REV. TROUTMAN SENDS BEST WISHES FOR PE-RU-NA

Rev. George A. E. Troutman, Mt. Washington, Mo., Writes,

"My Wife and I Are Strong Believers in Pe-ru-na."

Catarrh and La Grippe.

Rev. Geo. A. E. Troutman, Mt. Washington, Mo., writes: "My wife and I are strong believers in Peruna. I was cured of a bad case of catarrh when nothing else that I tried had any effect. My wife was cured from a severe case of la grippe, and we feel that the least we can do is to gratefully acknowledge the merit of Peruna.

"My wife joins me in sending best wishes for your success."

Throat Trouble.

Rev. H. W. Tate, 920 Lincoln Avenue, Walnut Hills, Cincinnati, Ohio, writes: "For several years I have been troubled with a peculiar spasmodic affection of the throat. It would seize me suddenly and for a few minutes I would be unable to speak audibly, and my breath would be greatly interfered with. I would be obliged to gasp for breath.

"I finally concluded that it was some catarrhal affection which probably excited the spasm. It interfered with my vocation as a preacher, attacking me occasionally in the pulpit.

"I had heard so much about Peruna as a catarrh remedy that I determined to try it. After taking two bottles, my trouble has disappeared. I feel sure that Peruna has greatly benefited me."

Rev. P. E. Swanstrom, Swedish Baptist pastor, Box 228, Grantsburg, Wis., writes that from the use of Peruna he is perfectly well, entirely cured of chronic diarrhea and catarrh.

Peruna in Tablet Form.

For two years Dr. Hartman and his assistant have incessantly labored to create Peruna in tablet form, and their strenuous labors have just been crowned with success. People who object to liquid medicines can now secure Peruna Tablets, which represent the medicinal ingredients of Peruna. Each tablet is equivalent to one average dose of Peruna.

RHEUMATISM

CAN NOT BE RUBBED AWAY

It is perfectly natural to rub the spot that hurts, and when the muscles, nerves, joints and bones are throbbing and twitching with the pains of Rheumatism the sufferer is apt to turn to the liniment bottle, or some other external application, in an effort to get relief from the disease, by producing counter-irritation on the flesh. Such treatment will quiet the pain temporarily, but can have no direct curative effect on the real disease because it does not reach the blood, where the cause is located. Rheumatism is more than skin deep—it is rooted and grounded in the blood and can only be reached by constitutional treatment—IT CANNOT BE RUBBED AWAY. Rheumatism is due to an excess of uric acid in the blood, brought about by the accumulation in the system of refuse matter which the natural avenues of bodily waste, the Bowels and Kidneys, have failed to carry off. This refuse matter, coming in contact with the different acids of the body, forms uric acid which is absorbed into the blood and distributed to all parts of the body, and Rheumatism gets possession of the system. The aches and pains are only symptoms, and though they may be scattered or relieved for a time by surface treatment, they will reappear at the first exposure to cold or dampness, or after an attack of indigestion or other irregularity. Rheumatism can never be permanently cured while the circulation remains saturated with irritating, pain-producing uric acid poison. The disease will shift from muscle to muscle or joint to joint, settling on the nerves, causing inflammation and swelling and such terrible pains that the nervous system is often shattered, the health undermined, and perhaps the patient becomes deformed and crippled for life. S. S. S. thoroughly cleanses the blood and renovates the circulation by neutralizing the acids and expelling all foreign matter from the system. It warms and invigorates the blood so that instead of a weak, sour stream, constantly depositing acrid and corrosive matter in the muscles, nerves, joints and bones, the body is fed and nourished by rich, health-sustaining blood which completely and permanently cures Rheumatism. S. S. S. is composed of both purifying and tonic properties—just what is needed in every case of Rheumatism. It contains no potash, alkali or other mineral ingredient, but is made entirely of purifying, healing extracts and juices of roots, herbs and barks. If you are suffering from Rheumatism do not waste valuable time trying to rub a blood disease away, but begin the use of S. S. S. and write us about your case and our physicians will give you any information or advice desired free of charge and will send our special treatise on Rheumatism.

CONFIRMED IN PARIS

Suspicions Cabled to Washington and Rio Janeiro.

STORY MAY PROVE TO BE HOAX

Steamer Reported to Have Conveyed Explosives to Southern Port —Precautions Taken.

Paris, Jan. 21.—The reports cabled from Rio de Janeiro that the Brazilian authorities were warned from Paris of a possible attempt to blow up the American battleship fleet while in the harbor there are true. Some time ago certain suspicions indicating the existence of a plot to destroy the whole or a portion of the fleet, either at Rio Janeiro or in the Straits of Magellan, were aroused and communicated to Rio Janeiro and Washington. A chartered steamer was reported to have conveyed explosives for the use of the conspirators to Rio Janeiro, arriving there about the middle of December, and John Fedher, whose name is mentioned in the Rio Janeiro dispatches, was one of the men whose names were revealed here as implicated in the conspiracy.

The alleged plot is supposed to have some rather startling ramifications, but the evidence along this line is far from conclusive and rests chiefly upon the statement of an individual whose record was subsequently proved to be anything but creditable. Consequently the whole affair is regarded with much skepticism, and indeed the presumption has been raised that it may have been a deliberately concocted scare.

HENEY NEARING CLIMAX.

Government Witnesses Tell of Land Stealing by Settlers.

Portland, Jan. 21.—With testimony strong and apparently conclusive, the government yesterday by several witnesses in the Hall-Mays conspiracy trial exposed the bold and law defying operations of the Butte Creek Land, Livestock & Lumber company, and disclosed to the jury how during the years 1900 and 1901 this company acquired fraudulently a considerable area of public land. By the same evidence it was shown how this land grabbing corporation by the acquisition of these lands was enabled to complete the enclosure of a still larger area of government land to which other settlers were denied access for grazing purposes.

Heney, for the prosecution, made considerable progress in establishing the existence of a conspiracy among the members of the Butte Creek company and he said last night that the government's case would be supported still further as to the alleged conspiracy by the introduction today of more testimony of the same character as that presented yesterday. When this has been done, Heney will begin the next step outlined by the prosecution and will seek positively to connect Hall and Mays with the conspiracy that will have been proved against the officers of the Butte Creek company.

STORM CITY HALL.

Six Thousand Unemployed in Seattle Make Demonstration.

Seattle, Jan. 21.—The unemployed laborer's long talked of demonstration was made yesterday.

Marshaled by leaders of the Industrial Workers of the World, an organization which includes the unemployed in its membership, about 6,000 men marched up First avenue for several blocks and then debouched to the city hall, where a call was made for the mayor.

The mayor submitted a letter a short time later in which he replied to the demands by saying that the county commissioners have devoted $5,000 to feeding and sheltering the unemployed, that all public works provided for by appropriation are now under way, and that to do away with the chain gang it will be necessary for the council to strike the ordinance from the books.

They Were Invited.

Ottawa, Ont., Jan. 21.—The report of W. L. Mackenzie King, the royal commissioner appointed to inquire into the influx of Oriental labor into Canada, establishes that the Japanese government has been observing the agreement to restrict immigration, and that the departure of the Japanese Foreign office was made only at the request of the Canadian Nippon Steamship company, backed by the Canadian Pacific railway and other influential Canadian interests, which represented at Tokio that Japanese labor was needed.

Bank Commissioners Sued.

San Francisco, Jan. 21.—Henry B Russ today began suit against the present and former boards of state bank commissioners to recover $16,374.53, which he deposited with the California Safe Deposit & Trust company on the strength, he alleged, of favorable reports regarding the condition of that institution, issued by the commissioners. He said that he made a deposit of $10,000 in the bank only two days before its doors were closed.

$15,000,000 More Retired.

New York, Jan. 21.—Large blocks of clearing house loan checks, amounting to about $15,000,000, were retired yesterday, and the amount outstanding now is in the neighborhood of $20,000,000.
