LARGEST EVER

Roosevelt's Plurality Unprecedented.

OVER A MILLION

Even the "Solid South" Has
Been Broken.

MEAD CARRIES IN WASHINGTON

Oregon's Plurality Passes 40,000

Mark—Idaho Gives Roosevelt
About 25,000 Plurality.

New York Nov. 10.—Returns show a steadily increasing Republican plurality and it now seems probable that Roosevelt's plurality in the popular vote will be, in round numbers, 2,000,000.

The nearest approach to this vote was in 1896, when McKinley received a plurality of approximately 850,000, and in 1872, when Grant received 991,991.

The interest now centers in Missouri and Maryland. Late election returns indicate that the former state is in the Republican column so far as presidential electors are concerned, but that Joseph W. Folk, the Democratic candidate, has been elected governor.

In Maryland the presidential vote will probably be cast for Roosevelt. Late returns tonight indicate that Thomas A. Smith has been elected to congress by the Democrats in the First district.

Oregon.
Portland, Nov. 9.—Election returns in Oregon indicate that the Republican plurality will reach perhaps 43,000. Complete returns are not yet available. The total vote for president will fall a little short of that for supreme judge last June, when 93,000 ballots were cast for the four candidates of that election. The number of votes in that election was nearly 100,000, and the number of voters cast last Tuesday seems to be about 10 per cent short of that polled in the last state election.

Seven counties have adopted prohibition—Gilliam, Yamhill, Jackson, Benton, Tillamook, Coos and Curry. Sixteen counties have rejected prohibition—Clackamas, Columbia, Douglas, Grant, Lane, Lincoln, Linn, Malheur, Marion, Morrow, Multnomah, Sherman, Umatilla, Union, Wasco and Washington.

Lincoln was thought to have gone "dry" early in the count, but pulled out against prohibition by a narrow margin. In Linn the vote was very close, prohibition being defeated by 96 votes. Twelve precincts, however, voted "dry" in the county, including Halsey, Sheild, Tangent, South Lebanon, South Bonneville, Jackson has adopted prohibition, and the "wet" majorities of Medford, Jacksonville and Gold Hill are therefore unavailing.

Gilliam is a prohibition county by 34 majority. All precincts in Washington county have rejected prohibition. Two precincts in Clackamas voted "dry"—Garfield and Viola; likewise 13 precincts in Douglas, four in Union, two in Wheeler, four in Multnomah, four in Malheur, six in Umatilla, one in Clatsop, six in Marion, three in Wasco, two in Sherman. In Lane county Junction City adopted prohibition.

Indiana.
Indianapolis, Ind., Nov. 10.—Secretary Sims, of the Republican state central committee, said today that from unofficial reports from 80 of the 92 counties (the state having 92 counties) ticket had received a plurality of 74,000 in Indiana.

Massachusetts.
Boston, Nov. 9.—Complete returns from the state give Roosevelt 254,552; Parker 165,273; Roosevelt's plurality 88,279. For governor: Douglas, Dem., 284,311; Bates, Rep., 198,601; Douglas' majority, 85,710.

South Dakota.
Sioux Falls, S. D., Nov. 9.—Chairman Martin, of the Democratic state central committee, has issued a statement in which he concedes Roosevelt polled 60,000 votes, Parker 30,000 and Watson 15,000.

North Dakota.
Grand Forks, N. D., Nov. 9.—Roosevelt carried North Dakota by from 20,000 to 25,000. This is the largest increase over 60 per cent from McKinley's majority. The state ticket is elected by probably 4,000 less.

Kentucky.
Louisville, Ky., Nov. 9.—The Republicans at this time concede the Democratic nearly everywhere.

Nebraska.
Omaha, Nov. 9.—At midnight the indications are that Roosevelt has carried Nebraska by a plurality of 35,000 to 40,000. The Republicans have elected congressmen in the First, Fourth, Fifth and Sixth districts. The second and third are in doubt.

Washington.
Seattle, Wash., Nov. 10.—King county gives Roosevelt a plurality of 15,000; Mead carries this county by 7,000. Pierce goes Republican on national issues by 7,500, and gives Mead 1,750. Spokane is more than 4,500 strong for Roosevelt, though Turner carries the county by less than half its estimated plurality.

The state of Washington placed no limit on its Roosevelt vote. Three fourths of the voters who cast ballots for him might have stayed at home and still he would have carried the state. Though the state count is still incomplete and inaccurate, it is evident the Roosevelt electors have a plurality over Parker of 70,000 or better.

This is 30,000 stronger than the widest Republican estimates made it before election, and as much better than the first returns indicated. The state was practically unanimous, for the sparse 24,000 Parker votes out of a total that will exceed when off-party totals are finished 125,000 is not to be seriously considered.

Idaho.
Boise, Idaho, Nov. 10.—Returns from the Idaho election have come in more slowly than any previous time in the history of the state. Those engaged in gathering figures complained that judges and clerks thought there was no further interest in it and sealed up returns without taking copies or giving anyone else opportunity to do so.

So far 54,099 votes to the Republican and Democratic candidates for president have been heard from and 53,181 on governor. Of the presidential vote, Roosevelt has 38,782 and Parker 15,317. Roosevelt's majority is 23,475 and his percentage of vote is 72. Gooding has 34,744 votes and Heitfeld 18,437. Gooding's majority is 16,307, and his percentage 63.

The vote this year has fallen far below the registration. The latter was about 80,000. Two years ago the Republican and Democratic vote on governor was 57,895. As nearly as can be ascertained there is an increase of 12 per cent on Democratic and Republican presidential votes. This would indicate a total of 64,000 for Roosevelt and Parker in the state. If Roosevelt's percentage of 72 be carried through he will lead Parker by 28,500, while Gooding's lead over Heitfeld would be 19,000.

The Democrats elect four members of the legislature—a senator from Custer, a senator and representative from Elmore and a representative from Lemhi.

Maryland.
Baltimore, Md., Nov. 10.—The official returns received here up to a late hour tonight indicate that the plurality for the presidential candidates last Tuesday was very close, possibly only 100 on either side. It is probable that Secretary of State Tilden will be called upon to decide which of the electors will be entitled to cast their votes in Washington. From the official returns thus far received the indications are that the Republicans have elected seven and the Democrats one of the electors of the state. Returns received from 11 counties of the state give the Republican electors a plurality of 174.

Until the canvassing boards of the several counties and of Baltimore city shall have examined and counted the ballots, it will be impossible to say which of the presidential candidates will receive Maryland's electoral vote. There is no change in the congressional situation, the Democrats and Republicans each having elected three members of the next house of representatives.

California.
San Francisco, Nov. 10.—The few additional unofficial returns received today from various points in California do not affect the results already announced. The official count will be required to determine the exact figures, but it is evident that Roosevelt's plurality in the state will approximate 115,000. The legislature, which elects a United States senator, will have 103 Republican members to 17 Democrats and Labor Unionists.

Utah.
Salt Lake City, Nov. 10.—Additional returns from Tuesday's election, covering every county in the state, have increased the majority for Roosevelt so tremendously that it is probable it will not run short of 27,000. Parker had a plurality in only one county. In Salt Lake county, out of a total of about 31,000 votes, Roosevelt received 20,100, and Parker 8,100.

Louisiana.
New Orleans, Nov. 9.—The Democrats have carried Louisiana for Parker by a majority of probably 35,000.

Alabama.
Montgomery, Ala., Nov. 9.—The Democratic ticket carried with the usual majorities, electing everything.

Florida.
Jacksonville, Fla., Nov. 9.—The usual Democratic majorities in Florida are indicated. The Democratic candidates for congress are all elected.

Maine.
Portland, Maine, Nov. 9.—With a slightly decreased vote Maine today gave the usual Republican majorities. Democrats showed less interest than Republicans and many did not vote.

Connecticut.
New Haven, Conn., Nov. 9.—Complete returns from the state give Roosevelt 111,330; Parker 72,167. For governor: Roberts, Rep., 104,763; Robertson, Dem., 78,187.

Nevada.
Reno, Nev., Nov. 10.—There are still about 70 precincts to hear from in this state. A conservative estimate places Roosevelt's plurality at between 2,500 and 3,000. Yerington, Rep., is elected over Van Duser, Dem., by about 100. Nixon, Rep., for senator, will control the legislature by about three votes.

Ohio.
Columbus, O., Nov. 10.—Nearly complete returns tonight show close to 250,000 plurality for Roosevelt and Fairbanks electors. Only 18 out of the 88 counties in the state have been carried for Parker and only one Democratic congressman has been elected out of 21. State Chairman Harvey Garber, the Democratic candidate in the Fourth district, has a Democratic plurality in a district normally 6,000 Democratic.

Colorado.
Denver, Nov. 10.—D. B. Fairley, Republican state chairman, today abandoned his claim that Governor J. H. Peabody had been re-elected, and the governor himself conceded his defeat. Adams' majority over Peabody in the city and county of Denver is 5,070, and in the entire state about 5,500.

Pennsylvania.
Philadelphia, Pa., Nov. 10.—Complete but unofficial figures received by the Associated Press from every county in the state, with the exception of Allegheny, in which Pittsburgh is situated, but from where a close estimate has been obtained, shows that President Roosevelt's plurality in Pennsylvania has reached 494,952, probably the largest plurality ever given a presidential candidate by any state in the political history of the country.

West Virginia.
Parksburg, W. Va., Nov. 10.—The official returns for West Virginia are not yet in, but from returns received Roosevelt's plurality in the state is placed at 25,000 to 30,000. The Republican state committee claims the election of W. G. Dawson, Rep., for governor, by about 9,000 plurality. The Democratic state committee concedes his election by about 5,000.

Missouri.
St. Louis, Nov. 10.—With seven counties still to be heard from the returns show that Roosevelt's plurality in Missouri stood at 15,755. Of the 116 counties, 61 were carried for Roosevelt by Bryan in 1900. They are remote and sparsely settled. With complete returns from 96 counties out of 114 at hand, the entire Republican state ticket, with the exception of governor, has been elected by pluralities of 350 to 15,000.

Minnesota.
St. Paul, Nov. 10.—Incomplete returns from all counties in Minnesota show that Johnson, Dem., was elected governor by a majority of 13,000. Returns received here today show that the next Minnesota house of representatives will have 107 Republicans and 12 Democrats.

Montana.
Butte, Mont., Nov. 10.—The returns from Tuesday's election thus far received seem to give the Republicans the best of it in the next legislature. The house, it is figured on actual returns, will be Republican 37, Democrats 31, doubtful 4. The senate from present indications will be 13 Republicans, 10 Democrats and 1 doubtful. A Republican legislature insures the return of ex-senator Thomas H. Carter to the United States.

New York.
New York, Nov. 9.—Returns from the whole state show that Roosevelt has 174,000 plurality and that Higgins for governor has 80,000. The legislature will have 102 Republicans out of 150, and 35 Republican senators out of 60.

Parker carried Greater New York, with one election district missing, by 35,999. Brooklyn was carried by Roosevelt by 1,980. Herriek carried Greater New York, with one election district missing, by 80,625, and Brooklyn by 5,404.

Iowa.
Des Moines, Nov. 11.—Complete unofficial returns from every county in the state were received by the state auditor today. The vote on presidential electors was: Roosevelt, Rep., 331,570; Parker, Dem., 165,589; Debs, Soc., 78,342; Swallow, Prohi., 7,285; Watson, Pop., 1,791. These are the figures that will be canvassed by the board in December.

Texas.
Austin, Tex., Nov. 9.—Nearly complete returns show that the vote cast will hardly exceed 375,000, of which 250,000 were cast for Parker, 60,000 for Roosevelt and the remainder scattered.

Wisconsin.
Milwaukee, Nov. 9.—It is generally conceded that Roosevelt has carried Wisconsin by 60,000. Both Republican and Democratic state chairmen claim the state respectively for La Follette and Peck.

Vermont.
White River Junction, Vt., Nov. 9.—Complete returns from Vermont: Roosevelt 40,991; Parker 9,881; Roosevelt's plurality 30,510.

Kansas.
Topeka, Kan., Nov. 9.—At 12:30 a. m. Chairman Stubbs, of the Republican State committee, claimed the election of Hoch for governor by a plurality of 50,000. Roosevelt's plurality will be close to 100,000.

Rhode Island.
Providence, R. I., Nov. 9.—Complete returns from Rhode Island for president give: Roosevelt 40,898; Parker 2,924; Roosevelt's plurality 15,974. Utter, Rep., will be elected governor by less than 5,000 plurality. The legislature is overwhelmingly Republican.

Wyoming.
Cheyenne, Wyo., Nov. 9.—Roosevelt has carried Wyoming by 7,500 to 8,000. Brooks, Republican, has been elected governor by over 4,000 over Osborne, Democratic.

New Jersey.
Newark, N. J., Nov. 9.—New Jersey was carried by the Republicans by a bigger majority than ever the most sanguine of the Republican predictions. The state gave in the neighborhood of 60,000 for Roosevelt.

Virginia.
Richmond, Va., Nov. 9.—The state has gone about the usual number Democratic.

Mississippi.
Jackson, Miss., Nov. 9.—The Democratic plurality is unusually large in Mississippi, having reached the total of about 50,000. All Democratic congressmen are elected.

Michigan.
Detroit, Nov. 9.—Michigan today was the scene of a veritable landslide. Roosevelt and Fairbanks have carried the state by an unprecedented majority variously estimated at from 100,000 to 150,000. Frederick Warner for governor and the Republican state ticket are elected.

Georgia.
Savannah, Ga., Nov. 9.—This state will send all 13 Democratic electors to the college to name the president.

Delaware.
Wilmington, Del., Nov. 9.—Roosevelt has carried Delaware by about 2,500. The Republicans claim that they will have 40 of the 52 members of the legislature on joint ballot.

Tennessee.
Nashville, Tenn., Nov. 9.—Both Democrats and Republicans are claiming the state. Returns indicate a majority of 15,000 votes for the Democratic national ticket, and perhaps 5,000 less for Frazier, Democratic candidate for governor.

North Carolina.
Charlotte, N. C., Nov. 9.—The count is proceeding slowly. Republicans concede Parker a good majority.

New Hampshire.
New Hampshire has been carried overwhelmingly by the Republicans.

South Carolina.
Columbia, S. C., Nov. 9.—Parker has carried South Carolina by not less than 40,000 plurality. The Democratic state ticket has been elected without opposition.

Illinois.
Chicago, Nov. 9.—The indications, based on the returns received, are that the Republican national ticket has carried Illinois by about 150,000. The Democrats declare that the figures were exaggerated, but admit that Roosevelt will have a plurality not far from 100,000.

Arkansas.
Little Rock, Ark., Nov. 9.—This state is carried by Parker by a slightly increased majority over the last general election.

FIRE CAUSES PANIC IN HOTEL.
Smoke From Great Blaze Near by Causes Guests to Flee.

Chicago, Nov. 15.—The large five-story stone building at the northeast corner of Madison street and Wabash street, occupied for the most part by Browning, King & Co., clothiers, was destroyed by fire tonight. It is estimated that the loss on the building and contents will aggregate \$200,000. The direct cause of the fire is not known, but several explanations were heard before the flames were seen. The blaze spread through the building with great rapidity, and by the time the fire department was able to work there was small chance of saving the building or any of its contents.

A panic was caused in the Continental hotel on the south side of Madison street, across from the burning building, and for a time flames seriously threatened this structure. The tenants of the building, all of whom suffered total losses, were:

Browning, King & Co., Chicago Millinery Co., Chicago Feather Dye Co. and the Kennedy Furniture Co.

Warships Out of Commission.
Washington, Nov. 15.—Owing to the lack of officers and enlisted men in the navy to meet the actual needs of the service, it has been found necessary for the navy department to order at least three warships out of commission in order to man warships which have just been completed and are now awaiting commission. The three vessels to be put out of commission will be selected from the following five: The cruisers Atlanta, Cassin and Marietta of the South Atlantic squadron and the gunboats Newport and Bancroft.

SEVERE STORM

Snow and Rain Aid in Work of Destruction.

TIE-UP OVER ATLANTIC COAST

New York Reports Conditions Worst Since the Memorable Snow Storm of 1855.

New York, Nov. 16.—The storm which swept up through the Atlantic states from the gulf yesterday and last night, developing into a gale of hurricane force as it moved up, resulted in the most complete tie-up of wire communication that the East has experienced since the memorable snow storm of 1888, disarranged train schedules, paralyzed trolley lines and piled up several wrecks along the coast. A downpour of rain and heavy snow which accompanied the storm added to the destructive force of the gale. Many telephone and telegraph poles were borne down by the weight of the wind, while snow and ice caused hundreds of wires to give way, cutting off whole sections of the country. Both the telegraph companies and the telephone companies with the long distance wires today reported their state of operation restricted to the territory bounded on the west by Philadelphia, on the east by Boston and on the north by Newburg, N. Y. The big brokerage concerns in Wall street, many of whom, under nominal conditions, operate thousands of miles of wire, today found themselves practically helpless. The exchanges were no more fortunate and the only quotations received from Chicago and New Orleans were the market reports of the Associated Press. These quotations, brought over the Associated Press wires, were the only figures obtained in this city from the cotton and grain centers of the north and west.

BOLD PLOT FAILS.
Army of Panama Republic All Ready to Rebel.

Panama, Nov. 16.—Prompt action on the part of the American charge d'affaires, Lee, averted a rebellion on the part of the Panama army early this morning. At midnight Mr. Lee received word from President Amador that rumors of a plot to kidnap him, the secretary of war and the secretary of state had reached the president, and that the latter believed Commander in Chief Huertas to be the instigator of the plot. General Huertas has been called to the United States to obtain government patronage for his friends.

Mr. Lee took the bull by the horns and sent a polite, but very firm note to General Huertas, informing him of the reports, and expressing the hope that, in view of the pleasant relations existing between the United States and Panama, he would do all in his power to prevent any action which might mar the good feeling and tarnish his splendid military record. Besides, Mr. Lee added, the United States gunboat Bennington was due in a few hours. This note had the desired effect, and nothing out of the ordinary occurred.

MINES ADOPT EIGHT-HOUR DAY.
Telluride Plants are Not Likely to Discriminate Against Union Men.

Denver, Nov. 16.—Notices were posted in the mills of the five big mines of the Telluride district tonight that in the future the eight-hour day would prevail in the mills. The plants concerned are those of the Smuggler, Union, Liberty Bell, Tomboy, Nellie and Alta.

It was the demand for this concession in the mills of the state that precipitated the strike in the mills and mines of Colorado and caused the bitter state between the unionists and mineowners in the Telluride and Cripple Creek districts. The minimum wage promised under the new arrangement is \$3 per day. At one time the Western Federation of Miners offered to accept \$2.75 for an eight-hour day.

While no authorized announcement to that effect has yet been made, the general opinion prevails that under the new order of discrimination will be made against the employment of union men.

Await Fall of Port Arthur.
Berlin, Nov. 16.—Colonel Gaidke, the Tagelblatt's military correspondent in the Far East, in a dispatch from Mukden, November 14, says: "The situation is unchanged. A decisive battle is improbable before spring. The Japanese will not attack until several weeks after the fall of Port Arthur, and the Russians are awaiting such an overwhelming superiority in numbers as to leave the question of victory beyond doubt. The Russians are constantly receiving reinforcements, and the troops are in good spirit."

Will Double-Track Siberian Road.
St. Petersburg, Nov. 16.—The official announcement that the emperor has approved the plan for double tracking the Siberian railroad, and that \$5,000,000 has been assigned for the beginning of the project, is received with the heartiest approval by the press of this city. The theory is expressed that the work will be begun immediately and pushed to a rapid conclusion as one of the surest means of ending the war.

On a Gold Basis.
Pekin, Nov. 16.—The Chinese government has undertaken in return for certain concessions as to remission and calculation of interest to pay the whole of the national indemnity of 1901 on a gold basis.
