Fred Bilyeu's property in the South part of town has lately been thoroughly repainted. Ed. Balschweid was the artist and he apparently has done his work well. If a number more of Scio property owners would follow Mr. Bilyeu's example, they would add much to the appearance of our town.

All of these last mentioned gentlemen are progressive, up-to-date farmers and if elected will make excellent representatives. Both candidates for State Senator are pill experts and generally well known throughout the county.

MEMORIAL EXERCISES.

Wednesday afternoon the local organization of the W. C. T. U., of this city, held memorial exercises in honor of the late Susan B. Anthony; also gave a farewell reception to the families of F. J. Irvin, L. L. Calavan and G. W. Morrow, who will remove to other localities this week.

After the rendering of a program consisting of the reading of a Psalm, prayer by Rev. Richmond, musical numbers and readings commemorative of Miss Anthony's life and works, the following resolutions were adopted:

WHEREAS, it has pleased God, in his infinite wisdom, to remove our beloved leader, Miss Susan B. Anthony, from our ranks that her last prayer for the enfranchisement of the women should be heart searching and WHEREAS, she helped to lay the foundation more than three decades ago for the equal rights of women;

Resolved that this meeting shall not be our only tribute to her memory and the work of her noble life

Resolved, that we appreciate the wonderful work she has performed for the freedom of women.

Resolved that all Oregon shall help to answer her last prayer for justice to Oregon women, set June 4 to answer her last appeal, as a woman helped to give us Oregon Resolved that we do all we can to help to make freedom for women the chief corner stone of her monument.

THE ROARING RIVER TROUBLE.

Last week we noted the dynamiting of a mill dam on Roaring river. This dam, we believe, is now being replaced.

So far as we have been able to learn the controversy is about as follows:

Mr. Turnidge, the Crabtree merchant, is attempting to secure a proprietary right over Crabtree creek for the purpose of floating logs, ties, wood, etc. The owners of the creek, some 15 to 20 people, are willing that he may use the creek for that purpose, but seriously object to giving him the exclusive right and control of the stream. We believe the matter has now been taken to the courts for adjudication. The courts will be apt to make quick work with the proposition, for the idea of taking A's property and giving it to B, without compensation, ought not to have any standing at all in any court. But, then, we will see what we will see.

Railroad Company Is Culpable.

M. V. Bilyeu returned Monday from Rockland, California, where he went to attend the funeral of his son-in-law, Frank Doran, who was blown up in the explosion of the boiler of the locomotive he was driving. From what Mr. Bilyeu states the railroad company is responsible for Mr. Duran's death. The engine that exploded was reported to be a new engine. Mr. Bilyeu states that it was an old engine worked over, and the boiler especially in bad condition. He states that Doran was blown over a hill and fully 100 yards from where the engine exploded. The dead man's watch was lost when the accident occurred and had been searched for extensively before Mr. Bilyeu's arrival. After the burial he; accompanied by others, visited the scene of the disaster and made a systematic search for the watch, and found it. The watch had continued to run till it run down, and when rewound commenced clicking away apparently uninjured. Mrs. Doran, who is left well provided for, will visit Scio in a short time.

A Pleasant Social Event.

A very pleasant social event of last week was a party given by Miss Grace Gill at her home in this city last Thursday evening in honor of Miss Ivy Stevenson teacher of the primary grades in the public schools. Other games were indulged in until 11 o'clock, when an elegant lunch was served by the hostess. After the lunch those present joined in the singing of college songs until a late hour when the company dispersed, voting Miss Grace an adept in the art of entertaining. Those present were; Misses Ivy Stevenson, Rebecca Crooks, Agnes Cain, Sylvia Munkers, Winnifred Munkers, Claudia McKnight, Anna Baker; and Messrs. H. O. Anderson, Roger Cain, Cland Peery, Frank Cary, Henry Myer, Byron Gill and Charles Wesely.

A pleasant party was given last Saturday evening at the home of Mr. and Mrs. H. D. Landon, in this city, by their daughters, Misses Lottie and Inez. Hello! Vetch Seed.

I still have a fine lot of vetch seed, clean and nice to mix one bushel with two of Spring oats, of which mixture sow two bushels to the acre, any time up to the first of June, and a good crop is assured. Clean seed is worth $2.50 per 100 lbs. This amount is sufficient, mixed as above, to seed three acres. Per measured bushel, $1.25, clear of all foul seeds. Sample of seed at Wesely & Cain's store. S. A Trite Saying.

It is a trite saying that no man is stronger than his stomach. Dr. Pierce's Golden Medical Discovery strengthens the stomach—puts it in shape to make pure, rich blood—helps the liver and kidneys to expel the poisons from the body and thus cures both liver and kidney troubles. If you take this natural blood purifier and tonic, you will assist your system in manufacturing each day a pint of rich, red blood, that is invigorating to the brain and nerves. The weak, nervous, run down, debilitated condition which so many people suffer from, is usually the effect of poisons in the blood; it is often indicated by pimples or boils appearing on the skin, the face becomes thin and the feelings "blue." Dr. Pierce's "Discovery" cures all kind of humors as well as being a tonic that makes one vigorous, strong and forceful. It is the only medicine put up for sale through druggists for like purposes that contains neither alcohol nor harmful habit-forming drugs, and the only one, every ingredient of which has the professional endorsement of the leading medical writers of this country. Some of these endorsements are published in a little book of extracts from standard medical works and will be sent to any address free, on receipt of request therefor by letter or postal card, addressed to Dr. R. V. Pierce, Buffalo, N. Y. It tells just what Dr. Pierce's medicines are made of.

The "Words of Praise" for the several ingredients of which Dr. Pierce's medicines are composed, by leaders in all the several schools of medical practice, and recommending them for the cure of the diseases for which the "Golden Medical Discovery" is advised, should have far more weight with the sick and afflicted than any amount of the so-called "testimonials" so conspicuously flaunted before the public by those who are afraid to let the ingredients of which their medicines are composed be known. Bear in mind that the "Golden Medical Discovery" has THE BADGE OF HONESTY on every bottle wrapper, in a full list of its ingredients.

Dr. Pierce's Pleasant Pellets cure constipation, invigorate the liver and regulate stomach and bowels.

Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps. Address Dr. Pierce as above.
