WILL ENFORCE GAME LAWS.

Game Warden Baker, of Cottage Grove is Enthusiastic in His Work.

J. W. Baker, state game warden, was a visitor to this city Friday, says the Junction City Times. He will not appoint county wardens as has been the custom heretofore, but will divide the state into districts and will appoint a deputy for each district.

Linn county, he says, ranks first in the number of violations of the bird law. While many of the violations are committed by residents, he says the Portland hunters will go out on the overland and drop off at a small station and be out in the fields by sun up and will kill a buggy full of birds before other people are astir. They generally have a boy with them and if they exceed the limit, "the boy killed them." Yamhill ranks second in the violation of this law, and like Linn county, has to bear the responsibility of the depredations of the Portland hunters.

When it comes to killing deer unlawfully, none of the counties in the state can approach Jackson and Josephine. There they are slaughtered for the hides, in season and out of season, and shipped into California.

A special effort will be made to apprehend them and the warden has an arrangement by which he expects to arrest and punish the guilty parties.

Mr. Baker is very enthusiastic in his work and we apprehend will make a very successful officer.

An Ou rage.

The recent action of commissioner Richards in withdrawing a large amount of land from entry under any of the government land laws in Lake, Crook and Klamath counties is an outrage of the worst kind. Several Scio people are among those who will lose their claims, and that after having spent money and time.

If the commissioner of the land office had wanted to hurt these three counties and had planned for years, he could not have sprung a better scheme.

It is only a matter of time when the corporations will have these lands in lieu of some of their land in Nevada. Even the Indians are allotted reservations, and it would seem that in the mind of Commissioner Richards that we are just a trifle below the Indians. The citizens of the three counties where most of the land has been withdrawn are circulating petitions, remonstrating against the act, but what good it will do against the gold of the railroad companies remains to be seen.

"Where," despairingly asks a New York paper, "where can one turn for refuge from the canned tomato and the society column?" Come to Oregon, all that are jaded and would escape the cheap "tripper." Here are woods where the canned tomato has never set foot, and the society column has never automobiled over the feelings of the prominent citizens, bears such as Wall street wots not of, and jays that chatter of fresher things than does Harry Lehr. In Oregon woods you will not trip over empty beer bottles and rattle through stacks of abandoned sardine cans; flowers and not waste paper spangle the banks, and the streams hold trout that will make even a night editor think himself the primal man struggling with a primeval monster.—Oregonian.

It cost $400 to call a neighbor a jackass in Kansas. In some states it depends upon whether the charge is true.

Kansas has a wheat crop estimated to be worth $65,000,000.

Eat All You Want.

Persons troubled with indigestion or dyspepsia can eat all they want if they will take Kodol Dyspepsia Cure. This remedy prepares the stomach for the reception, retention, digestion and assimilation of all of the wholesome food that may be eaten, and enables the digestive organs to transform the same into the kind of blood that gives health and strength. Sold by E. C. Peery.

DeWitt's Little Early Risers The famous little pills.

In Pennsylvania they have a law that if a man wishes to marry a woman who has been divorced, that all the particulars concerning the divorce would have to be laid before the officer authorized to issue the license before a license can be issued. United States Senator Heyburn, of Idaho, wanted a license to marry a Mrs. Yeatman, of Philadelphia, and could not answer the interrogation propounded to him by the clerk, so had to wait a day or two until he could procure the papers and testimony in the divorce proceedings so as to give the answers required.

The Queen of Italy has given the automobile fiends a needed lesson in courtesy and humanity. The Queen's machine accidentally collided with a carriage, and she immediately alighted and with her chauffeur went to the assistance of the driver of the carriage, and refused to go further until assured that he was unhurt. It is the custom in this country for the owner of the deathtrap to overturn his victim and then dash on at the rate of forty miles an hour. Shotguns are about the only remedy for this evil.

Of the seed that is sown shall be the crop. The administration sent T. Thomas Fortune, a negro, to the Philippines to look into conditions and report on the feasibility of settling a large number of negroes on on the public lands, and now T. Thomas wants to be governor of the islands. Some people are unkind enough to suggest that the race question would be materially improved by sending T. Thomas to the cannibal islands, or any other jumping off place.

There will be a keen competition between the different counties in this state, making country exhibits at the state fair this fall. There will be no less than eight counties competing for the different prizes, which will make the greatest show of agricultural and horticultural products ever seen in this state. Most of these exhibits will be taken to St. Louis in 1904 to advertise Oregon's resources, and we predict that Oregon will have the finest display she has ever made at any exposition.

Our Government invited China to make a big display at the St. Louis Exposition, and the Celestials prepared to outdo the originator. Now comes the State Department and says restrictions must be placed upon the employes of the Chinese commission to the exposition, and as a natural consequence the pig-tails are exceedingly wroth, and much of their wealth will remain buried in the darkness of the Mongolian empire.

Save the Children.

Ninety-nine of every one hundred diseases that children have are due to disorders of the stomach, and these disorders are all caused by indigestion. Kodol Dyspepsia Cure is just as good for children as it is for adults. Children thrive on it. It keeps their little stomachs sweet and encourages their growth and development. Mrs. Henry Carter, 705 Central St., Nashville, Ten., says: "My little boy is now three years old and has been suffering from indigestion ever since he was born. I have had the best doctors in Nashville, but failed to do him any good. After using one bottle of Kodol he is a well baby. I recommend it to all sufferers." Kodol digests what you eat and makes the stomach sweet. Sold by E. C. Peery.

DeWitt is the name.

When you go to buy Witch Hazel Salve look for the name DeWITT on every box. The pure, unadulterated Witch Hazel is used in making DeWitt's Witch Hazel Salve, which is the best salve in the world for cuts, burns, bruises, boils, eczema and piles. The popularity of DeWitt's Witch Hazel Salve, due to its many cures, has caused numerous worthless counterfeits to be placed on the market. The genuine bears the name of E. C. DeWitt & Co., Chicago. Sold by E. C. Peery.

Dysentery Cured Without The Aid of a Doctor.

"I am just up from a hard spell of the flux" (dysentery) says Mr. T. A. Pinner, a well known merchant of Drummond, Tenn. "I used one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and was cured without having a doctor. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. It never fails and is pleasant to take. For sale by all dealers.

Reduced Summer Excursion Rates.

The Denver & Rio Grande popularly known as the "Scenic Line of the World," has announced greatly reduced round-trip rates from Pacific Coast points for the benefit of teachers who will spend their vacation in the East, and of delegates to all the prominent Conventions.—N. E. A., at Boston; A. O. U. W., at St. Paul; B. P. O. E., at Baltimore; Woodmen of America at Indianapolis; Eagles, at New York; Mystic Shrine, at Saratoga Springs; K. of P., at Louisville, and T. P. A., at Indianapolis

Tickets at the reduced rates will be based on one fare for the round trip, but will be sold only on certain days. These tickets will carry stopover privileges on the going trip, giving passengers an opportunity to visit Salt Lake City, Glenwood Springs, Colorado Springs and Denver; and will be good to return any time within ninety (90) days. Passengers going via the Denver & Rio Grande are given the privilege of returning via a different route.

For the rate to the point you wish to go, and for dates of sale and other particulars, as well as for illustrated pamphlets, write

Not Over Wise.

There is an old allegorical picture of a girl scared at a grass-hopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For sale by all dealers.

Of Galveston, Texas.

"Wine of Cardui is indeed a blessing to tired women. Having suffered for seven years with weakness and bearing-down pains, and having tried several doctors and different remedies with no success, your Wine of Cardui was the only thing which helped me, and eventually cured me. It seemed to build up the weak parts, strengthen the system and correct irregularities."

By "tired women" Mrs. Adams means nervous women who have disordered menses, falling of the womb, ovarian troubles or any of these ailments that women have. You can cure yourself at home with this great women's remedy, Wine of Cardui. Wine of Cardui has cured thousands of cases which doctors have failed to benefit. Why not begin to get well today? All druggists have $1.00 bottles. For any stomach, liver or bowel disorder Thedford's Black-Draught should be used.

The Death Penalty.

A little thing sometimes results in death. Thus a mere scratch, insignificant cuts or puny boils have paid the death penalty. It is wise to have Bucklin's Arnica Salve ever handy. It's the best Salve on earth and will prevent fatality, when Burns, Sores, Ulcers and Piles threaten. Only 25c, at Peery's drug store.
