It calls for a likeness of Lewis on one side, encircled by the words "United States of America, One Dollar," while a portrait of Clark will appear on the other side, with the words "Lewis and Clark Exposition, Portland, Oregon."

**Committed Suicide.**

John A. Rotan, for many years a prominent furniture dealer in Salem, committed suicide by jumping from the Willamette river bridge on Monday. His hat was identified by his family and a note was found in his store building bidding his family goodbye and begging their forgiveness. Despondency over long continued illness and approaching blindness was the cause of the act.

**20 Years for 10 Cents.**

Mr. Richardson is re-arranging and remodeling the place and will increase the stock.—Grant's Pass Courier.

**Important Notice.**

Telephone patrons have been caused considerable annoyance of late by people calling them up and asking them to call their people to the phone for them. This practice should be discontinued and the central office will promptly disconnect all such calls. If you wish an outsider to come to the phone, put in your call at the central office, as the subscribers do not want to be bothered running after people who have no phone.

The Banner Mill Company's mill near Lacombe burned down one night last week. The fire also destroyed several acres of timber, and for three or four days and nights residents of that section were fighting the flames.

A disagreeable printing transaction: the Lebanon Advertiser when it advertises to print envelopes for 20 cts a hundred. The work done for such a price would probably send a printer to the woods. No printer with the least pride in the art would print envelopes for 20 cts per 100, and the Advertiser is either hard up for work or his printing is ferocious. Better new wood.

Safeguard the Children.

Notwithstanding all that is done by boards of health and charitably inclined persons, the death rate among small children is very high during the hot weather of the summer months in the larger cities. There is probably one case of bowel complaint in a hundred, however, that could be cured by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by all dealers.

Mrs. A. G. Prill was an Albany visitor between trains Tuesday.

Cured of Chronic Diarrhoea After Ten Years of Suffering.

"I wish to say a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mrs. Mattie Burge, of Martinsville, Va. "I suffered from chronic diarrhoea for ten years and during that time tried various medicines without obtaining any permanent relief. Last summer one of my children was taken with cholera morbus, and I procured a bottle of this remedy. Only two doses were required to give her entire relief. I then decided to try the medicine myself, and did not use all of one bottle before I was well and I have never since been troubled with that complaint. One cannot say too much in favor of this wonderful medicine." For sale by all dealers.
