city is practically destroyed. St. Louis property is also seriously damaged. During the reign of terror people who refused to work on the embankments were shot and killed and many were drowned when the embankments broke and washed away. New Orleans will perhaps be nearly ruined when the flood reaches it. —Ex. of June 25.

Some of the daily papers are having fun at the expense of the country editors by reprinting such items as "John Jones is painting his barn" or "Mrs So and So's baby is cutting teeth." This may be a sourse of amusement to a city editor, but what about such items as the dailies published recently describing a blanket for a pet dog owned by one of those intensely too-too ladies, or their description of the president in detail, showing how he smiled? Did they suppose he was coming into Iowa with a "desmodaelae" scowl? Did they look for him to greet the mayor with a "Hello there, old tallow-belly?"—Ex.

A sensible young lady of Kansas made the following request of her friend: "Do not lay me down by the rippling brookside, lest the babbling lovers wake me from my dreams nor in the beautiful cemeteries in the valleys lest sight-seers cooing over epitaphs distract me, but let me sleep under the counter of the merchant and business man who never advertises. There is the peace that passeth all understanding, and deep is the sleep to which neither the buoyant foot fall of youth nor the weary shuffel of old age will ever intrude.—Burns Herald.

Brutally Tortured

A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Golobick, of Colusa, Calif, writes. "For 15 years I endured insufferable pain from rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles completely relieved and cured me." Just as good for Liver and Kidney troubles and general debility. Only 50c. Satisfaction guaranteed by Peery, druggist.

Popular Sunday Excursions.

In order to meet the wants of the traveling public, and give practically daily service to the beach during the summer season, the Corvallis & Eastern Railroad will run an excursion train from Albany, Corvallis and all points west to Newport every Sunday, commencing Sunday, July 5th, leaving Albany at 7:00 a. m. and Corvallis at 7:30 a. m. Returning leave Newport at 5:30 p. m. arriving in Albany at 10:30 p. m.

Three day an i season tickets will be good going and returning on these trains. This should prove popular with the traveling public and a liberal patronage will be the best appreciation.

WONDERFUL CURES.

L. W. MOENCH OF ALBANY THE HAPPY MAN.

Dr. Darrin to Remain at Hotel Revere Albany Until Oct. 1st.

—Albany Democrat.

The following outspoken recommendation from a man so well known as L. W. Moench is one of the strongest reasons why people should look into the merits of Dr. Darrin's cures by electricity and skillful medical treatment. The doctor has been prevailed on to remain in Albany until Oct. 1st, and is visited by scores of sufferers at Revere Hotel daily, and why any one with good judgment can see their friends and neighbors cured and not grasp the opportunity to try Dr. Darrin's new system of cure is beyond our comprehension.

Mr. Moench's Card.

To the Editor: For years I have been troubled with sciatic rheumatism, liver and kidney compisint and dyspepsia. One month ago I was unable to work, or even put on my shoes without great suffering. Dr. Darrin has so far restored me that I am able to work every day. My troubles are gone and I feel like a new person and I gladly subscribe my name in Dr. Darrin's behalf and recommend him to the public. I reside on corner 4th and Main St., Albany, and will answer all questions by letter or in person.

L. W. MOENCH.

A Remarkable Cure

Herald July 2.—J. L. Oxford, a prominent citizen of Linn county, who resides three miles from Brownsville, was in the city yesterday. He called at the Herald office and told a remarkable story of a cure effected by Dr. Darrin, the well known specialist. Mr. Oxford had been totally deaf in his left ear for more than three years and the right ear was effected to such an extent that hearing was almost impossible. On June 27 he visited Albany and consulted Dr. Darrin. The latter after a treatment of only 20 minutes restored the hearing in both ears and Mr. Oxford can now hear as well as he could at any previous time in his life prior to the time he was attacked. He is delighted with the permanent cure effected and is loud in his praise of the quick and practical work of the eminent specialist.

Dr. Darrin's Place of Business.

Dr. Darrin can be consulted free from 10 to 5 o'clock daily; evening 7 to 8, Sunday 10 to 3, at Revere Hotel until Oct 1.

The doctor makes a specialty of all diseases of the eye, ear, nose and throat, catarrh deafness, bronchitis, la grippe, heart, liver, bladder and kidney diseases, or those who suffer from apathy and indifference; also genito-urinary and skin diseases of either sex, such as blood taints, seminal weakness and lost vigor, varicoceles and stricture.

All curable chronic diseases treated at $5 a week, or in that proportion of time as the case may require. No case published except by permission of the patient. All business relations with Dr. Darrin strictly confidential. Electric appliances furnished. One visit is desirable, though many cases can be treated by home treatment by writing symptoms.

Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but, when all other medicines failed, three $1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, Lagrippe, Bronchitis and all Throat and Lung Troubles. Price 50c and $1.00. Trial bottles free at E. C. Peery's drug store.

WANTED—SEVERAL PERSONS OF CHARacter and reputation in each state (one in this county) required to represent and advertise old established wealthy business house of solid financial standing. Cholera Infantum

This has long been regarded as one of the most dangerous and fatal diseases to which infants are subject. It can be cured, however, when properly treated. All that is necessary is to give Chamberlain's Colic, Cholera and Diarrhoea Remedy and castor oil, as directed with each bottle, and a cure is certain. For sale by all dealers.

A Surgical Operation

Is always dangerous—do not submit to the surgeon's knife until you have tried DeWitt's Witch Hazel Salve. It will cure when every thing else fails—it has done this in thousands of cases. Here is one of them: I suffered from bleeding and protruding piles for twenty years. Was treated by different specialists and used many remedies, but obtained no relief until I used DeWitt's Witch Hazel Salve. Two boxes of this salve cured me eighteen months ago and I have not had a touch of the piles since.—H. A. Tisdale, Summerton, S. C. For Blind, Bleeding, Itching and Protruding Piles no remedy equals DeWitt's Witch Hazel Salve. Sold by E. C. Peery.

Mrs. Fred Unrath,
President Country Club, Benton Harbor, Mich.

"After my first baby was born I did not seem to regain my strength although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband insisted that I take Wine of Cardui for a week and see what it would do for me. I did take the medicine and was very grateful to find my strength and health slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."

Wine of Cardui reinforces the organs of generation for the ordeal of pregnancy and childbirth. It prevents miscarriage. No woman who takes Wine of Cardui need fear the coming of her child. If Mrs. Unrath had taken Wine of Cardui before her baby came she would not have been weakened as she was. Her rapid recovery should commend this great remedy to every expectant mother. Wine of Cardui regulates the menstrual flow.
