## BIALYSTOK SCENES

Horrible Details of Butchery of  
Jews Given Out.

St. Petersburg, June 19.—The en-  
gorgement on news from Bialystok was lifted  
today, and the Associated Press staff  
correspondent was for the first time allowed  
to telegraph directly from the scene of  
the carnage and desolation left in the wake  
of the mob. According to frequent tele-  
grams, order was restored this morning.

## CRYING FOR HARVESTERS.

Unemployed Men for Kansas Grain  
Fields Hard to Find.

Topeka, Kan., June 19.—Kansas is  
sending out the strongest appeal of her  
history for men to work in the harvest  
fields. The difficulties of the last few  
years getting help to gather the wheat  
before it becomes dead ripe and scatters  
in the gathering will be intensified this  
year if the advance signs are taken of  
what is to come.

## CHANGE CRIMINAL LAWS.

Attorney General Crawford Would  
Remedy Many Defects.

Salem—Attorney General Crawford  
has started a movement for the revision  
of the criminal laws of the state by re-  
moving defects and enacting new laws  
so that the guilty shall not escape upon  
technicalities. He has addressed a let-  
ter to each of the prosecuting attorneys  
of the state, asking them to submit to  
him such recommendations upon the  
need of criminal legislation as they  
may think best, and he will lay the  
whole matter before the judiciary com-  
mittee of the next legislature.

## WILL SHIP 40'

Bountiful Yields For  
Orchards Is

La Grande—It is a  
principal fruit growers  
valley that the output  
this year will be 400 car-  
loads on apples, which  
crop, is 314 cars; pru-  
pears, peaches, plums and  
cherries. These figures are com-  
parable, as there was but little va-  
riation in the different estimates given  
estimates on prunes all agreed  
forecast is made on the expected  
continuation of the present  
conditions, which could hardly be  
proved upon; the fruit is set on  
trees as full as it can be to give  
class quality.

## PRELUDE TO GENERAL ATTACK.

Massacre at Bialystok Will Be Imi-  
tated in Other Cities.

Berlin, June 18.—"We have every  
reason to believe that the massacre  
of Jews at Bialystok is a rehearsal for  
a wholesale repetition of the atrocities of  
last October," said Dr. Paul Nathans,  
president of the Central Jewish Relief  
League of Germany. "Our information  
indicates that the Bialystok massacre  
is the same sort of officially inspired  
counter-revolutionary outbreak as was  
that at Odessa. We have learned pos-  
itively that the government's allegation  
that the trouble began in consequence  
of the bomb being thrown at a Chris-  
tian religious procession by Jews is a  
ridiculous falsehood. Bialystok is still  
in the hands of the drunken Cossacks,  
who are determined that no Jews shall  
be allowed to escape or go unrobbed."

## DISAGREE ON PIPE LINES.

Rate Bill Confers Thrash Over Old

Washington, June 18.—In the ab-  
sence of Representative Sherman, of  
New York, who was out of the city,  
the conference on the railroad rate bill  
were in session less than an hour today,  
and reached no decision on any subject.  
The pipe line amendment was dis-  
cussed, Senators Elkins and Tillman  
opposing any change in the provision  
making them common carriers and con-  
tending that most of the companies  
that have protested the amendment are  
subordinate companies of the Standard  
Oil company.
