THE OLD CHESTNUT TREE

Love for Familiar Things of Nature Shows Culture of the Genuine Sort. woman whose busy life is lived in a large city returned to her old home the other day for a visit. All the oldtime neighbors came to see her, and the weeks were crowded with the pleasure of revived memories. Of one of these memories she wrote afterward to a friend:

"But the pleasantest appointment I kept was with the big old chestnuttree on the path to school. The leaves were deep on the ground underneath and I pushed about through them just as we used to do twenty years ago, and thought of the many boys and He-Miss DeJones, Clars, I never girls who had got nuts there on the loved any one but you. Will you be my way to and from school. I picked up way to and from school. I picked up my hatful of big glossy nuts myself. posed to four other girls within a month. and managed to rub two holes through He-True, darling; but I did it merely the patent leather tips of my secondfor practice, so I wouldn't blunder in best shoes. But the nuts were worth it. I don't know when I've been so

> "I came away with a new purpose to live for. I'm going to own that tree! It won't cost much, for the land there isn't worth anything, and what joy it will be to me in my city days to think that I have saved the old tree so __ also from it as I used to do so many leled performance in economy.
