Shawknit

Hose!

The Question of Dyes

Used by manufacturers of hosiery is of great importance. You should know about it, for cheap dyes are poisonous and are used frequently to make a larger profit at the wearers expense.

We guarantee all dyes used in all Shawknit half-hose for men, and ribbed hose for children, to be the costliest and purest dyes made. Our dyes are chemically tested by our own experts and are positively free from all injurious matter.

Our products are not affected by perspiration, never fade, stain, or run. Our colors will stand acid test—the most absolute test known.

The recorder of Honor lodge, A. O. U. W., of this city, received a check for \$1000 last Saturday in full payment of the beneficiary certificate of the late James E. Clark. Mr. Clark had been dead less than a week when the check reached this lodge. This exceedingly prompt payment.—Lebanon E. A.

A little problem in the Oregonian last week caused a heap of trouble among people foolish enough to be caught. It is about as aggravating as the old 14 15 puzzle, and yet there is nothing serious to it, as will be seen at a glance: "Mary is 24 years old. Mary is twice as old as Ann is now. How old is Ann?" If you are out of a job make your head dizzy over it.

The government, according to a Portland dispatch, has unearthed a gigantic land fraud ring, the headquarters of which are located in San Francisco. The dispatch states that many of the well known lumber men of the Pacific slope are involved and the shaking up of dry bones is promised. The ring has maintained agents in the land offices who have thus been enabled to give the ring advanced information to the detriment of the public, enabling the ring to gather in the best timber lands. It is charged that the ring has even succeeded in bribing state land officials.

The parlors were most beautifully decorated with ferns, autumn leaves and a beautiful variety of flowers. The evening was considered a very pleasant success by all members present.

DOES MANHOOD FAIL?

Albany Herald.

It may sometimes, owing to nervous disorders, but it is hardly ever lost, except in extreme old age. What is called impotency or sexual neurasthenia is merely weakened power. Underneath the ashes the fire remains aglow. It requires a careful scientific treatment to fan it to bright flame of life and energy. For these cases, which have been hitherto the despair of the physicians, nothing equals the application of electricity. If by proper current and exact dosage, in combination with the scientific administration of specific medical remedies, which penetrate the secret ambush of disease, exterminating its root and branch forever. A rejuvenation follows its use. It produces results because it replenishes the vital tonic requisite to the nervous system. According to Dr. Darrin's peculiar and scientific methods of administration, it is a powerful vitalizer, indicated in diseased conditions due to all kinds of excesses.

Dr. Darrin gives free examination to all, and, when necessary gives medicines in connection with electricity. The poor treated free from 10 to 11 daily, except medicine. Those willing to pay 10 to 5; evenings 5 to 8; Sundays, 10 to 3. Errors of youth, blood taint, gleet, impotency, varicocele, and stricture a specialty. All curable chronic or private diseases treated at half his former prices. No case published without permission of the patient. All business relations with Dr. D. strictly confidential. Letters of inquiry answered. Circular question blanks sent free. Dr. Darrin will remain at the Revere Hotel Albany, until Dec. 1, only.

THE DEAF HEAR.

(Portland Free Press)

The lack or loss of one of the five human senses isolates the patient thus afflicted as entirely from the world as if he was banished to a lone island. What gratification can bring us to the society of our best friends and acquaintances if their voices do not reach our ear or if instead of it, we are only conscious of an indistinct murmur? With the loss of hearing all joy and pleasure dies with it in us, most so in the domestic relations and family life. The song of our children sounds from their lips but does not reach our heart, their thanks and prayers are an empty sound. No birds sing in the branches for us; no sound of the whole nature reaches our ear a feeling of sorrow and despair fills our heart. It makes no difference if it is due to an obstinate cold or to other causes.

To give our readers a case, the most convincing because taken from our nearest acquaintances, we refer to Mr. J. J. Kern, who suffered five years ago from a deafness so obstinate that his mind began to suffer. Mr. Kern was at that time editor of the "Nachrichten and Facile Press," and the loss of hearing and the constant noise in his ear proved a great obstacle in his business. Dr. Darrin cured him ten years by clever treatment, and the evil has never returned.

THE BLIND SEE.

To the Editor: For about six years I have had chronic inflammation in my eyes and catarrhal conjunctivitis of the lids. Dr. Darrin has so far restored me that I am confident a few days longer will perfect the cure. I reside in Jefferson and can be seen at any time.

A. G. Porter.

Paralysis and Epileptic Fits.

Mrs. James Pugh, of Shedd, Oregon, writes as follows: "You cured our boy 13 years ago in Portland of facial paralysis and epileptic fits. He is now a strong man. He never had only one fit after you commenced his treatment."

Mr. G. W. Dunlap, of Halsey Oregon says: For over 20 years my wife has had inflamed eyes and granulated lids. Dr. Darrin has cured her.

Hundreds of others might be mentioned who do not wish their names published.

In most cases only one visit is required. Owing to the crows rushing to see the Dr. he will receive from 9 to 12 p. m. Dr. Darrin remains at the Revere House, House Albany, until December 1, only.

A Love Letter.

Would not interest you if you're looking for a guaranteed Salue for Sore Throat or Piles. Otto Dodd, of Ponder, Mo., writes: "I suffered with an ugly sore for a year, but a box of Bucklen's Arnica salve cured me. It's the best salve on earth. 25c at Z. C. Peery's Drug Store."

Lost.

A gold locket containing two pictures. Finder please return to Mrs. W. H. Stam.

An exchange remarks that the President is severely and generally criticised by the press for carrying a pistol. That's hardly fair. We have had three presidents shot down dead. Teddy may need his gun at any moment and he is an expert shot and quick as lightning, it might save his life. A crank once took a crack at president Jackson. 'Old Hickory' beat him to a frazzle with his old hickory walking-stick before they could "pull him off."

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had Consumption in an advanced stage, also used this wonderful medicine and to day she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for coughs and colds. 50c and \$1.00 bottles guaranteed by E. C. Peery. If you want a relief medicine for Liver and Kidney trouble, stomach disorder or general debility, get Electric Bitters. It's guaranteed by E. C. Peery Only 50c.
