Some men's idea of economy is to spend less money for some other necessity and more for clothes.

Because of the methods, organization and immensity of the tailor shops that the clothes we measure men for come from no stinting is necessary to obtain here a suit or overcoat of as good value as the local tailor can give you for 100% more.

And every garment made strictly to each man's measure—to modify every abnormality—to build up every shortcoming.

SAINT MARY'S HOSPITAL.

Dedicated to the Sick and Afflicted on Sunday, September 9.

Father McEneaney built when he erected his large and commodious residence of some thirty or more rooms. As transformed into an up-to-date hospital is a credit to all connected with it and the city of Albany, a long-felt want for this part of the State.

In a service at 10 o'clock Bishop Christie formally dedicated the structure at St. Mary's Hospital for the use of the sick and afflicted, in a able sermon covering the use of such an institution.

From 2 o'clock to 4 the people of Albany and vicinity had an opportunity to see the interior of the building. Immediately clean, well arranged, it starts with a capacity for twenty patients, having two wards and ten private rooms. The latter have been furnished by the generosity of Albany people, all very attractive places. The surgical department is complete and modern, one of the best on the Coast, consisting of a dressing room, sterilizing room, and operating room, with a medicine room and the surgeon's office adjoining. In the basement is a dining room, heater, etc., splendidly arranged.

Expressions of admiration were universal as the large crowd passed from room to room, and many thought being sick in such a place would not be so very hard after all.—Albany Democrat.

OF INTEREST TO DAIRYMEN.

Novel Milking Machine Shown at the State Fair This Week.

Probably the most interesting and novel exhibit on the State Fair grounds up to date is the Globe cow milking machine, shown by the Hazelwood Cream Company. This is the latest invention of interest to dairymen, and has been proved an unequalled success for two seasons. It saves labor, one milking efficient for a large dairy, and because it makes the cow give more and richer milk. The machine extracts every drop of milk from the cow's udder, and never irritates her as does the ordinary milker. Interest is added to the exhibit from the fact that this is the first public exhibition and demonstration in the world and because the inventor, Daniel Kline, of Kenosha, Virginia, is on the ground to conduct the demonstrations. A herd of milk cows has been secured and will be milked twice each day for the benefit of those interested from 7 to 9 o'clock A. M., and from 4 to 6 P. M.—Salem Statesman.

The sixteenth annual convention of the Women's Christian Temperance Union, of Linn County, Oregon, was held at Albany, September 5 and 6.

Convention was called to order by the president, Mrs. Mears. After devotional exercises, the time was taken up with business, reports of superintendents, etc. Mrs. Maxwell gave the address of welcome, which was very hearty and cheering to visiting delegates, and was very fittingly responded to by Mrs. Davis, of Seaside.

Wednesday evening was a teachers' silver medal contest. Six teachers participated and the medal was won by Miss Eva Stevenson.

Thursday morning reports of officers were given which was very encouraging, showing much work done along many different lines of our work.

Election of officers for the coming year resulted in the election of the following: President, Mrs. Mears, of Seaside; Vice-President, Mrs. Mattie Devore, of Lebanon; Corresponding Secretary, Mrs. Dora Davis, of Seaside; Recording Secretary, Mrs. J. O. Richmond, of Seaside; Treasurer, Mrs. Hammer, of Albany; Delegate to State Convention, Mrs. Mears.

The beautiful white skin-banner was taken by the Lebanon union, that being the banner union for the past year.

Mrs. Henrietta Brown, State Secretary, was present and added much to the interest of the convention. About twenty-five delegates were present, besides visiting members.

Convention next year will be held at Seaside.

By order of Committee.
