EDITORIAL.

Reports from various sections of the country, from the Atlantic to the Pacific, indicate that may railroads from economical causes, will lay off thousands of workmen. The sudden desire for entrenchment, coming as it does from many systems, would seem to indicate a preconcerted plan. It was announced as a step toward entrenchment and in a measure to recoup losses from the flood, the Erie Railroad officials have decided to cut down their force. Many men are to be discharged from the repair shops and from the maintenance of way crops. The Southern Pacific railroad is to follow the example of the New York Central and curtail expences by laying off employes. The Harriman line is preparing, according to an authoritative report just received in Chicago, to reduce its force by 1200 men immediately. The chief cuts wil be made in the shops, but there wil be economizing all along the line

Tne work of raising the vessels of the Spanish fleet sunk in the harbor of Manila on May 1, 1898, is now ended. The famous flag ship, the Reina Christina, is again a float, and will be used as a collier. The other vessels will be variously utilized. But the singular fact revealed, according to the Manila Sunday Sun, is that "the Spanish ships of war do not bear the mark of an American shell near or below the water line. The Spanish burned and sank their own vessels, and many of them went to death with their ships in preference to bearing the disgrace of the defeat Not only this but the Sun affirms that, in the opinion of Captain Garry "the Spaniards set fire to their own vessels and afterwards scuttled them The American shells did not sink them" Captain Garry is the manager of the American company which is raising the vessels.

The jury in the case of Lieutenant Governor Tillman, charged with the murder of Editor Goezalez, returned a verdict of acquittal Thursday morning. The jury gave their verdict after a deliberation of twenty hours. Tillman was immediately released. He looked haggard and worn and his eyes were blood shot. He met his mother and wife at the hotel and an effecting scene took place. He refused to accept pistols which were offered him when he was released. Tillman has issued a statement regretting the shooting and the death of Gonzalez, and he pleads that the shooting was in self defense.

A Chicago man who claims to be the prophet Elijah this week accomanied by several train loads of followers went from Chicago to N. Y. to secure the conversation of that city. The insane asylum of the county are full of men who have imagined themselves Elijah and other Bible characters, and it is strange that this man has escaped, but he has not only escaped, he has besides accumulated several million dollars ior his immense project of evangelizing the world. That would be a splendid thing, but depend upon it no such character as Dowie, with a head full of wheels, is going to be used for the end desired. In fact he will probably do more harm than good, bringing ridicule instead of commendation.

Ten million stray pieces reached the dead letter office during the past fical year. $50,000 cash and money orders and checks to the value of $1,493,586 were found in the letters.

Wonderful Cures.

Mr. Benight, of Albany and Mr. Cochran, of Brownsville, Speak in High Praise of Dr. Darrin.

Mr. Editor: I am not in the habit of puffing doctors, but my case being so marked and the cure so miraculous, I deem it a duty I owe the public, as well as Dr. Darrin, to state that the Dr. cured me of deafness with eletricity and other methods. Will answer all questions at 105 Pine St., Albany, Or.

G. W. Benight.

Mr. Cochran of Brownsville writes:

To the Editor: I wish to add my testimony to the many under Dr. Darrin's treatment, I have been under his care for some time, and am in a fair way of recovering from effects of stomach and liver troubles. I most emphatiely commend Dr. Darrin. Refer anyone to me at Brownsville, Ore. W. C. Cochran.

Dr. Darrin's terms for treatment are now $5 a week, or in that proportion of time as the case may require except in special cases. The poor treated free exept medicine.
