 daughter.

ASPIRES TO THE MARSHALSHIP.

Among the names of candidates for
 marshal of Albany, to be voted for at
 the city election, to occur next month,
 we notice the name of our old friend, C.
 W. Crowder. Just what kind of a mar-
 shal Charles would make remains yet to
 be seen, but as he is energetic and
 painstaking, and believes that anything
 that is worth doing at all is worth well
 doing, THE NEWS opines he would make
 a good one. We have known him intima-
 tely and well for the past twenty
 years. We know him to be a man of
 good habits, and one who is wholly re-
 liable. We wish him success.

CHINA WEDDING.

November 13th marked the 20th anni-
 versary of the marriage of our fellow-
 citizens, Mr. and Mrs. W. H. Young,
 and was fittingly celebrated by an ele-
 gant turkey dinner. After fasting sum-
 ptuously, the guests spent the afternoon
 in reviewing the memories of the past.

The invited guests present were: Mr.
 and Mrs. A. J. Johnson, of Corvallis,
 and Mr. and Mrs. C. A. Warner, Mr.
 and Mrs. C. H. Wain, Mr. and Mrs. S.
 F. Zysset, Mr. and Mrs. W. H. Stam
 and Mrs. Agnes Cree, of Scio.

Mr. and Mrs. Young were the recipi-
 ents of a number of pieces of choice
 china in commemoration of the anni-
 versary.

At an early hour the guests departed
 for their homes, wishing Mr. and Mrs.
 Young another twenty years of happy
 married life.

N. B. Mrs. Johnson and Mrs. War-
 ner, seeing that a large quantity of the
 good things served for dinner were left
 over, concluded to remain over night,
 and assist in preventing them from
 spoiling.

 Thanksgiving turkey this year, as we
 did last. The Portland price promises

 fallen plaster, papering, etc. are being

Hecker Bros. today have been ship-
 ping nine carloads of sheep, 1100 in all,
 to San Francisco, to be used for mutton
 in the local market. The price here is,
 approximately, 5 cents, bringing about
 \$1 a head for the sheep, speaking for the
 importance of the industry here.—Al-
 bany Democrat.

It is true that the purpose of the
 Wall street financial panic and the for-
 mation of a gigantic railway combine
 has for its purpose the retirement of
 President Roosevelt from the presidency,
 the purpose will be the strongest possi-
 ble argument to cause the president to
 accept renomination.

R. L. Devaney, who resides between
 this city and Jefferson, and who is a

purchasing agent for Westgate Bros.,
 grain dealers of Albany, has purchased
 and paid for in hard cash, \$20,000 worth
 of oats, since the holiday season began.
 Mr. Devaney states that Westgate Bros.
 are always in the market for oats.

Get ready for Christmas. Buy her or

Last Sunday's Oregon Journal pub-
 lished an excellent picture of a Lin
 county family, representing five genera-
 tions. The picture represents Uncle
 Harrison Johnson and son-in-law, E. H.
 Irvine and wife, on Lebanon, Mrs. W.
 R. Ray, of Jordan, and Mrs. D. M. Mc-
 Knight and son, Ray, of Scio. Mrs. Ir-
 vine, Mr. Johnson's daughter, is the
 mother of Mrs. Ray, and Mrs. Ray is
 the mother of Mrs. D. M. McKnight and
 grand-mother of Ray.

The News family has a pet cat that
 exhibits more than the usual amount of
 intelligence which cats are supposed to
 possess. She is splendid mouse er, and,
 because of this fact, is petted and cared
 for carefully. A few mornings ago,
 while the family were at breakfast, he
 brought a fine large mouse and laid it
 beside her mistress' plate; then, with
 sparkling eye awaited and seemed to ex-
 pect nothing for her unselfish and com-
 mendable act.

Turkeys and geese sell best for the

 ber 10. The happy couple have the

A COUNTY FAIR.

Scio has made a splendid start for a
 county fair, and is entitled to a liberal
 support in making it a success. Albany
 should do nothing to affect its interests.
 For years the field was left open here,
 then Scio came to the rescue and gave
 the county a fair. The people of the
 county should unite in making it a suc-
 cess, and Albany should leave the field
 open to it. This is only fair—Albany
 Democrat.

INCREASE ALL SALARIES.

Pacific States Telephone Company
 Give Employees More Money.

The Oregonian of November 10 says:
 The girl operators and all other employ-
 ees of the Pacific States Telephone &
 Telegraph company have been given a
 raise in salary. The order went into ef-
 fect November 1, and the operators of
 the telephone company are correspond-
 ingly happy. The raise was made in all
 the company's exchanges, but what
 were the increases granted outside of
 Portland is not known here. Last night
 General Manager Hickman confirmed
 the story of the raise for the local oper-
 atives. He said:

"A general increase in salaries have
 been ordered for this district. It covers
 operators, line men and office em-
 ployes, and an advance of 10, 15, 25 and 40 per
 cent in salaries is made. The new scale
 went into effect on November 1. I be-
 lieve the advance has been general, but
 have no information except as to this
 district."

CITY ELECTION.

Scio's city election is again at hand.
 An entire new board of officers is to be
 elected, though it does not follow that
 entirely new men shall be elected to fill
 the office.

The city government, during the year
 to close now in a short time, has been
 managed in a careful, painstaking man-
 ner. Some necessary improvements to
 the water and light systems have been
 made, cross-walks have been builded
 where needed, and yet the city's debt
 has been reduced from near \$6.0 to
 \$150.

This is a showing very creditable to
 the board of city officers, soon to retire.
 During the year an enterprise of im-
 mense importance to Scio and vicinity
 has been successfully launched, and
 while the city officers, in an official ca-
 pacity, had but little to do in making our
 fair a success, they individually gave it
 material aid, and officially made the
 conditions as favorable as possible.

In selecting a new board of officers, it
 should be the aim of every voter to re-
 lect men who, while being economical
 in public expenditures, are progressive
 and alive to the needs of a growing town.
 This should make such improvements as
 are the best interests of and the city's ex-
 chequer will admit of.

Among the improvements that are sh-

olutely necessary, is a new and larger
 dynamo for the city light system. Now
 that plenty of power seems available at
 all times of the year, a dynamo large
 enough to supply all the lights remain-
 ing, should be installed. With such a dynamo
 our light and water system will be
 more fully self-sustaining. Our citizen-
 ry and easily use double the number of
 lights now in use and would do so, if
 the city was prepared to furnish them.
 This can be done only by the installa-
 tion of a larger dynamo, as those now
 have are loaded to their full capacity.

Let men be elected for conscientious
 who are broad-minded and progressive—
 who can see that it is economy some-
 times to expend money.
 With the present council no fault can
 be found. Gentlemen, you have done
 well, and if each of you is re-elected,
 you can regard it as a testimonial that
 the people want you to do it some
 more.

PORTLAND CORRESPONDENCE

PORTLAND, Ore., Nov. 18—Two hun-
 dred and thirty new people found homes
 in Oregon every day from September 1,
 to October 31, as a result of the colonist
 one-way tickets, and through the help
 of the newspapers the population a
 wealth of the state has been enormously
 increased. The exact number of tickets
 sold, as reported by Mr. Wm. McMurry,
 general passenger agent of the Harni-
 man lines, for 1917, was 13,733. For the
 same time in 1916, it was 8899, an in-
 crease of 4933, or about 60 per cent.
 This, of course, does not include tickets
 sold to Oregon over the Canadian Pac-
 fic, Northern Pacific, Great Northern, or
 any other road whose tickets come
 around by way of Puget Sound. The
 Oregon Development League has made
 the colonist rates the chief feature of its
 work. The rates will be on again dur-
 ing March and April, 1918.

The Oregon Good Roads association,
 which convened at the Portland Com-
 mercial Club Thursday and Friday, was
 very decidedly the best attended and
 most practical good roads meeting ever
 held in this state and was considered by
 visitors as equal to any similar meeting
 yet held west of the Rocky Mountains.
 The words of Mr. Theodore B. Wilcox,
 president of the Portland Flouring Mills,
 in an address before 150 business men at
 the Commercial Club Tuesday night,
 when he announced: "The day is
 over. Will be in the market buying
 wheat and a paying gold for it tomorrow,"
 met with a more enthusiastic reception
 than any remark that has been made in
 this city in many years.
