EXPECT BATTLE AT LIAO YANG.

Russians Believe Important Develop-
ments are Impending.

St. Petersburg, June 7.—The gen-
eral public at the Russian capital is
imbued with the belief that impor-
tant military developments are im-
pending at Liao Yang, and that a gen-
eral engagement between Kuropatkin's
and general Kuroki's armies is im-
minent. Although the authorities are
doing nothing to discourage the idea,
the best-informed circles at the
war office do not anticipate a decis-
ive battle immediately, unless brought
on more or less unexpectedly by an
accidental collision between strong
columns, as often happens in war-
fare.

The war office's information does
not indicate that the Japanese have
concentrated for an attack on Gen-
eral Kuropatkin, and it is expected they
are not yet ready to assume the of-
fensive. Nevertheless, it is known
that differences of opinion exist at
the Russian headquarters as to the ad-
visability of taking the aggressive,
and it is believed this matter was the
subject of a conference between the
commander-in-chief and the Viceroy
at Mukden Tuesday.

Kuropatkin's position is becoming
very formidable, both in the number
and character of troops at his dispos-
al. The condition of some of the Si-
berian reserves when called to the
color was not satisfactory and caused
Kuropatkin misgivings, but it is
now reported that they have been
drilled into a state of efficiency.

More important, however, are the
large reinforcements of field artiller-
y, in which the Russian army was
especially weak. These have now ar-
rived. Nevertheless, Kuropatkin does
not consider himself strong enough
to risk the possibility of a defeat
which might be irretrievable and re-
sult in disaster or at least years of
campaigning. His friends praise his
steady conservatism, caution and re-
sult to listen to the counsel of the
hotspur.

Russia CANNOT BELIEVE IT.

Japan Held to Have No Right to Offer
Territory to China.

St. Petersburg, June 7.—The Rus-
sian authorities have not been ad-
vised by M. Lessar, the Russian Mis-
ter to China, of the proposition al-
leged to have been made to China by
Japan to hand over the towns cap-
tured by the Japanese in Manchuria to
the Chinese civil administration, or
even of the refusal of the Pekin gov-
ernment to assign the administration to
a neutral power.

The foreign office cannot believe
such a proposition was submitted,
pointing out that while the war is in
progress the fact that certain terri-
tory is occupied by the Japanese does
not necessarily mean it will remain in
their hands. As a belligerent, Russia
would, of course, refuse to recognize
an agreement which might hamper
her military operations, and she does
not believe the powers would consid-
er even for a moment a proposition of
this character.

At the conclusion of the war, if
Japan is victorious, it is considered
that she herself is under pledge not
to undertake, even temporarily, the
civil administration of Manchuria.

MOHAMMEDANS ARE EXCITED.

Presence of American Ships, However, is
Having Salutary Influence.

Washington, June 7.—Admiral
Chadwick today cabled to the navy
department that the presence of the
American fleet at Tangier has had a
salutary influence, but the communi-
ty is in a state of great religious ex-
citement.

Admiral Chadwick's telegram is un-
derstood to be in reply to certain crit-
icisms, mainly from British sources,
upon the wisdom of sending American
warships to Morocco at this juncture.

The religious excitement men-
tioned as prevailing among the Moors
is believed here to be incident primarily
to one of the annual Mohammedan
pilgrimages occurring at this season.

Undoubtedly, however, the presence
of the seven American warships at
Tangier, with a promise of rein-
forcement if necessary by another
squadron, is regarded as threatening
Mohammedan integrity and the Mo-
hammedan religious and has contributed
to the excitement.

Relief for Fort.

Paris, June 7.—The St. Petersburg
correspondent of the Matin says he
learns from a trustworthy source
that the advance guard of 14,000 men
under General Stakelberg, sent by
General Kuropatkin to the relief of
Port Arthur, has already reached the
entrance to the Liao Tung Peninsula,
and the bulk of the army is following.

The correspondent of the Matin at
Nin Chwang confirms this, stating
that important movements of Rus-
sian troops are proceeding to the
southward of Tachichao toward Kai
Ping.

Predicts Its Early Fall.

Paris, June 7.—The leading mili-
tary authorities here expect the early
fall of Port Arthur, and view this as
a most serious, if not an irreparable,
blow to Russia, the present condition
of Port Arthur being compared to
that of Metz and Sedan during the
Franco-Prussian war. It is pointed
out that General Kuropatkin is mak-
ing the same fatal mistake in regard
to Port Arthur's military ability to
resist that the French made in con-
nection with Metz.

Japanese Not Paying for Supplies.

Liao Yang, June 7.—Merchants
from the south complain that the Ja-
panese are not paying for the supplies
taken by them as they did in the ear-
lier stages of the war, and assert they
are even ill-treated and insulted when
they ask for money. Two Chinese
bandits were executed here today.

REPUBLICANS WIN

ENTIRE STATE TICKET ELECTED BY
A BIG MAJORITY.

Democrats Successful in a Number of
Counties on the Legislative and
County Tickets—Local Option Will Be
Close; Cities Defeat Measure, but
Country Precincts Favor It.

In the election yesterday the re-
turns indicate that the republican
state ticket is elected by a plurality
of 20,000.

In the First Congressional district
Binger Hermann has been re-elected
by 7000 to 8000 plurality. In many
counties he has run ahead of his
ticket. The same is true of Repre-
sentative Williamson, who will be re-
turned to congress by a plurality of
12,000.

Food and Dairy Commissioner J. W.
Bailey, candidate for re-election, made
a strong run, and his plurality will
fill little short of Supreme Judge
Moore's.

The returns are too meager to in-
dicate the success or defeat of the lo-
cal option law, and it will take the
complete count to determine the re-
sult. The measure has a good chance
in the measure, and the country districts in
its favor. The direct primary law has
been ratified by a large majority.

The vote polled was large and will
not fall short of the total registration.

Clackamas County.

Oregon City, June 7.—With no of-
ficial returns at hand the election of
the entire republican ticket is as-
sured. About 85 per cent of the reg-
istered vote was cast. Hermann will
carry the county by probably 750
majority. The republican state and
judicial ticket will be elected by at
least 1000 majority.

Wasco County.

The Dalles, June 7.—Thus far no
complete returns have been received
from any precinct in this county. As
far as can be estimated, from the
meager reports the state officers and
representative Williamson will carry
the county by large pluralities.

Yamhill County.

McMinnville, June 7.—In McMinn-
ville precincts Hermann had a good
margin over eVatch, and for supreme
judge, Moore was in the lead.

Clatsop County.

Astoria, June 7.—Incomplete re-
turns from the city precincts in
the county give Williamson, for
representative, 368, Simons 190,
Moore 357; supreme justice, O'Day
190; food and dairy commissioner,
Bailey 241, Douglas 141.

Marion County.

Salem, June 7.—The election in
Marion county has been a landslide
for the republican ticket and with the
returns yet far from complete it is
apparent that every republican candi-
date has carried the county.

Jackson County.

Ashland, June 7.—The Jackson
county returns are coming in slowly.
At 1 A. M. indications are that the
republican state and congressional
tickets will have a substantial major-
ity. Hermann's plurality is now esti-
mated at 300.

Washington County.

Hillsboro, June 7.—The count in
Washington county is coming in very
slowly. Hillsboro's two precincts give
Hermann 120 to 76 for Yeatch, with
the state ticket about the same. Out
of 225 votes cast in these two pre-
cincts, the local option measure gets
109 "yes" to 113 "no." Indications are
that Hermann will carry the county
by at least 500, and perhaps 700.

Union County.

Union, June 7.—Union county goes
republican by a large majority. The
republican state ticket, from returns
received, will be elected by vote of
considerably over 2 to 1. The vote
on local option is close, with a small
majority probably favorable.

Benton County.

Corvallis, June 7.—The majority for
republican state ticket is estimated at
200. Judge Hamilton, Dem., has car-
ried the county by a plurality of 50 to
75. The democrats elect the treas-
urer.

Wheeler County.

Fossil, June 7.—In Wheeler county,
Moore, for chief justice, and William-
son, for congress, will receive major-
ities estimated at about 200. This ma-
jority will hold good for the entire
state ticket. The republicans elect
all on the legislative ticket.

Polk County.

Eugene, June 7.—Five precincts
outside of Eugene, in Lane county,
give Hermann 230, Yeatch 111, Moore
199, O'Day 62, Hamilton 150, Potter
198. As the count progresses in Eu-
gene, the republicans are gaining rap-
idly. Democrats will elect the sheriff.

Lane County.

Dallas, June 7.—The republican
state and district tickets are safely
elected. Hermann will have at least
200 plurality. Dallas from incomplete
returns gives democratic majorities.
Local option is running well with safe
majority. The count on state sena-
tor is especially close with Lauehery,
the republican nominee, slightly lead-
ing.

Umatilla County.

Pendleton, June 7.—Williamson will
carry this county by a large majority,
as will state and legislative officers.
Williamson is running far ahead of
his ticket. This county ticket will be
mild.

Baker County.

Baker City, June 7.—The returns of
the election in this county are very in-
complete. Indications are that the
republican state and congressional
tickets have a good majority in the
county. Simmons, the democratic

congressional candidate, is running be-
hind his ticket, many democrats not
voting for congressman. The dis-
trict attorneyship in this county is
doubtful.

Gilliam County.

Arlington, June 7.—Gilliam county
will give Williamson, Rep., for rep-
resentative to congress, a majority of
about 200. Moore, for chief justice, is
running ahead of his ticket, and his
majority will probably reach 250.

Morrow County.

Heppner, June 7.—Returns from
seven precincts in Morrow county in-
dicate a very large majority for the
state ticket, with Williamson, Rep.,
for congress, running ahead of his
colleagues.

Klamath County.

Klamath, June 7.—Incomplete re-
turns give Hermann and Moore good
majorities. Benson and Hanna, for
circuit judges, and Laycock, for sen-
ator, are sure of election. Moore,
Dem., will probably have a majority
for district attorney. For joint rep-
resentative, Stetler, Rep., and Grif-
fith, Dem., will receive majorities.

Crook County.

Prineville, June 7.—The entire re-
publican state ticket has a plurality
in Crook county, ranging from 150 to
300. The vote on the county ticket is
close and divided. On the local op-
tion law a light vote was polled, and
the measure will be defeated by 150
in this county. The direct primary
law will have a majority of 200.

Coos County.

Marshfield, June 7.—The entire re-
publican ticket in Coos county is
elected. Returns from Curry are very
indefinite. Binger Hermann will have
the largest plurality ever given in
Coos county. Indications are that
Coke, Rep., for joint senator of Coos
and Curry, is elected.

Linn County.

Albany, June 7.—The county is pro-
ceeding very slowly, the split up tick-
ets making the work difficult. Re-
turns from the Albany precincts at
midnight show: Hermann 76, Yeatch
33, Moore 73, O'Day 35, McNary 73,
Whitney 57, Burnett 83, Eddy 67,
Boise 35, Galloway 54.

Columbia County.

St. Helens, June 7.—Returns indi-
cate that Mayer, republican, is un-
doubtedly elected representative. The
county judge and county clerk are in
danger, but it is thought the republi-
cans will pull through. The congres-
sional and district tickets are over-
whelmingly republican.

Sherman County.

More, June 7.—All indications point
to the election of the entire republi-
can ticket by a plurality of 300 votes.
It is estimated that Williamson, for
representative has carried the county
by 350.

Josephine County.

Grants Pass, June 7.—Josephine
county indicates a republican victory,
except for representative and treasur-
er. Hermann has a good chance and the
republican state ticket also.

Douglas County.

Roseburg, June 7.—In four Rose-
burg precincts 1138 votes were cast,
against 1900 two years ago. Hermann
carries the county by over 400, and
Judge Mamliton, democratic, by 500.
The republican state ticket is elected
by over 500.

Multnomah County.

Portland, June 7.—The republicans
carried the county by an unprecedent-
ed majority on the state and congres-
sional tickets, and by a very heavy
vote on the legislative, judicial and
county tickets, with the exception of
three. The democrats have elected
the sheriff and district attorney and
one independent republican state sena-
tor is elected. Williamson's plural-
ity will be 7,500. Local option will
be defeated by 2,000.

Brake Falls on Hill.

Burlington, Iowa, June 8.—A well-
filled street car rushed down Valley
Hill street today and was wrecked
against a tree. Many of the passen-
gers were injured. Mrs. Joseph Kehs
was killed and 16 were badly injured.
Several suffered broken arms and
legs, and many were badly cut about
the head and shoulders. The break-
beam on the open electric car broke
just as the car began the descent.
The car dashed down the long incline
at a frightful speed and the injured
were strewn on both sides of the track
down the entire length of the hill.

Anxiety Felt in Spain.

Madrid, June 8.—The newspapers
are anxiously discussing the Morocco
question. The Epoch thinks the pre-
cipitation in sending a fleet to the
Morocco coast gives force to the re-
port that the United States had asked
the Sultan of Morocco for a port on
the west coast. La Correspondencia
de Espana gives a rumor that an ex-
change of notes is taking place among
the European chancelleries with a
view to obtaining assurance that
American action will be confined
strictly to measures for securing the
liberation of the captives.

Fourteen Known to Be Dead.

Peoria, Ill., June 8.—Instead of nine,
as first reported, it is now known that
14 men lost their lives in the fire and
explosion at the Corning distillery Sat-
urday. Eight bodies were recovered
from the ruins today, four of which
were identified. Of the eight bodies
taken from the ruins, four were re-
cognized immediately by means of
particles of clothing, knives, and other
pieces of metal. The search is being
continued, the fire having been extin-
guished and the workmen being able
to handle the debris.

Repelled With Loss.
