We believe in the old saying **Live and let live** so come to the big clearance sale no matter if you buy or not, come and shake hands with your old friends. They will all be there and we also want to become better acquainted with you so we will be able to do more business with you in the future, so come along and we will make it as pleasant for you as possible by having a large talking machine playing all the time during the sale, so if you don't want to buy you can sit down and listen to the music.
